Rewrites A Memoir

Mark Harris

Rewrites A Memoir:

Rewrites Neil Simon, 2012-10-01 Neil Simon's plays are to some extent a reflection of his life sometimes autobiographical other times based on the experiences of those close to him What the reader of this warm nostalgic memoir discovers however is that the plays although grounded in Neil Simon's own experience provide only a glimpse into the mind and soul of this very private man In *Rewrites* he tells of the painful discord he endured at home as a child of his struggles to develop his talent as a writer and of his insecurities when dealing with what proved to be his first great success falling in love Supporting players in the anecdote filled memoir include Sid Caesar Jerry Lewis Walter Matthau Robert Redford Gwen Verdon Bob Fosse Maureen Stapleton George C Scott Peter Sellers and Mike Nichols But always at center stage is his first love his wife Joan whose death in the early seventies devastated him and whose love and inspiration illuminate this remarkable and revealing self portrait *Rewrites* is rich in laughter and emotion and filled with the memories of a sometimes sweet sometimes bittersweet life

Rewrites Neil Simon, 1996 Since *Come Blow Your Horn* first opened on Broadway in 1960 few seasons have passed without the appearance of another of his laughter filled plays and indeed on numerous occasions two or more of his works have been running simultaneously

A Writer's Life Orson Scott Card, 2000 *Neil Simon Rewrites: a Memoir* Neil Simon, 1996

When Life Rewrites Left to Write Memoir Group, 2019

Rage and Glory David Sheward, 2008-10 Examines the life and accomplishments of this powerful actor through a review of the roles he has played and awards he has received while delving into his personal life and the dramas he managed off stage including a sexual harassment suit and an affair with Ava Gardner

The Postcolonial Citizen Reshmi Dutt-Ballerstadt, 2010 The Postcolonial Studies series will explore the enormous variety and richness in postcolonial culture and transnational literatures The series aims to publish work which explores various facets of the legacy of colonialism including imperialism nationalism representation and resistance neocolonialism diaspora displacement and migratory identities cultural hybridity transculturation exile and others

Mike Nichols Mark Harris, 2022-02-01 One of The Hollywood Reporter's 100 Greatest Film Books of All Time A National Book Critics Circle finalist One of People's top 10 books of 2021 An instant New York Times bestseller Named a best book of the year by NPR and Time A magnificent biography of one of the most protean creative forces in American entertainment history a life of dazzling highs and vertiginous plunges some of the worst largely unknown until now by the acclaimed author of *Pictures at a Revolution* and *Five Came Back* Mike Nichols burst onto the scene as a wunderkind while still in his twenties he was half of a hit improv duo with Elaine May that was the talk of the country Next he directed four consecutive hit plays won back to back Tonys ushered in a new era of Hollywood moviemaking with *Who's Afraid of Virginia Woolf* and followed it with *The Graduate* which won him an Oscar and became the third highest grossing movie ever At thirty five he lived in a three story Central Park West penthouse drove a Rolls Royce collected Arabian horses and counted Jacqueline Kennedy Elizabeth Taylor Leonard Bernstein and Richard Avedon as friends Where he arrived

is even more astonishing given where he had begun born Igor Peschkowsky to a Jewish couple in Berlin in 1931 he was sent along with his younger brother to America on a ship in 1939 The young immigrant boy caught very few breaks He was bullied and ostracized an allergic reaction had rendered him permanently hairless and his father died when he was just twelve leaving his mother alone and overwhelmed The gulf between these two sets of facts explains a great deal about Nichols s transformation from lonely outsider to the center of more than one cultural universe the acute powers of observation that first made him famous the nourishment he drew from his creative partnerships most enduringly with May his unquenchable drive his hunger for security and status and the depressions and self medications that brought him to terrible lows It would take decades for him to come to grips with his demons In an incomparable portrait that follows Nichols from Berlin to New York to Chicago to Hollywood Mark Harris explores with brilliantly vivid detail and insight the life work struggle and passion of an artist and man in constant motion Among the 250 people Harris interviewed Elaine May Meryl Streep Stephen Sondheim Robert Redford Glenn Close Tom Hanks Candice Bergen Emma Thompson Annette Bening Natalie Portman Julia Roberts Lorne Michaels and Gloria Steinem Mark Harris gives an intimate and evenhanded accounting of success and failure alike the portrait is not always flattering but its ultimate impact is to present the full story of one of the most richly interesting complicated and consequential figures the worlds of theater and motion pictures have ever seen It is a triumph of the biographer s art

A Study Guide for Neil Simon's "Brighton Beach Memoirs" Gale, Cengage Learning, A Study Guide for Neil Simon s Brighton Beach Memoirs excerpted from Gale s acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs

In the Long Run Jordan Schildcrout, 2019-09-04 In the Long Run A Cultural History of Broadway s Hit Plays presents in depth analysis of 15 plays that ran over 1 000 performances examining what made each so popular in its time and then in many cases fall into obscurity Covering one hundred years of theatre history it traces the long running Broadway play as a distinct cultural phenomenon that rises and falls from 1918 to 2018 Each chapter focuses on the longest running plays of a particular decade synthesizing historical research and dramaturgical analysis to explain how they functioned as works of theatrical art cultural commodities and reflections of the values conflicts and fantasies of their times At the heart of each play s history are the ideological contradictions often present in works of popular culture that appeal to diverse audiences particularly around issues of gender race class and sexuality Suitable for anyone with an interest in Broadway and its history In the Long Run explores the nature of time in this ephemeral art form the tensions between commerce and art between popularity and prestige and the changing position of the Broadway play within American popular culture
