## **Rhino Stayed For Breakfast:**

*The Rhino Stayed for Breakfast* Rowena Lee, 1958      **The Rhino Stayed for Breakfast** Marie Bartlett, 1958      *Rhinos for Lunch and Elephants for Supper!* Tololwa M. Mollel, 2000-08 This retelling of an old Maasai fable features a hare whose home has been taken over by a mysterious interloper and not even the fox leopard or elephant can drive off the monster who eats rhinos for lunch and elephants for supper Full color illustrations      **The White Spaces of Kenyan Settler Writing** Terrence L. Craig, 2017-03-27 The White Spaces of Kenyan Settler Writing provides an overview of Kenyan literature by white writers in the half century before Independence in 1964 Such literature has been overshadowed by that of black writers to the point of critical ostracism It deserves attention for its own sake as the expression of a community that hoped for permanence but suffered both disappointment and dispossession It deserves attention for its articulation of an increasingly desperate colonial and Imperial situation at a time when both were being attacked and abandoned in Africa as in other colonies elsewhere and when a counter discourse was being constructed by writers in Britain as well as in Africa Kenya was likely the best known twentieth century colony for it attracted publicity for its iconic safaris and its Happy Valley scandals Yet behind such scenes were settlers who had taken over lands from the native peoples and who were trying to make a future for themselves based on the labour willing or forced of those people This situation can be seen as a microcosm of one colonial exercise and can illuminate the historical tensions of such times The bibliography is an attempt to collect the literary resources of white Kenya in this historically significant period      **An Affair with Africa** Alzada Carlisle Kistner, 2013-03-05 In June 1960 a young faculty wife named Alzada Kistner and her husband David a promising entomologist left their 18 month old daughter in the care of relatives and began what was to be a four month scientific expedition in the Belgian Congo Three weeks after their arrival the country was gripped by a violent revolution trapping the Kistners in its midst Despite having to find their way out of numerous life threatening situations the Kistners were not to be dissuaded An emergency airlift by the United States Air Force brought them to safety in Kenya where they continued their field work Thus began three decades of adventures in science In *An Affair with Africa* Alzada Kistner describes her family's African experience the five expeditions they took beginning with the trip to the Belgian Congo in 1960 and ending in 1972-73 with a nine month excursion across southern Africa From hunching over columns of ants for hours on end while seven months pregnant to eating dinner next to Idi Amin Kistner provides a lively and humor filled account of the human side of scientific discovery Her wonderfully detailed stories clearly show why despite hardship and danger and contrary to all of society's expectations she could not forsake accompanying her husband on his expeditions and to this day continues to find the world endlessly beckoning a lively bubbling cauldron of questions and intrigue In the spirit of Beryl Markham's *West with the Night* and Isak Dinesen's *Out of Africa* *An Affair with Africa* shares with readers the thoughts and experiences of a remarkable woman one whose unquenchable thirst for adventure led her into a series of almost unimaginable situations Readers from armchair travelers

fascinated by stories of Africa to scientists familiar with the Kistners s work but unaware of the lengths to which they went to gather their data will find *An Affair with Africa* a rare treasure      **The Elephants of Thula Thula** Françoise Malby-Anthony,2023-04-25 Fran oise Malby Anthony s *The Elephants of Thula Thula* is a powerful gripping story about an extraordinary herd of elephants and the woman dedicated to keeping them safe Somehow the elephants got into my soul and it became my life s work to see them safe and happy There was no giving up on that vision no matter how hard the road was at times Fran oise Malby Anthony is the owner of a game reserve in South Africa with a remarkable family of elephants whose adventures have touched hearts around the world The herd s feisty matriarch Frankie knows who s in charge at Thula Thula and it s not Francoise But when Frankie becomes ill and the authorities threaten to remove or cull some of the herd if the reserve doesn t expand Fran oise is in a race against time to save her beloved elephants The joys and challenges of a life dedicated to conservation are vividly described in *The Elephants of Thula Thula* The search is on to get a girlfriend for orphaned rhino Thabo and then as his behaviour becomes increasingly boisterous a big brother to teach him manners Fran oise realizes a dream with the arrival of Savannah the cheetah an endangered species not seen in the area since the 1940s and finds herself rescuing meerkats kept as pets But will Thula Thula survive the pandemic an invasion from poachers and the threat from a mining company wanting access to its land As Fran oise faces her toughest years yet she realizes once again that with their wisdom resilience and communal bonds the elephants have much to teach us      **The Bookseller** ,1958

Blackwood's Edinburgh Magazine ,1903      Under the Bonnet Cathy Woodman,2012-04-26 When your family fails its MOT it s time to look *Under the Bonnet* Juliet wonders whether she can ever reignite the missing spark in her marriage to Andy in *Under the Bonnet* Cathy Woodman s refreshing debut Not to be missed by fans of Jo Thomas and Phillipa Ashley Great fun *Bookseller* With a struggling second hand car dealership in South London Juliet and Andy Wyevale don t have it easy And it s not just the business that needs a jump start their marriage could do with an overhaul too Andy s always too busy with work to help with the kids and what s more he s losing his hair and developing a paunch Although Juliet loves her husband dearly she knows the passion leaked out of their marriage a while ago So when Andy hires a new mechanic who bears more than a passing resemblance to Antonio Banderas and who has a thing for older women the sparks begin to fly Will Juliet throw it all away for a man who looks great in an oily vest and tight jeans Or will she realise that her family needs her now more than ever What readers are saying about *Under the Bonnet* Fantastically written full of humour and wit I couldn t put the book down Once you start this book you will immediately take the characters to heart I loved it I really connected with the characters and would recommend it      The Times Literary Supplement ,1982
