

NOTHING GOLD CAN STAY

BY ROBERT FROST

Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay.

Rhythms English Poetry:

The Rhythms of English Poetry Derek Attridge, 2014-07-10 Examines the way in which poetry in English makes use of rhythm The author argues that there are three major influences which determine the verse forms used in any language the natural rhythm of the spoken language itself the properties of rhythmic form and the metrical conventions which have grown up within the literary tradition He investigates these in order to explain the forms of English verse and to show how rhythm and metre work as an essential part of the reader's experience of poetry

Poetic Rhythm Derek Attridge, 1995-09-28 This is the first introduction to rhythm and meter that begins where students are as speakers of English familiar with the rhythms of ordinary spoken language and of popular verse such as nursery rhymes songs and rap Poetic rhythm builds on this knowledge and experience taking the reader from the most basic questions about the rhythms of spoken English to the elaborate achievements of past and present poets Terminology is straightforward the simple system of scansion that is introduced is suitable for both handwriting and computer use and there are frequent practical exercises Chapters deal with the elements of verse English speech rhythms the major types of metrical poetry free verse and the role of sense and syntax Poetic rhythm will help readers of poetry experience and enjoy its rhythms in all their power subtlety and diversity and will serve as an invaluable tool for those who wish to write or discuss poetry in English at a basic as well as a more advanced level
