Rhyme with Reason Poettree,2004-02 *Rhyme and Reason; a picture book of verses for little folks. With ... illustrations* Henry William DULCKEN,1869 *Rhyme and Reason* Claire Evans,1997-01-01 *Rhyme & Reason* April A. VanApeldorn,2022-01-05 A word creates a thought A thought creates an emotion An emotion creates an image The cycle of verbal to visual art What I found so beautiful about this cycle is that no two people will ever come up with the same image They may have similar aspects however each will be unique to the person who read the word and felt the emotion that created their own image With this very idea in mind I decided to collaborate with my very talented mother I wanted to see my words through the eyes of her emotions And I must say it was inspiring to see the words that captured her thought process with each poem I hope you enjoy this verbal and visual journey as much as we did and reflect upon your own image as you read each poem *Rhyme and Reason, Poems* Mary McClelland Blank,1962 *Rhyme & Reason* Alexandria Kaan,2022-10-25 Almost twenty years ago I had written a book with the same concept as this one I am proud to say this version of the book is the first times infinity The original book was titled Rhyme and Reason A Rhyming Book on Rhyming To summarize the book is about the concept and use of rhyming and the fun part about it is that more than half of the book actually rhymes Along with being a writer I am also a lyricist a free style er and a poet I have taken my over twenty years experience within the realm of rhyming and condensed it into a breakdown of what rhyming does and can mean to us as people and how they can help us understand the nature behind words as they can be seen as people themselves in a way My chapters include Symmetry in Poetry an interesting look at visualizing rhymes Child Like our early life introduction to rhymes Love of Love Poetry the romantic nature of rhyming and Rhyming s Raison D tre a collection of rhyming structures plus some of my own personal song lyrics We enter a rhyming center where all sounds of words are stored in a scepter the book you now read the back of is all their interceptor except for the way you choose to interpret em And at the end of reading this Enter rhythm I mean it is a given that we give in to the rhythm givin rhythms to these rhyming hymns We see the palm trees and feel a calm breeze as the psalms sing and we know what alms bring What you hold in your palms ring with a truth that was once understood by a Soothsayer s sweet tooth As a Master Stenographer and a Poet I ve taken both worlds and used them to strategically break down the very heart of rhyming in all its glory and everything in between So enjoy a story that will sing in a scene that you will have seen and are seein *Rhyme and Reason; Short and Original Poems* Philip Smyth,2015-11-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no
