Rhythmic Praise:

Plutarch's Rhythmic Prose G. O. Hutchinson, 2018-07-12 Greek literature is divided like many literatures into poetry and prose but in Greek the difference between them is not that all prose is devoid of firm rhythmic patterning In the earlier Roman Empire from 31 BC to about AD 300 much Greek and Latin prose was actually written to follow one organized rhythmic system How much Greek prose adopted this patterning has hitherto been quite unclear the present volume for the first time establishes an answer on an adequate basis substantial data drawn from numerous authors It constitutes the first extensive study of prose rhythm in later Greek literature The book focuses particularly on one of the greatest Imperial works Plutarch's *Lives* It rests on a scansion of the whole work almost 100 000 phrases Rhythm is seen to make a vital contribution to the literary analysis of Plutarch's writing and prose rhythm is revealed as a means of expression which draws attention to words and word groups Some passages in the *Lives* pack rhythms together more closely than others much of the discussion concentrates on such rhythmically dense passages examining them in detail in commentary form These passages do not occur randomly but attract attention to themselves They are marked out as climactic in the narrative or as in other ways of highlighted significance joyful summations responses to catastrophe husbands and wives fathers and sons compared These remarkable passages make apparent the greatness of Plutarch as a prose writer a side of him fairly little considered amid the huge resurgence of work on Plutarch as an author and as a major historical source Some passages from three Greek novelists both rhythmic and unrhythmic are closely analysed too The book demonstrates how rhythm can be integrated with other aspects of criticism and how it has the ability to open up new vistas on three prolific centuries of literary history

Rhythmic Praise Lonette Henderson, 2005-12-01 Words of wisdom consolation and hope as well as praises to God are found in this collection of inspirational poems **Rhythmic Reflections** S Scott Jr , 2025-06-01 This is a collections of songs and poems that I've created during the first half of 2025 They have been inspired by public health classes Sunday School classes 12 step recovery principles family Union activism personal growth and health The Concept of Negritude in the Poetry of Leopold Sedar Senghor Sylvia Washington Ba, 2015-03-08 Negritude has been defined by L opold S dar Senghor as the sum of the cultural values of the black world as they are expressed in the life the institutions and the works of black men Sylvia Washington B analyzes Senghor's poetry to show how the concept of negritude infuses it at every level A biographical sketch describes his childhood in Senegal his distinguished academic career in France and his election as President of Senegal Themes of alienation and exile pervade Senghor's poetry but it was by the opposition of his sensitivity and values to those of Europe that he was able to formulate his credo Its key theme and the supreme value of black African civilization is the concept of life forces which are not attributes or accidents of being but the very essence of being Life is an essentially dynamic mode of being for the black African and it has been Senghor's achievement to communicate African intensity and vitality through his use of the nuances subtleties and sonorities of the French language In the final chapter Sylvia

Washington B discusses the future of Senghor's belief that the black man's culture should be recognized as valid not simply as a matter of human justice but because the values of negritude could be instrumental in the reintegration of positive values into western civilization and the reorientation of contemporary man toward life and love Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Garland Encyclopedia of World Music Ruth M. Stone, 2017-09-25 Explores key themes in African music that have emerged in recent years a subject usually neglected in country by country coverage emphasizes the contexts of musical performance unlike studies that offer static interpretations isolated from other performing traditions presents the fresh insights and analyses of musicologists and anthropologists of diverse national origins African Asian European and American Charts the flow and influence of music The Encyclopedia also charts the musical interchanges that followed the movement of people and ideas across the continent including cross regional musical influences throughout Africa Islam and its effect on African music spread of guitar music Kru mariners of Liberia Latin American influences on African music musical interchanges in local contexts crossovers between popular and traditional practices Downloadable resources included Also includes nine maps and 96 music examples

The Concise Garland Encyclopedia of World Music Garland Encyclopedia of World Music, 2013-01-11 The Concise Garland Encyclopedia of World Music comprises two volumes and can only be purchased as the two volume set To purchase the set please go to <http://www.routledge.com/9780415972932>

Building Choral Excellence Steven M. Demorest, 2003-04-10 Designed for both the practicing choral director and the choral methods student this is a compact and comprehensive overview of the many teaching methods strategies materials and assessments available for choral sight singing instruction Sight singing is an important if sometimes neglected facet of choral music education that often inspires fear and uncertainty in student and teacher alike Written in an accessible style this book takes the mystery out of teaching music reading Topics covered include the history of sight singing pedagogy and research prominent methods and materials and practical strategies for teaching and assessment This is the only book to provide such a wealth of information under one cover and will become an essential part of every choral conductor's library

Hymns and Hymnody III John Forest, Mark A. Lamport, Vernon M. Whaley, 2020-10-29 Hymns and the music the church sings are tangible means of expressing worship And while worship is one of if not the central functions of the church along with mission service education justice and compassion and occupies a prime focus of our churches a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship Hymns and Hymnody Historical and Theological Introductions is a 60 chapter three volume introductory

textbook describing the most influential hymnists liturgists and musical movements of the church This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers that have impacted the church over the course of twenty centuries Volume 1 explores the early church and concludes with the Renaissance era hymnists Volume 2 begins with the Reformation and extends to the eighteenth century hymnists and liturgists Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty first century Each chapter contains these five elements historical background theological perspectives communicated in their hymns compositions contribution to liturgy and worship notable hymns and bibliography The mission of Hymns and Hymnody is 1 to provide biographical data on influential hymn writers for students and interested laypeople and 2 to provide a theological analysis of what these composers have communicated in the theology of their hymns We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology This latter aspect we contend is missing yet important in accessible formats for the current literature *Faith at Home* Christopher Williams,2025-04-28 In a world brimming with busy schedules digital distractions and shifting cultural norms Faith at Home Discipleship for families offers a clear roadmap for building a Christ centered household Through engaging stories from families across the globe spanning cities countryside and diverse traditions this book illustrates how daily life can become a catalyst for spiritual transformation From nurturing marriages that mirror Christ s sacrificial love to discipling children with warmth and biblical wisdom each chapter fuses Scripture with hands on practicality Discover fresh approaches to family worship intentional forgiveness healthy discipline and even wise tech usage that fortifies rather than fragments your home Learn how hospitality and service can unite households in God s mission and find courage to persevere when crises arise confident in God s unfailing care Rooted in timeless truths yet adaptable to modern realities Faith at Home Discipleship for families speaks to every stage of family life Whether you re newly exploring Christianity or seeking to refresh your established household routines this resource will encourage you to embrace discipleship not just on Sundays but in each shared meal conversation and act of love that transforms your family into a beacon of hope for the world **The Concise Garland Encyclopedia of World Music: Africa ; South America, Mexico, Central America, and the Caribbean ; The United States and Canada ; Europe ; Oceania** Ellen Koskoff,2008 The critical importance of past for the present of music histories in local and global forms asserts itself The history of world music as each chapter makes clear is one of critical moments and paradigm shifts
