Tactical Performance Larry Bogad, 2016-02-26 Tactical Performance tells fun mischievous stories of underdogs speaking mirth to power through creative targeted activist performance in the streets of cities around the world This compelling inspiring book also provides the first ever full length practical and theoretical guide to this work L M Bogad one of the most prolific practitioners and scholars of this genre shares the most effective non violent tactics and theatrics employed by groups which have captured the public imagination in recent years Tactical Performance explores carnivalesque protest in unique depth looking at the possibilities for direct action and sometimes shocking confrontation with some of the most powerful institutions in the world It is essential reading for anyone interested in creative pranksterism and the global justice movement

Carnival Art, Culture and Politics Michaeline Crichlow, 2013-09-13 Drawing on rich insights from cultural post structural and postcolonial studies this book demands that we rethink Carnival and the carnivalesque as not just celebratory moments or even as critical subtext but also as insightful performatives of social life anywhere given the entangled times and spaces of these performances The authors review Carnival s performative aspects not merely as a calendrical festival but rather center attention on the relationship between carnival and everyday life and on how people negotiate their social spaces and possibilities in the context of modern power The book therefore seeks to highlight the knotted time spaces of power and to demonstrate the dynamic interplay between state spaces and people s spaces that are being weaved by carnival s interlocutors It demonstrates how Carnival and the Carnivalesque become analytic optics through

which the relations of power in the social and political life of subjects who seek to tacitly or strategically vary their given identities can be productively engaged This book was originally published as a special issue of Social Identities Journal for the Study of Race Nation and Culture
