which the researcher may be immersed from the legislative history of a statute to determining how to ask the government for
documents not yet made available to the public Along the way the authors discuss the various types of tax related court
opinions government documents and law review and journal articles Considerable attention is given to both the authoritative
weight of each document and how it can be found Research in the international tax area a complex and dynamic area of tax is
discussed in great detail Finally the authors provide strategies for organizing the information into a written document
whether it is a response to an information document request or a brief to be filed in Tax Court Throughout the pages of
Federal Tax Research examples of real life situations practice notes research tips and snippets of actual court opinions add
breadth and life to the technical information These illustrations of the practical application of the rules allow the researcher
