The Upside Down Way Matthew Ingalls, 2017-02-14 Jesus life should turn our world upside down His first observers according to Luke were routinely seized with amazement both at the bending of physics making the blind see and lame walk and at the ridiculous things he did and taught A careful look at the Jesus of the Gospels sketches a man completely out of touch with conventional thinking a man radically devoted to living a shocking life for the sake of the broken and forgotten In popular depictions of Jesus today he seems to be more concerned with upholding a conventional way of life than with overturning our understanding of ourselves Jesus life story should lead more to humble servanthood than to syncopated light shows in church or the triumph of a political candidate or a well ordered and respectable lifestyle *The Upside Down Way* is a series of devotionals drawn from the text of Luke Each devotional is an invitation to a fresh look at the outrageous words and actions of Jesus Author and pastor Matthew Ingalls combines rigorous historical study with a voice that is unflinchingly bold reflective honest and challenging in order to elevate Luke s ridiculous Jesus to his rightful position as the fountain of Christian faith

In Harm's Way Kathleen Kern, 2009-01-01 In 1984 Evangelicals for Social Action founder Ron Sider posed the questions What would happen if we in the Christian church developed a new nonviolent peacekeeping force ready to move into violent conflicts and stand peacefully between warring parties Everyone assumes that for the sake of peace it is moral and just for soldiers to get killed by the hundreds of thousands even millions Do we not have as much courage and faith as soldiers Christian Peacemaker Teams CPT has been trying to answer those questions since 1986 CPT has responded to invitations from grassroots organizers on five continents who are using nonviolent strategies to confront systemic oppression This book provides a glimpse into the mistakes and successes the triumphs and tragedies that teams have shared in with local co workers in various nations It also continues to pose the question What would happen if CPT s efforts were multiplied by millions of Christians with a radical commitment to Jesus s nonviolent gospel The Christian Consumer

Laura M. Hartman, 2011-11-29 Consumption the flow of physical materials in human lives is an important ethical issue Out consumption choices affect the well being of humans around the globe in addition to impacting the natural world and consumers themselves In this book Laura Hartman seeks to formulate a coherent Christian ethic of consumption **After Trump** Donald Heinz, 2020-03-18 A black social gospel movement arose after the Civil War to mitigate the broken promises of reparations and the reestablishment of white supremacy After the Gilded Age a new social gospel arose in the early twentieth century that brought together Christian proclamation and an ethic of social justice that became liberal Protestantism s distinctive contribution to world Christianity leaving residues in the New Deal and the Great Society In the

face of poverty and bondage in the 1960s Martin Luther King Jr led a second wave of the black social gospel movement and died for it as prophets do It birthed new liberation movements on many fronts Again things fell apart as the Reagan Revolution massively redistributed wealth and social benefits upward and late capitalism flourished In this environment tax cuts for the wealthy and massive inequalities grew and President Trump inherited the resentments of the Christian Right and the opportunism of economic conservatives Would a recurring social gospel have made a difference After Trump American Christianity faces another crisis of decision Will the strange God of the Bible be re called will the churches re live as social movements that bring good news to all the people will American Christianity re contest the public square and proclaim a new social gospel for our times This book is an invitation and a manifesto **Disarming Leviathan** Caleb E.

Campbell,2024-07-02 Christian nationalism a worldview rooted in un Christian ideas about power race and property has taken over large swaths of the United States Introducing the basics of Christian nationalism and its talking points pastor Caleb Campbell equips Christians to confront these claims with compassion and the truth of the good news of Jesus

Wasted Evangelism Chip M. Anderson,2013-10-04 What is the relationship between the gospel and the church s responsibility toward the poor Can social action be evangelism *Wasted Evangelism* is an exploration in the Gospel of Mark on the subject of evangelism and social action A proclamation centered definition of evangelism based on the etymology of the word evangelize and a few isolated proof texts is devoid of much of the biblical content that Mark offers to us through his Gospel detaching the concept of evangelism from the narrative meaning that Mark gives to the gospel of Jesus Christ In *Wasted Evangelism* Chip Anderson develops an exegetically based narrative understanding of biblical evangelism which according to Mark s Gospel includes God s care for the economically vulnerable and his concern for the issues of poverty The studies gathered in this volume propose that social action should not be considered a separate distinct responsibility for the church but is rather a vital component of evangelism A close examination of Mark s Gospel and the biblical texts associated with idolatry poverty and justice provides an opportunity for church leadership to rethink the evangelistic activities of their churches and to reconsider what it means to engage their surrounding communities as agents of God s kingdom **White**

If Jesus Is Lord Ronald J. Sider, 2019-07-16 What does Jesus have to say about violence just war and killing Does Jesus ever want his disciples to kill in order to resist evil and promote peace and justice This book by noted theologian and bestselling author Ronald J Sider provides a career capstone statement on biblical peacemaking Sider makes a strong case for the view that Jesus calls his disciples to love and never kill their enemies He explains that there are never only two options to kill or to do nothing in the face of tyranny and brutality There is always a third possibility vigorous nonviolent resistance If we believe that Jesus is Lord then we disobey him when we set aside what he taught about killing and ignore his command to love our enemies This thorough comprehensive treatment of a topic of perennial concern vigorously engages with the just war tradition and issues a challenge to all Christians especially evangelicals to engage in biblical peacemaking The book includes a foreword by Stanley Hauerwas
