Rich Girls:

Rich Girls Kendall Banks, 2013-06-01 There s an exclusive lifestyle in America where your body your game and good looks all get you paid These girls become rich girls and are down for whatever it takes to stay on top Are you a Potential Rich Girl Meet Jewell a five foot nine diva who was born with a silver spoon in her mouth and an American Express card in her hand Sadly when her bank account turns cold Jewell resorts to a dangerous ridiculous scam only to maintain her rich girl status Meet Nadia the youngest and least paid of her crew She spends money like crazy to distract herself from the painful reality of being broke By hook or crook she sells her soul to the highest bidder only to keep what little paper she has Meet Tori the hustling diva of the west Vegas hadn t seen a devilish by any means necessary chick until she showed up in town ready to show off her manipulative skills Taking the city by storm she spends her time hustling dope dealers high rollers and any man with a thick wallet Together they take the streets of Vegas by storm Between chasing money scamming men and hustling the system they vow to stay on top The girls get desperate when chaos strikes and come up with a corrupt scheme to certify them as rich girls for life

If I Were a Rich Girl Sherri Renee, 2018-12-25 Rindi has the right clothes the right hair the right makeup She s snatched up by the popular crowd and is dating the most sought after guy at her new school So what s her problem It s all a lie She doesn t come from money and power like her friends do and if it wasn t for the local Dollar Does It store she wouldn t be able to hang with them and their ever changing wardrobes at all Rindi thought the key to happiness was fitting in and fitting in at this school means having money But what will happen if people find out her parents are the hired help and she s a big fat liar

The Other Girls Lola Pridemore, 2011-08 Sometimes you re just chosen After their father passes away Adele and her younger sisters Eliza and Cecelia are sent to prestigious Bancroft House However once they get over the impressive appearance of the school they soon realize that the house is divided between the rich girls and the other girls And they belong with the other girls This means that they re not there to study but to work This requires long hours in the flower factory with little to eat After a while Adele realizes that she and her sisters must find a way out of Bancroft House However she s too young to leave on her own and soon gives up hope That is until Jolene turns up Jolene is a ghost who was a once a powerful young witch She offers Adele a solution to her problem magic With no other alternative Adele concedes and soon starts on her path to becoming a witch But what Adele doesn t realize is that Jolene is using her to gain power so that she can seek revenge on the person who murdered her The Other Girls is a young adult paranormal novel about a witch a ghost and a mystery

Framing Class Diana Kendall, 2005-07-21 Framing Class is a cutting edge book that examines the sociological implications of class representations in the media and shows how slanted media framing of stories about wealth and poverty may significantly influence many people Through a historical and contemporary analysis of newspaper articles and television shows Framing Class demonstrates how the media perpetuate negative stereotypes about the working class and the poor while glorifying the material possessions and privileged status of the upper classes

Rooms John D. Fitzpatrick, 2002-08-14 Radically different from previous works of its kind From the author of *Sculpture In My Head* comes another book containing many new lyrics for purchase and distribution This book is a deep reservoir of lyrics for record companies singers and songwriters alike John Fitzpatrick continues to work on projects with various musicians collaborating using his gifts of lyrical and rhythmic insight John would like to go on working with music industry innovators and would also like branch out further as a writer by exploring new genres John s creative skills include being able to change his thoughts to either reflect upon true life instances and or to reflect upon manufactured ones Much like an actor transforming himself into a created role John is a keen observer and presenter of the emotion found within himself and others John has a rare sense of description which includes in depth phrases and quips in his compositions he is truly a young man who is worth listening to in song talking to in person and or simply reading in text This is truly one man s endeavor to capture you and your imagination through his rare sense of description depicted in his compositions Remarkable *Women Teachers in Africa* Nelly Stromquist, Steven Klees, Jing Lin, 2017-02-10 Through qualitative research methods this book engages in a holistic understanding of cultural economic and institutional forces that interact to produce the underrepresentation of women as school teachers in four sub Saharan African countries Comparative case studies at the national level using a common research design show that teaching despite being an attractive civil service job offers low salaries and many challenges especially when it takes place in rural areas Combining professional duties with demanding family responsibilities further diminishes women s ability to stay in the teaching profession The studies in this book attempt to bridge research findings with policy by developing action plans in cooperation with ministries of education of the respective countries *Women Teachers in Africa* will be of interest to academic researchers undergraduate and postgraduate students in the relevant fields as well as development professionals aid agency staff and education policy experts *Why Loiter?* Shilpa Phadke, Sameera Khan, Shilpa Ranade, 2011 Presenting an original take on women s safety in the cities of twenty first century India *Why Loiter* maps the exclusions and negotiations that women from different classes and communities encounter in the nation s urban public spaces Basing this book on more than three years of research in Mumbai Shilpa Phadke Sameera Khan and Shilpa Ranade argue that though women s access to urban public space has increased they still do not have an equal claim to public space in the city And they raise the question can women s access to public space be viewed in isolation from that of other marginal groups Going beyond the problem of the real and implied risks associated with women s presence in public they draw from feminist theory to argue that only by celebrating loitering a radical act for most Indian women can a truly equal global city be created **Creating sustainable futures for all; Global education monitoring report, 2016; gender review** UNESCO, 2016-10-10 The Gender Review discusses global and regional trends in achieving parity in education access participation and completion and in selected learning outcomes stressing that there is much room for progress It then shifts to an evidence based discussion of relationships between education gender and

sustainable development by discussing work civic and political engagement and leadership as well as health and well being It concludes with ways forward what action is implied by evidence and data for achieving more gender equal societies and how progress towards such societies is to be measured The Girl And Her Fortune L.
