Rich World Poor World:

Rich World, Poor World Ali A. Allawi, 2024-04-23 A landmark history of the world economic order exploring how developing countries have fought to escape impoverishment Over the past two decades experiments in neoliberal economics have opened up a chasm of inequality between the Global South and the West Development advice from richer nations has led to social upheaval political unrest environmental degradation and even the creation of a new underclass Brutal extremes of wealth and poverty are now commonplace Ali A Allawi traces the evolution of the world economic order from the late imperial era to the present day Shedding light on continuing controversies Allawi shows how the process of development has been hindered at every turn from poor leadership and lost opportunities to widespread corruption In doing so he argues that the current neoliberal consensus is only the most recent of a series of failed policy imperatives Covering issues in the Global South as well as failures in the West this definitive account offers an impassioned and authoritative call for change **Rich World, Poor World** Melanie Jarman, 2006-08-01 Debates various topics involving responsibilities to help the poor including Should countries with civil wars still be given aid Will debt relief help the poor and Can celebrity led campaigns make a difference Rich World, Poor World Geoffrey Lean, 2012-08-06 This reissue first published in 1978 confronts a whole range of international development issues hunger energy supply population growth pollution the state of the cities nuclear proliferation Geoffrey Lean explains the interdependent contemporary crises within developing nations and presents the facts behind them alongside the practical solutions new strategies and fresh thinking present in contemporary development thinking **Rich World, Poor World** Ali A. Allawi, 2024-04-02 A landmark history of the world economic order exploring how developing countries have fought to escape impoverishment Over the past two decades experiments in neoliberal economics have opened up a chasm of inequality between the Global South and the West Development advice from richer nations has led to social upheaval political unrest environmental degradation and even the creation of a new underclass Brutal extremes of wealth and poverty are now commonplace Ali A Allawi traces the evolution of the world economic order from the late imperial era to the present day Shedding light on continuing controversies Allawi shows how the process of development has been hindered at every turn from poor leadership and lost opportunities to widespread corruption In doing so he argues that the current neoliberal consensus is only the most recent of a series of failed policy imperatives Covering issues in the Global South as well as failures in the West this definitive account offers an impassioned and authoritative call for change Partner to the Poor Paul Farmer, 2010-04-21 For nearly thirty years anthropologist and physician Paul Farmer has traveled to some of the most impoverished places on earth to bring comfort and the best possible medical care to the poorest of the poor Driven by his stated intent to make human rights substantial Farmer has treated patients and worked to address the root causes of their disease in Haiti Boston Peru Rwanda and elsewhere in the developing world In 1987 with several colleagues he founded Partners In Health to provide a preferential option for the poor in health care Throughout his

career Farmer has written eloquently and extensively on these efforts Partner to the Poor collects his writings from 1988 to 2009 on anthropology epidemiology health care for the global poor and international public health policy providing a broad overview of his work It illuminates the depth and impact of Farmer s contributions and demonstrates how over time this unassuming and dedicated doctor has fundamentally changed the way we think about health international aid and social justice A portion of the proceeds from the sale of this book will be donated to Partners In Health *Contemporary Society*
