Richard Pousettedart Paintings To Paper Black To White:

Richard Pousette-Dart Carter Ratcliff, Richard Pousette-Dart, 2000 Richard Pousette-Dart: Painting to Paper Black to White M. Knoedler & Co, 2000 **Richard Pousette-Dart** Richard Pousette-Dart, 2005 This groundbreaking volume on Richard Pousette Dart is the most comprehensive publication on his painting to be published since the artist's death. It provides fresh insights into his oeuvre by five outstanding contemporary art historians who have interpreted the artist's creative output from the 1930s to 1992. Richard Pousette Dart, one of the founding members of the New York School, created paintings, drawings, sculptures, and journals for over sixty years. The youngest member of the first generation of American Abstract Expressionists, Pousette Dart shared with his fellow artists interests in psychology, myth-making, anthropology, and both African and American tribal art. Along with Pollock, Rothko, de Kooning, Motherwell, and others, Pousette Dart created the art movement known as The New York School. This book presents the evolution of Richard Pousette Dart's styles and philosophy and provides an in-depth look at his ever-evolving painting techniques. The essays focus on his major themes and periods and include his contributions to the complexity of the intellectual and stylistic language of the Abstract Expressionist movement. Presence Richard Pousette-Dart, Valerie Carberry Gallery, 2004 **Full Circle** Innis H. Shoemaker, Nancy Ash, 2014 Richard Pousette Dart 1916-1992 is best known as an American painter of mid-20th century Abstract Expressionism, although his work was distinct for its spiritual content and his elaborate layering of materials. His works on paper are remarkable for their varied use of materials and techniques and reflect the artist's shift from figurative representation to semi-abstract forms emerging out of free calligraphic drawing to a form of pointillism and a return to spontaneous drawing. Pousette Dart's later works include evocative graphite drawings touched with white paint, bold black and white paintings, hand-colored etchings, and colorful acrylics on handmade paper. The authors employ close stylistic and technical analysis to trace for the first time the narrative of Pousette Dart's career as a draftsman. Generously illustrated with nearly 200 color images, this revelatory publication presents an unprecedented examination of the artist's works on paper, focused on his dynamic experimentation with media and styles over nearly seven decades. Published in association with the Philadelphia Museum of Art Exhibition Schedule Philadelphia Museum of Art 09 13 14 11 30 14 *Art on Paper*, 2002

Abstract Expressionism Metropolitan Museum of Art (New York, N.Y.), Lisa Mintz Messinger, 1992 Abstract Expressionist works on paper from the permanent collection of The Metropolitan Museum of Art are presented in this volume, which documents the wealth of the Museum's holdings in that area. Many of them are published here for the first time, and several are recent additions to the collection. All are illustrated in full-page color reproductions that show the nuances of each work in great detail. The Abstract Expressionists are best known for their paintings and sculptures, and virtually all of the many publications about these artists concentrate on those large-scale works. This unique catalogue deals exclusively with their smaller, more intimate works on paper, providing many new insights about the routes that led to the Abstract Expressionists.
