Richard Attenboroughs Cry Freedom:

Richard Attenborough's Cry Freedom Richard Attenborough,1987

Richard Attenborough Sally Dux,2016-05-16

Richard Attenborough's film career has stretched across seven decades surprisingly Sally Dux's book is the first detailed scholarly analysis of his work as a filmmaker Concentrating on his work behind the camera she explores his initial role as a producer including his partnerships with Bryan Forbes in Beaver Films 1959-64 and with Allied Film Makers 1960-64 As we know Attenborough went on to direct twelve films many of which achieved great acclaim most notably Gandhi which won eight Academy Awards in 1982 Attenborough is most renowned for his biographical films including Young Winston Cry Freedom Chaplin and Shadowlands which helped to establish the genre within British cinema Although his work has often attracted controversy particularly regarding the representation of individuals and historical events his films are noted for extracting acclaimed performances from unknown actors such as Ben Kingsley Gandhi while maintaining his moral and thematic concerns

Denzel Washington Dwayne Epstein,2009-12-04 Denzel Washington is one of Hollywood's best known actors and personalities His role in the 2001 film Training Day earned him an Academy Award for Best Actor This entertaining biography explores the life and career of Denzel Washington Chapters cover his early life his rise to fame and his pioneering work on the silver screen Readers will appreciate the biography of this sensible beloved hardworking icon

Hollywood Under Siege Thomas R. Lindlof,2008-08-08 A behind the scenes look at the making of The Last Temptation of Christ and the controversy following its release In 1988 director Martin Scorsese fulfilled his lifelong dream of making a film about Jesus Christ Rather than celebrating the film as a statement of faith churches and religious leaders immediately went on the attack alleging blasphemy At the height of the controversy thousands of phone calls a day flooded the Universal switchboard and before the year was out more than three million mailings protesting the film fanned out across the country For the first time in history a studio took responsibility for protecting theaters and scrambled to recruit a field crisis team to guide The Last Temptation of Christ through its contentious American openings Overseas the film faced widespread censorship actions with thirteen countries eventually banning the film The response in Europe turned violent when opposition groups sacked theaters in France and Greece and caused injuries to dozens of moviegoers Twenty years later author Thomas R Lindlof offers a comprehensive account of how this provocative film came to be made and how Universal Pictures and its parent company MCA became targets of the most intense unremitting attacks ever mounted against a media company The film faced early and determined opposition from elements of the religious Right when it was being developed at Paramount during the last year the studio was run by the celebrated troika of Barry Diller Michael Eisner and Jeffrey Katzenberg By the mid 1980s Scorsese's film was widely regarded as unmakeable a political stick of dynamite that no one dared touch Through the joint efforts of two of the era's most influential executives CAA president Michael Ovitz and Universal Pictures chairman Thomas P Pollock this improbable project found its way into production The making of The Last

Temptation of Christ caught evangelical Christians at a moment when they were suffering a crisis of confidence in their leadership. The religious right seized on the film as a way to rehabilitate its image and to mobilize ordinary citizens to attack liberalism in art and culture. The ensuing controversy over the film's alleged blasphemy escalated into a full scale war fought out very openly in the media. Universal MCA faced unprecedented calls for boycotts of its business interests; anti-Semitic rhetoric and death threats were directed at MCA chairman Lew Wasserman and other MCA executives and the industry faced the specter of violence at theaters. *Hollywood Under Siege* draws upon interviews with many of the key figures: Martin Scorsese, Paul Schrader, Michael Ovitz, Jeffrey Katzenberg, Jack Valenti, Thomas P. Pollock, and Willem Dafoe to explore the trajectory of the film from its conception to the subsequent epic controversy and beyond. Lindlof offers a fascinating dissection of a critical episode in the embryonic culture wars, illuminating the explosive effects of the clash between the interests of the media industry and the forces of social conservatism. Praise for *Hollywood Under Siege*: No other book has traced the development of a major motion picture from conception through production to reception with the kind of care and detail that Lindlof does here. *Hollywood Under Siege* provides valuable insight into the machinery of the film industry and into the machinations of American culture on a broader front as well. Thomas Schatz, author of *The Genius of the System: Hollywood Filmmaking in the Studio Era* and Executive Director of the University of Texas Film Institute. Riveting and accurate. Even though I thought I knew the events, I found myself captured anew. Paul Schrader, screenwriter and director. As a study of a landmark moment in American cinema, Lindlof's book is both profound and extremely entertaining. *Los Angeles Times*. Lindlof has meticulously researched the history of the film from its initial optioning to its ultimate fate up to the present time, successfully placing it into cultural context. Although extremely detailed, the book is readable and eminently instructive. *Library Journal*.

Black African Cinema Nwachukwu Frank Ukadike, 2023-09-01. From the proselytizing lantern slides of early Christian missionaries to contemporary films that look at Africa through an African lens, N. Frank Ukadike explores the development of black African cinema. He examines the impact of culture and history and of technology and co-production on filmmaking throughout Africa. Every aspect of African contact with and contribution to cinematic practices receives attention: British colonial cinema, the thematic and stylistic diversity of the pioneering francophone films, the effects of television on the motion picture industry and patterns of television documentary filmmaking in anglophone regions. Ukadike gives special attention to the growth of independent production in Ghana and Nigeria, the unique Yoruba theater film tradition and the militant liberationist tendencies of lusophone filmmakers. He offers a lucid discussion of oral tradition as a creative matrix and the relationship between cinema and other forms of popular culture. And by contrasting new African films with those based on the traditional paradigm, he explores the trends emerging from the eighties and nineties. Clearly written and accessible to specialist and general reader alike, *Black African Cinema's* analysis of key films and issues, the most comprehensive in English, is unique. The book's pan-Africanist vision heralds important new strategies for appraising a

cinema that increasingly attracts the attention of film students and Africanists From the proselytizing lantern slides of early Christian missionaries to contemporary films that look at Africa through an African lens N Frank Ukadike explores the development of black African cinema He examines the impact of culture and history and The Southern State of Mind Jan Nordby Gretlund,1999 Remarkably removed from the devotional certifying and celebratory view of the South that has dominated books of this genre The Southern State of Mind addresses the question of whether inherited Southern values problems and contradictions have survived the onslaught of modernization BOOK JACKET **Cinema, Black Suffering, and Theodicy** Shayne Lee,2022-01-26 This book explicates how many films intersect black suffering and God talk in ways that instantiate secular limitations to divine efficacy The book s concept of a modern God introduces a new method of analysis that reimagines theodical discourses as mechanisms of modern identities and filmmakers as skillful exegetes who recalibrate divine attributes to the sensemaking cadences of their contemporaries Shayne Lee demonstrates how cinematic theodicy navigates a happy medium between affirming divine benevolence and sidelining supernatural activity and that filmic characters like their real world counterparts are quite clever at triangulating rationality faith and tragedy In addition to positing synergistic links between theodicy and secularity Lee offers critical insights into cinema s relevance to the sociology of evil by specifying how films code and narrate malevolent actions and outcomes demarcate clear lines of distinction between victims and perpetrators clarify societal dynamics driving inequality and oppression and transform individual episodes of suffering into collective and memorialized identities of trauma This book illuminates how filmic treatments of theodicy construct evil and suffering in calculated ways that connect specific acts effects and institutions to greater structures of meaning Oscar's Favorite Actors Roger Leslie,2017-07-07 Just as the Academy Awards have an impact upon stars and their careers their filmic achievements influence the Academy and contribute to the rich history of the Oscars Upset wins jarring losses and glaring oversights have helped define the careers of Hollywood icons while unknown actors have proven that timing sometimes beats notoriety or even talent With detailed discussion of their performances and Awards night results this book describes how 108 actors earned the Academy s favor and how 129 others were overlooked **Jet** ,1987-11-16 The weekly source of African American political and entertainment news Cultural Diversity And The Schools James Lynch,Celia Modgil,Sohan Modgil,2006-01-31 First published in 1992 One of the major problems facing societies in almost all parts of the world is the inadequate accommodation of social equity with cultural diversity The crisis emanating from neglect of this issue can be seen in societies as different and wide apart as the Soviet Union India Pakistan the United States and the United Kingdom This series of books is committed to the premise that racism and all other forms of negative prejudice are detrimental to a harmonious and healthy pluralist world society and that it is the duty of all good democratic citizens to combat them but that there are many valid routes by which such prejudice can be challenged and that there are other kinds of prejudice and abuse which must also be combatted This is Volume Two of a series of four on Cultural Diversity

in Schools

The Top Books of the Year Richard Attenboroughs Cry Freedom The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. Richard Attenboroughs Cry Freedom : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Richard Attenboroughs Cry Freedom : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Popen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
