Y. Demeri,2015-03-17 The United States rose from a modest colonial power to a formidable world superpower but then it went into decline M Y Demeri traces the major events that allowed a loosely held league of thirteen British colonies to become a union of fifty states spanning the North American continent as well as Alaska and Hawaii The nation would revolutionize world arts science technology space exploration and lead the digital revolutionall while promoting the ideals of democracy freedom and liberty But it also contributed to global conflicts a nuclear arms race political upheavals and the financial collapse of world markets To this day it has failed to live up to its promise of turning economic success and prosperity into social progress With more than two hundred charts and tables this book examines where America has been what led to its decline and how a rising deficit soaring health care and Social Security costs national security concerns and miscarriages of social justice pushed it into decline More importantly however it offers solutions to reverse course before we witness the end of The Rise and Decline of the American Empire **The Rise and Fall of Nixon** Calvin Murphy,2016-05-21 Richard Nixon was the consummate politician Growing up as a poor Quaker in California Nixon decided early on to pursue a career in politics Struggling from the bottom Nixon worked his way through law school and eventually into politics Richard Nixon embodied the American Dream He would also embody the American Nightmare Richard M Nixon made it to the pinnacle of political power in the United States through effort and determination Then in the blink of an eye he lost everything Nixon s story far from being one of triumph is a story of tragedy The story of Nixon is the story of one bad decision determining the fate of an American President For the misfortune of Nixon didn t just affect him if profoundly affected the American Government and the Office of the Presidency To a nation already suffering from governmental distrust after the Vietnam War the Scandal of Watergate would forever shatter the trust Americans had in their leaders Nixon s legacy on the Presidency would be a cautionary tale Even the mighty fall and even those who work their entire lives for something can lose it all in an instant *Nixon's Secrets* Roger Stone,2014-08-11 Learn the inside scoop on Watergate the Ford Pardon and the 18 minute Gap Roger Stone The New York Times bestselling author of The Man Who Killed Kennedy the Case Against LBJ gives the inside scoop on Nixon s rise and fall in Watergate in his new book Nixon s Secrets Stone charts Nixon s rise from election to

Congress in 1946 to the White House in 1968 after his razor thin loss to John Kennedy in 1960 his disastrous campaign for Governor of California in 1962 and the greatest comeback in American Presidential history Just as the assassination of JFK prevents a balanced analysis of Kennedy and his times the myth of Watergate prevents a reappraisal of our 37th President said Stone who s book on LBJ was the second biggest selling book during the 50th anniversary of Kennedy s murder Stone reveals how the Kennedy s wiretapped Nixon s hotel room the night before the Nixon Kennedy debate and stole Nixon s medical records from his psychiatrist s office Stone lays out how Kennedy running mate Lyndon Johnson stole Texas from JFK through vote fraud while Mayor Richard Daley stole Illinois and how JFK actually lost the popular vote Stone looks at the Nixon Presidency the desegregation of the public schools the progressive social programs Nixon s struggle to end the war in Vietnam the historic SALT arms reduction agreement with Russia the saving of Israel in the Six Days War the opening to China and the disastrous decision to take America off the Gold standard The mainstream media s interpretation of the facts surrounding the Watergate episode are a fantastic and grotesque distortion of historical truth said Stone

Cursory examination of the facts in Watergate will reveal that the actions which caused the fall of Nixon cannot be reduced to the simplistic account summarized by Bob Woodward and Carl Bernstein of the Washington Post The author outlines how White House Counsel John Dean planned pushed and covered up the Watergate break in then sought to avoid responsibility for it Stone examines the bungled Watergate break in to determine what exactly Nixon s agents were looking for and how the CIA infiltrated the burglar team and sabotaged the break in to gain leverage over Nixon Find out why Nixon demanded the CIA turn over the records of the Bay of Pigs and Kennedy Assassination Learn how a cabal of military and intelligence hard liners spied on and undermined Nixon to stop his pro peace d tente foreign policy his withdrawal of troops from Vietnam his arms limitation agreement with the Soviets and his opening to Red China Discover how Vice President Spiro Agnew was setup to move him out of the line of presidential succession Stone makes the compelling case that General Alexander Haig orchestrated Nixon s removal from office in a coup d tat and brokered the deal for his pardon Finally the public will learn what is on the 18 minute gap in the White House Tapes Stone a Washington Insider for forty years outlines why FBI Man Mark Felt is not deep throat why there is no deep throat and why Bob Woodward and Carl Bernstein lie about it even today Stone reveals how Nixon used the dark secrets he knew to avoid prosecution by blackmailing Gerald Ford for a full free and unconditional pardon Nixon s secret would not only destroy his presidency it would save him from prison and allow him to launch his final comeback advising President Bill Clinton on Foreign Affairs despite Hillary s attempts to block him and her being fired from the 1974 House Impeachment Committee for lying and violating Nixon s rights

Nixon in New York

Victor Li,2018-04-02 Richard Nixon s loss in the 1962 gubernatorial election in California was more than just a simple electoral defeat His once promising political career was in ruins as he dropped his second high profile race in as many years Nixon himself rubbed salt in his own self inflicted wounds by delivering a growling bitter concession speech that made him

seem like a sore loser In the months following his defeat and self immolation he left California to move to New York so that he could work for a prestigious Wall Street law firm His new career only seemed to confirm what everyone already knew Richard Nixon was finished as a politician Except he wasn't Nixon's political resurrection was virtually unprecedented in American history and he had his law firm to thank for paving his way to the White House His role as public partner at Nixon Mudge Rose Guthrie Alexander was the ideal platform for him as he looked to reinvent himself after his back to back losses in 1960 and 1962 Nixon's firm gave him access to deep pocketed clients many of whom became donors when he decided to take the plunge in 1968 Furthermore working for so many international clients allowed him to travel the world and burnish his foreign policy credentials a vital quality that voters were looking for as the Cold War raged on and the Vietnam War showed no signs of slowing down Nixon's time at the firm also allowed him to build a formidable campaign staff consisting of top notch lawyers researchers and writers a staff that did just about everything for him when it came time to ramp up for the 1968 campaign
