Copyright Office, 1968 Among Our Books Carnegie Library of Pittsburgh, 1923 **Catalog of Copyright Entries, Third Series**, 1959 **The Voice of the Century** Massimo Zicari, 2022-04-29 The fields of performance studies empirical musicology and the musicology of recordings have seen a tremendous development in recent years shedding new light on the recent history of our performing tradition and conveying essential information to music practitioners critics and audiences This innovative work considers the notion of bel canto and the manner in which this vibrant tradition lives in the records of Luisa Tetrazzini 1871 1940 one of the most celebrated sopranos ever Tetrazzini whose discographic career includes about 120 recordings belongs to that generation of inspirational performers who heralded the dawn of a new era of music appreciation alongside such iconic figures as Enrico Caruso Adelina Patti and Nellie Melba Drawing on a vast body of scholarship and a number of contemporary reviews Massimo Zicari establishes Tetrazzini s role in the Italian operatic tradition and its much disputed set of performing conventions His transcriptions of her recorded interpretations from Rossini Donizetti Bellini and Verdi will prove invaluable to singers and conductors interested in a tradition that goes back to legendary figures such as Jenny Lind and Maria Malibran The author also discusses her voice quality and technique tempo flexibility her use of vibrato and portamento features of musical performance that question several widely held normative views about aesthetics and interpretative tradition The volume includes eighty eight musical examples and its closing section consists of the vocal scores of thirteen operatic arias The musical material both examples and transcriptions is entirely original This unique approach seeks to combine an academic perspective with the making of the

music in the hope that the plea for originality may be enhanced by models from the past

Divas and Scholars Philip Gossett, 2024-05-31 Winner of the 2007 Otto Kinkeldey Award from the American Musicological Society and the 2007 Deems Taylor Award from the American Society of Composers Authors and Publishers *Divas and Scholars* is a dazzling and beguiling account of how opera comes to the stage filled with Philip Gossett's personal experiences of triumphant and even failed performances and suffused with his towering and tonic passion for music Writing as a fan, a musician and a scholar Gossett the world's leading authority on the performance of Italian opera brings colorfully to life the problems and occasionally the scandals that attend the production of some of our most favorite operas Gossett begins by tracing the social history of nineteenth century Italian theaters in order to explain the nature of the musical scores from which performers have long worked He then illuminates the often hidden but crucial negotiations opera scholars and opera conductors and performers What does it mean to talk about performing from a critical edition How does one determine what music to perform when multiple versions of an opera exist What are the implications of omitting passages from an opera in a performance In addition to vexing questions such as these Gossett also tackles issues of ornamentation and transposition in vocal style the matters of translation and adaptation and even aspects of stage direction and set design Throughout this extensive and passionate work Gossett enlivens his history with reports from his own experiences with major opera companies at venues ranging from the Metropolitan and Santa Fe operas to the Rossini Opera Festival at Pesaro The result is a book that will enthrall both aficionados of Italian opera and newcomers seeking a reliable introduction to it in all its incomparable grandeur and timeless allure
