*The African Book Publishing Record*, 2002     **The Coming Catastrophe** Paul A. Lynch, 2019-03-19 Jesus spoke of the Tribulation and Great Tribulation of those days The question may be asked Which days Are we living in the final hours years months and seconds of earth's history Is this the end for the late great planet Earth What is the sign of Jesus coming and the end of the age With countless catastrophes that have plagued this old earth have we finally felt them all or will there be catastrophes that are yet to be seen Is the Antichrist just a figment of our imagination or will there be a global world leader who will not acknowledge anyone including God If you want to know what time we are living in prophetically then read this book If you don't care about such things then don't read this book Whether we want to believe it or not this is the beginning of the end of the age This is the beginning of the tragedy for many This in truth is the Coming Catastrophe The Beginning of Sorrows     Biblical Solutions to the Coming Crisis William Morris, 2002 It appears that we are living on a run away planet that's heading for a crash course with destruction Is there a solution to the myriad of problems that plague us Today we are faced with problems that would make the ancient cities of Sodom and Gomorrah seem like picnic grounds Crime Violence and Immorality have reached an all time high We are faced with vicious acts of crime and violence such as was unheard of fifty or sixty years ago Every ten minutes at least one hundred people are killed or wounded

by gun violence alone Each day over twenty are killed by drunk driving Then there s our ecological problems Polluted water Polluted air Nuclear waste Food contamination These are just some of the conditions that are the by products of The Cosmic Conflict that began in heaven and will soon come to a joyful and victorious climax for the children of God      **The Coming of God** Jürgen Moltmann, Margaret Kohl, 2004-07-27 Winner of Grawemeyer Award In this remarkable and timely work in many ways the culmination of his systematic theology world renowned theologian Jurgen Moltmann stands Christian eschatology on its head Moltmann rejects the traditional approach which focuses on the End an apocalyptic finale as a kind of Christian search for the final solution He centers instead on hope and God s promise of new creation for all things Christian eschatology he says is the remembered hope of the raising of the crucified Christ so it talks about beginning afresh in the dead end Yet Moltmann s novel framework deeply informed by Jewish and messianic thought also fosters rich and creative insights into the perennially nettling questions of eschatology Are there eternal life and personal identity after death How is one to think of heaven hell and purgatory What are the historical and cosmological dimensions of Christian hope What are its social and political implications In a heartbreakingly fragile and fragment world Moltmann s comprehensive eschatology surveys the Christian vista bravely envisioning our horizons of expectation for personal social even cosmic transformation in God
