reception canonization interpretation uses and legacies of the Bible in early Christianity Each section contains overviews and
cutting edge scholarship that expands understanding of the field Part One examines the material text transmitted translated
and invested with authority and the very conceptualization of sacred Scripture as God's word for the church Part Two looks
at the culture and disciplines or science of interpretation in representative exegetical traditions Part Three addresses the
diverse literary and non literary modes of interpretation while Part Four canvasses the communal background and
