Short Term Therapy For Angry Clients:

Short Term Therapy for Angry Clients Bradley P. Barris, 1999-06 Learn how to deal with angry clients and abusive partners and develop a short term treatment plan with Bradley P Barris **Anger, Aggression, and Interventions for Interpersonal Violence** Timothy A. Cavell, Kenya T. Malcolm, 2023-05-31 Interpersonal violence has many faces and many names domestic violence child abuse school bullying Anger Aggression and Interventions for Interpersonal Violence reveals what clinical scientists know and what mental health practitioners can do about interpersonal violence To advance the way professionals conceptualize interventions for violent clients contributors consider the complex relation between anger and aggression and discuss how that relation affects treating various forms of interpersonal violence Should treatment focus on anger on aggression or on both Does that decision depend on the form of interpersonal violence or does the anger aggression relation suggest a core set of intervention principles and strategies Readers are provided up to date detailed discussions as well as focused commentaries all written by internationally known researchers This volume will serve as a comprehensive guide for researchers and practitioners alike Anger Treatment for People with Developmental Disabilities John L. Taylor, Raymond W. Novaco, 2005-12-17 Anger and aggression are prevalent problems among people with developmental disabilities and constitute primary reasons for them to be admitted and re admitted to institutions They are also a key reason for the prescribing of behaviour control and anti psychotic medication to this client group Stimulated by growing research in this area mental health and criminal justice professionals have begun to see the benefits of anger assessment and cognitive behavioural anger treatment for people with developmental disabilities There is no prior text to guide anger treatment provision to this client group This text presents a manual guided cognitive behavioural anger treatment protocol grounded in a solid theoretical framework and empirical evidence for its efficacy in clinical practice The assessment and treatment approach is designed to engage and motivate patients with recurrent and deep rooted anger problems and their manifestation in serious aggressive behaviour Accompanying the treatment protocol are a number of worksheets handouts and exercise sheets for clinicians and clients that can be accessed online Contextual Anger Regulation Therapy for the Treatment of Clinical Anger Frank L. Gardner, Zella E. Moore, 2013-07-24 Intended to fill a gap in the existing counseling literature this text describes the integrative and innovative approach developed by the authors for use in the treatment of clinical anger Anger Regulation Therapy ART This model consists of nine modules that guide the therapist through the treatment of a client dealing with anger and related issues It is also setup so that clinicians can pull relevant components for ART in order to build a unique treatment plan to fit the needs of an individual client The authors begin with a description of clinical anger including how it has been viewed and treated historically as well as its relationship to violence and other psychological and emotional disorders They then describe the Anger Avoidance Model which they also developed and is the basis for ART Each module of ART is then described in detail and case examples are provided to illustrate the concepts

presented Given the lack of available research on this topic as well as the significant impacts that anger aggression and violence can have on the health and well being of an individual this text will be an invaluable resource for mental health practitioners in need of treatments for clinical anger

Differential Diagnosis and Treatment in Social Work Francis Joseph Turner,1983

Understanding Anger Disorders Raymond DiGiuseppe,Raymond Chip Tafrate,2007 Since classical times philosophers and physicians have identified anger as a human frailty that can lead to violence and human suffering but with the development of a modern science of abnormal psychology and mental disorders it has been written off as merely an emotional symptom and excluded from most accepted systems of psychiatric diagnosis Yet despite the lack of scientific recognition anger related violence is often in the news and courts are increasingly mandating anger management treatment It is time for a fresh scientific examination of one of the most fundamental human emotions and what happens when it becomes pathological and this thorough persuasive book offers precisely such a probing analysis Using both clinical data and a variety of case studies esteemed anger researchers Raymond A DiGiuseppe and Raymond Chip Tafrate argue for a new diagnostic classification Anger Regulation and Expression Disorder that will help bring about clinical improvements and increased scientific understanding of anger After situating anger in both

historical and emotional contexts they report research that supports the existence of several subtypes of the disorder and review treatment outcome studies and new interventions to improve treatment The first book that fully explores anger as a clinical phenomenon and provides a reliable set of assessment criteria it represents a major step toward establishing the clear definitions and scientific basis necessary for assessing diagnosing and treating anger disorders *The Creative Arts in Palliative Care* Nigel Hartley, Malcolm Payne, 2008-05-15 Use of the arts in palliative care settings is a powerful and effective way of addressing the practical psychological social and spiritual issues faced by service users in end of life care This book uncovers the possibilities for using the creative arts and provides guidance on how to implement arts projects successfully

Art Therapy and Anger Marian Liebmann, 2008-06-15 This book demonstrates how the non verbal medium of art therapy provides an ideal outlet for the expression of thoughts and feelings that are too complex and painful to put into words presenting a new and practical approach to dealing with this area of need Marian Liebmann argues that clients of all ages will benefit from the art making process
