A Short History of Sierra Leone ... for the Use of the Schools of the Colony John Joseph Crooks,1900 A Short History of Sierra Leone Christopher Fyfe,1965 A Concise History of the Commencement, Progress and Present Condition of the American Colonies in Liberia Samuel Wilkeson,1839 A detailed year by year account of the establishment and early years of Liberia and the role of African American colonists The constitutions of the American Colonization Society and of Liberia are also included Wilkeson was a New York state businessman judge politician and a member of the American Colonization Society **A New History of Sierra Leone** Joe A. D. Alie,1990 During the colonial era very little thought was given to the promotion of African history and culture in African educational institutions Most colonial educationalists stubbornly refused to appreciate that Africa had a history worth talking about **H. C. Bankole-Bright and Politics in Colonial Sierra Leone, 1919-1958** Akintola Wyse,2003-12-11 This substantial and thoroughly documented book is a political biography of an important figure in Sierra Leone It is also a comment on two of the major themes of the country s history the relations between the Colony Krio Society and the protectorate the earlier inhabitants of the territory and more importantly the position of the imperial regime vis vis its colonial subjects The author a Sierra Leonean and a Krio himself skillfully examines the country s recent history through the life of Dr H C Bankole Bright an important leader of the Krio people The Krio descendants of the freed slaves were the elite of Sierra Leone for more than a century but ultimately they failed to master mass electoral politics during the period of decolonization leading to independence Dr Bankole Bright s failure is seen as emblematic of the disappointed hopes of the Krio as a political group in Sierra Leone An underlying theme of the book is the misrepresentation of the Krio people in Sierra Leone historiography **Encyclopedia of African History 3-Volume Set** KEVIN SHILLINGTON.,2005 *New Perspectives on the Sierra Leone Krio* Mac Dixon-Fyle,Gibril Raschid Cole,2006 The ex slave Krio population of Freetown Sierra Leone an amalgam of ethnicities drawn from several parts of the African continent is a fascinating study in hybridity creolization European cultural penetration the retention of African cultural values and the interface between New World returnees and autochthonous populations of West Africa Although its Nigerian connections are often acknowledged insufficient attention has been paid to the indigenous Sierra Leonean roots of this community This anthology addresses this problem while celebrating the complexities of Krio identity and Krio interaction with other ethnic groups and nationalities in the British colonial experience *Post Report* ,1990 Series of pamphlets on countries of the world revisions issued **A Brief History of Education in Sierra Leone** ,1962 **The Krio of West Africa** Gibril R. Cole,2013-09-15 Sierra Leone s unique history especially in the development and consolidation of British colonialism in West Africa has made it an important site of historical investigation since the 1950s Much of the scholarship produced in subsequent decades has focused on the Krio descendants of freed slaves from the West Indies North America

England and other areas of West Africa who settled Freetown beginning in the late eighteenth century Two foundational and enduring assumptions have characterized this historiography the concepts of Creole and Krio are virtually interchangeable and the community to which these terms apply was and is largely self contained Christian and English in worldview In a bold challenge to the long standing historiography on Sierra Leone Gibril Cole carefully disentangles Krio from Creole revealing the diversity and permeability of a community that included many who in fact were not Christian In Cole s persuasive and engaging analysis Muslim settlers take center stage as critical actors in the dynamic growth of Freetown s Krio society The Krio of West Africa represents the results of some of the first sustained historical research to be undertaken since the end of Sierra Leone s brutal civil war It speaks clearly and powerfully not only to those with an interest in the specific history of Sierra Leone but to histories of Islam in West Africa the British empire the Black Atlantic the Yoruban diaspora and the slave trade and its aftermath

A Short History of Global Evangelicalism Mark Hutchinson, John Wolffe, 2012-04-30 This book offers an authoritative overview of the history of evangelicalism as a global movement from its origins in Europe and North America in the first half of the eighteenth century to its present day dynamic growth in Africa Asia Latin America and Oceania Starting with a definition of the movement within the context of the history of Protestantism it follows the history of evangelicalism from its early North Atlantic revivals to the great expansion in the Victorian era through to its fracturing and reorientation in response to the stresses of modernity and total war in the late nineteenth and early twentieth centuries It describes the movement s indigenization and expansion toward becoming a multicentered and diverse movement at home in the non Western world that nevertheless retains continuity with its historic roots The book concludes with an analysis of contemporary worldwide evangelicalism s current trajectory and the movement s adaptability to changing historical and geographical circumstances
