Macintosh Way The Art Of Guerrilla Management:

Death March Edward Yourdon, 2004 new coverage of agile concepts updated references and more timely examples Helps software professionals seize control of projects before they run out of control The Macintosh Way Guy Kawasaki, 1990 The Macintosh Way is a take no prisoners guide to marketing warfare says Jean Louis Gasse President of Apple Products Must reading for anyone in the high tech industry it is valuable insightful guide to innovation management and marketing for any industry Insanely Great Steven Levy, 2000-06-01 The creation of the Mac in 1984 catapulted America into the digital millennium captured a fanatic cult audience and transformed the computer industry into an unprecedented mix of technology economics and show business Now veteran technology writer and Newsweek senior editor Steven Levy zooms in on the great machine and the fortunes of the unique company responsible for its evolution Loaded with anecdote and insight and peppered with sharp commentary Insanely Great is the definitive book on the most important computer ever made It is a must have for anyone curious about how we got to the interactive age *Apple Confidential 2.0* Owen W. Linzmayer, 2004 Chronicles the best and the worst of Apple Computer s remarkable story **Psychoanalytic Studies of Organizations** Burkard Sievers, 2018-04-19 This book samples the groundbreaking work that has been developed over the last twenty five years by psychoanalysts writers and practitioners associated with the International Society for the Psychoanalytic Study of Organizations ISPSO What characterises this collection of original papers is an attempt to look at organizations groups teams and organizational role holders using psychoanalytic systemic and psychodynamic perspectives that collectively eschew superficial linear prescriptive and mechanistic views of both the system and the individual within These papers delivered as presentations to the Society during the Annual Symposia of the ISPSO from its inception in 1983 to date collectively form an important commentary on the changing societal dynamics and current preoccupations facing contemporary organizations their leaders and their workforce As such these papers are representative of many that have contributed to and documented the development of the thought and praxis from a psychoanalytic perspective and systems thinking over the last quarter of century Whilst most of these papers have already been published elsewhere the ISPSO as an organization wished to include them in this volume recognising their lasting influence and legacy as well as their ongoing impact upon the thinking and the practice of its membership and beyond **Workgroups eAssessment: Planning, Implementing and Analysing Frameworks** Rosalina Babo, Nilanjan Dey, Amira S. Ashour, 2020-12-11 This book was developed during a particular pandemic situation in the whole world which confined people to their homes Therefore there was a rise in the use of distance working and learning e learning which led to a very quick adoption of technology in order to guarantee different approaches to fulfil the same or better outcomes and ensure that people are connected This book provides a better understanding about the importance of teams assessment and collaborative work as well as the use of collaboration tools and online assessment techniques supported by technology Consequently the

book is aimed at all institutions that seek new working environments namely higher education institutions companies and organizations sports teams and others Furthermore this book provides new approaches and systems to carry the knowledge and learning assessment The book gathers knowledge from several authors related to collaboration environments and tools as well as their insights on how technology can be applied to carry assessment processes The book seeks to provide knowledge on new technologies and different learning environments **Process Think** Varun Grover,William J.

Kettinger,2000-01-01 Process Think is a managerial orientation to act proactively in identification of process opportunities a capability to apply process concepts in problem solving This volume presents perspectives pertaining to change management through process thinking in the information age ZoneModa Journal 03 Giovanni Matteucci,Lucio Spaziante,2014-01-23

High-tech Ventures C. Gordon Bell,John E. Mcnamara,1991-07-22 This book is written primarily for people who are creating the future high tech world by designing building and marketing innovative products More specifically it is for all engineers engineering managers entrepreneurs and intapreneurs The book provides insight into the problems entrepreneurs face and gives a model for successful startup companies in a formal checklist *Rise & Resurrection of the American*

Programmer Edward Yourdon,1998 Ed Yourdon warned the American programmer in his award winning controversial bestseller *Decline and Fall of the American Programmer* that if they did not change the industry would migrate to countries that were more productive The software industry has responded to this challenge and Yourdon shows how in this long awaited paperback version of his international bestseller The Mac Bathroom Reader Owen W. Linzmayer,1994 This fun

book includes the kind of trivia that every Mac buff finds interesting or amusing For example Apple has always given secret code names to their projects now all of those names are published here for the first time Written by a respected Mac denizen this is the book to read when you have more important things to do *Entrepreneur* ,1989-07 **Apple T-shirts** Gordon

Thygeson,1997 **Subject Guide to Books in Print** ,1997 *Forthcoming Books* Rose Arny,2002 La Generacion
