Mackenzie Yesterday And Beyond:

Encyclopedia of the Arctic Mark Nuttall, 2005-09-23 With detailed essays on the Arctic's environment wildlife climate history exploration resources economics politics indigenous cultures and languages conservation initiatives and more this Encyclopedia is the only major work and comprehensive reference on this vast complex changing and increasingly important part of the globe Including 305 maps This Encyclopedia is not only an interdisciplinary work of reference for all those involved in teaching or researching Arctic issues but a fascinating and comprehensive resource for residents of the Arctic and all those concerned with global environmental issues sustainability science and human interactions with the environment

Beyond the Trees Adam Shoalts, 2019-10-01 National bestseller A thrilling odyssey through an unforgiving landscape from Canada's greatest living explorer In the spring of 2017 Adam Shoalts bestselling author and adventurer set off on an unprecedented solo journey across North America's greatest wilderness A place where in our increasingly interconnected digital world it's still possible to wander for months without crossing a single road or even see another human being Between his starting point in Eagle Plains Yukon Territory to his destination in Baker Lake Nunavut lies a maze of obstacles shifting ice floes swollen rivers fog bound lakes and gale force storms And Shoalts must time his departure by the breakup of the spring ice then sprint across nearly 4 000 kilometers of rugged wild terrain to arrive before winter closes in He travels alone up raging rivers that only the most expert white water canoeists dare travel even downstream He must portage across fields of jagged rocks that stretch to the horizon and navigate labyrinths of swamps tormented by clouds of mosquitoes every step of the way And the race against the calendar means that he cannot afford the luxuries of rest or of making mistakes Shoalts must trek tirelessly well into the endless Arctic summer nights at times not even pausing to eat But his reward is the adventure of a lifetime Heart stopping wonder filled and attentive to the majesty of the natural world *Beyond the Trees* captures the ache for adventure that afflicts us all

Beyond the Philosophy of the Subject Michael A. Peters, Marek Tesar, 2015-11-19 This first volume focuses on a collection of texts from the latter twenty years of Educational Philosophy and Theory selected for their critical status as turning points or important awakenings in post structural theory In the last twenty years the applications of the postmodern and poststructuralist perspectives have become less mono focused less narrowly concerned with technical questions and also less interested in epistemology and more interested in ethics This book covers questions of genealogy ontology the body and the institution giving examples of theoretical applications of post structural theory that testify to the generative and endlessly applicable potential of this work to different fields and avenues of thought While informed by Foucault's thinking of the political subjugation of docile bodies to individuals as self determining beings the chapters in this book culminate in amalgamations of different schools of educational philosophy which explore poststructuralist approaches to education *Beyond the Philosophy of the Subject* will be key reading for academics researchers and postgraduate students in the fields of philosophy of education philosophy education educational theory post

structural theory the policy and politics of education and the pedagogy of education Beyond the Samovar Janet Hancock, 2019-03-06 *Beyond the Samovar* is a gripping engaging story of escape love and loss In 1919 a young English couple Livvy and Peter leave Baku which the previous year had become the capital of an independent Azerbaijan While Livvy is reluctant to leave her home Peter sees no future for Britons in the new country and treats their escape as an adventure With their baby they bluff and bribe their way across Bolshevik and White Russian territory to Archangel on the north coast of Russia hoping to board a British ship Only two of them ever manage to reach home About the Author Born in Worcestershire Janet Hancock has lived in Dorset since 1991 For many years she taught English in the south of England to Arab and African officers The germ of *Beyond the Samovar* was a newspaper reference to an unnamed Englishwoman caught up in the 1917 revolution in Baku which at that time was in Russia Janet enjoys choral singing and cultivating her courtyard garden **Beyond El Niño** Antonio Navarra, 2012-12-06 The interest and level of research into climate variability has risen dramatically in recent years and major breakthroughs have been achieved in the understanding and modelling of seasonal to interannual climate variability and prediction At the same time the documentation of longer term variability and its underlying mechanisms have progressed considerably Within the European Commission's Environment and Climate research programs several important projects have been supported in these areas including the Decadal and Interdecadal Climate variability Experiment DICE which forms the basis of this book Within the EC supported climate research we see an increasing importance of research into climate variability as is evidenced in the upcoming Fifth Framework Programme's Key Action on Global Change Climate and Biodiversity This is because of the obvious potential socio economic benefits from seasonal to decadal scale climate prediction and equally important for the fundamental understanding of the climate system to help improve the quality and reliability of future climate change and mankind's current interference with it The DICE group has performed important and pioneering work and we hope this book will receive the wide distribution and recognition it deserves We welcome the contributions from distinguished researchers from US Japan and Canada to the EC's DICE group towards completing the scope of the book and as an example of international cooperation which is essential in such a high level scientific endeavor *Beyond the Visual* Ken Wilder, Aaron McPeake , 2025-08-21 *Beyond the Visual* broadens the discussion of multisensory ways of beholding contemporary art with a particular emphasis on modes that transcend a dependency upon sight A central premise is that a shift in the aesthetic engagement afforded by hybrid forms of contemporary art has the potential to open up new sensory and cognitive engagements for blind and partially blind people This is a subject that has rarely been addressed within the literature on contemporary arts or disability studies Bringing together leading international scholars and artists in the emerging field of blindness arts including blind and partially blind artists curators advocates for inclusive practices and models of audio description cognitive psychologists and theorists of installation performance and sound art the book offers a detailed consideration of exemplars of such multisensory

engagement pre eminently in works by blind or partially blind artists In so doing the book not only shifts the discussion on access and inclusivity reconceiving access as integral to the creative process but argues that this has the potential to enrich the experience of art for all beholders moving beyond an often unexamined reliance on vision Beyond Sense and Sensibility Peggy Thompson,2014-12-18 During the last half of the eighteenth century sensibility and its less celebrated corollary sense were subject to constant variation critique and contestation in ways that raise profound questions about the formation of moral identities and communities Beyond Sense and Sensibility addresses those questions What authority does reason retain as a moral faculty in an age of sensibility How reliable or desirable is feeling as a moral guide or a test of character How does such a focus contribute to moral isolation and elitism or conversely social connectedness and inclusion How can we distinguish between that connectedness and a disciplinary socialization How do insensible processes contribute to our moral formation and action What alternatives lie beyond the anthropomorphism implied by sense and sensibility Drawing extensively on philosophical thought from the eighteenth century as well as conceptual frameworks developed in the twenty first century this volume of essays examines moral formation represented in or implicitly produced by a range of texts including Boswell s literary criticism Fergusson s poetry Burney s novels Doddridge s biography Smollett s novels Charlotte Smith s children s books Johnson s essays Gibbon s history and Wordsworth s poetry The distinctive conceptual and textual breadth of Beyond Sense and Sensibility yields a rich reassessment and augmentation of the two perspectives summarized by the terms sense and sensibility in later eighteenth century Britain Algorithms, Artificial Intelligence and Beyond Dariusz Brzeziński,Kamil Filipek,Kuba Piwowar,Malgorzata Winiarska-Brodowska,2024-12-11 This volume brings together eminent scholars from various parts of the world representing different fields of knowledge in order to explore the social cultural political and economic effects of the development of new technologies On the one hand the book contextualises the discussion of algorithms and artificial intelligence AI within the broader framework of the digital revolution on the other it also examines individual experiences and practices Moreover in light of the speed at which algorithms and AI are being incorporated into various aspects of life contributors also question the ethical implications of their development The widespread development of AI and algorithmic solutions is one of the most important contemporary phenomena It has an overwhelming impact on the social and cultural life of the 21st century In this context one can point to both exciting examples of the application of algorithms and AI in business and popular culture as well as the challenges of widening social inequality or the expanding scope of surveillance The scope of the impact of algorithms and AI makes the formation of new theoretical frameworks vital This is the aim of this book which will be of interest to academics within the humanities and social sciences with an interest in technology and the impact of algorithms and AI on society and culture **Beyond the Missouri** Richard W. Etulain,2006 This new historical overview tells the dramatic story of the American West from its prehistory to the present A narrative history it covers the region from the North Dakota to Texas states to the Pacific Coast

and includes experiences and contributions of American Indians Hispanics and African Americans Beyond the Atlantic Roar D. Campbell, 1974-01-15 Blending the skills of sociology and history the authors focus on the changing values of the Scots and the threatened disappearance of their distinctive lifestyle Trading Beyond the Mountains Richard S. Mackie, 2011-11-01 During the late eighteenth and early nineteenth centuries the North West and Hudson's Bay companies extended their operations beyond the Rocky Mountains to the Pacific Ocean There they encountered a mild and forgiving climate and abundant natural resources and with the aid of Native traders branched out into farming fishing logging and mining Following its merger with the North West Company in 1821 the Hudson's Bay Company set up its headquarters at Fort Vancouver on the lower Columbia River From there the company dominated much of the non Native economy sending out goods to markets in Hawaii Sitka and San Francisco Trading Beyond the Mountains looks at the years of exploration between 1793 and 1843 leading to the commercial development of the Pacific coast and the Cordilleran interior of western North America Mackie examines the first stages of economic diversification in this fur trade region and its transformation into a dynamic and distinctive regional economy He also documents the Hudson's Bay Company's employment of Native slaves and labourers in the North West coast region **Structure and Function: From clause to discourse and beyond** C. S. Butler, 2003-01-01 Volume one of a two volume set outlining and comparing three approaches to the study of language labelled structural functionalist functional grammar FG role and reference grammar RRG and systemic functional grammar SFG **The West Beyond the West** Jean Barman, 2017-06-22 British Columbia is regularly described in superlatives both positive and negative most spectacular scenery strangest politics greatest environmental sensitivity richest Aboriginal cultures most aggressive resource exploitation closest ties to Asia Jean Barman's *The West beyond the West* presents the history of the province in all its diversity and apparent contradictions This critically acclaimed work is the premiere book on British Columbian history with a narrative beginning at the point of contact between Native peoples and Europeans and continuing into the twenty first century Barman tells the story by focusing not only on the history made by leaders in government but also on the roles of women immigrants and Aboriginal peoples in the development of the province She incorporates new perspectives and expands discussions on important topics such as the province's relationship to Canada as a nation its involvement in the two world wars the perspectives of non mainstream British Columbians and its participation in recreation and sports including Olympics First published in 1991 and revised in 1996 this third edition of *The West beyond the West* has been supplemented by statistical tables incorporating the 2001 census two more extensive illustration sections portraying British Columbia's history in images and other new material bringing the book up to date Barman's deft scholarship is readily apparent and the book demands to be on the shelf of anyone with an interest in British Columbian or Canadian history **Beyond the Black and White TV** Benjamin M. Han, 2020-06-19 This is the first book that examines how ethnic spectacle in the form of Asian and Latin American bodies played a significant role in the cultural Cold War at

three historic junctures the Korean War in 1950 the Cuban Revolution in 1959 and the statehood of Hawaii in 1959 As a means to strengthen U S internationalism and in an effort to combat the growing influence of communism television variety shows such as The Xavier Cugat Show The Ed Sullivan Show and The Chevy Chase Show were envisioned as early forms of global television Beyond the Black and White TV examines the intimate moments of cultural interactions between the white hosts and the ethnic guests to illustrate U S aspirations for global power through the medium of television These depictions of racial harmony aimed to shape a new perception of the United States as an exemplary nation of democracy equality and globalism

Quantization, Poisson Brackets and Beyond Theodore Voronov, 2002 The papers in this volume are based on talks given at the 2001 Manchester Meeting of the London Mathematical Society which was followed by an international workshop on Quantization Deformations and New Homological and Categorical Methods in Mathematical Physics Focus is on the topics suggested by the title quantization in its various aspects Poisson brackets and generalizations and structures beyond this including symplectic supermanifolds operads Lie groupoids and Lie bi algebroids and algebras with n ary operations The book offers accounts of up to date results as well as accessible expositions aimed at a broad reading audience of researchers in differential geometry algebraic topology and mathematical physics

Beyond Macaulay Parimala V. Rao, 2024-12-10 Beyond Macaulay provides a radical and comprehensive history of Indian education in the early colonial era from 1780 to 1860 It critically explores data of 16 000 indigenous schools which shows that indigenous education was not oral informal and Brahmin centric but written formal and egalitarian Based on rich archival evidence the book challenges the conventional theory that the British administration imposed the English language and modern education on Indians By including hitherto unused 41 Educational Minutes of Macaulay the volume examines his educational ideas his insistence on compulsory teaching of Indian languages in English schools his encouragement of the Hindi language his opposition to making Arabic as a medium of instruction in medical and technical education opens up hitherto unknown perspectives on Orientalist Modernist debates Contrasting the educational ideas of the British elites and the Orientalists with dissenting Scottish voices it shows that the colonial administration was not monolithic The book discusses post Macaulayan educational policies closing down of Macaulay s schools and the Wood s Despatch of 1854 as well as how people protected English schools during the revolt of 1857 This second edition is supplemented with complete student essays which reveal the students use of the English language classical imageries the debates in Europe and finally their own location in Indian society The essays by upper caste OBC and Dalit students demonstrate their extraordinary competency and command over the English language The book will be of great interest to scholars and researchers of education history of education Indian history the history of English language teaching in India sociology and political science

Beyond Market Value Annette Campbell-White, 2019-10-10 Beyond Market Value chronicles Annette Campbell White s remarkable life from a childhood spent in remote mining camps throughout the British Commonwealth where books created an imaginary home to her early

adulthood in London where she first discovered a vocation as a book collector to Silicon Valley where she built a pioneering career as a formidable venture capitalist She recalls the impulsive purchase of the first book in her collection T S Eliot s A Song for Simeon and her pursuit of rare editions of all one hundred titles listed in Cyril Connolly s The Modern Movement Campbell White s collecting and career peaked in 2005 when she acquired the last of the Connolly titles and was first named to Forbes Midas List the annual ranking of the most successful dealmakers in venture capital In 2007 out of concern for their preservation Campbell White rashly sold the Connolly titles she had spent more than twenty years assembling leading to a new appreciation of what remained of her collection and going forward a broader focus on collecting modernist letters manuscripts and ephemera Beyond Market Value is both a loving tribute to literary collecting and a telling account of the challenges of being a woman in the male dominated world of finance

Industrial Relations to Human Resources and Beyond: The Evolving Process of Employee Relations Management Bruce E. Kaufman, Richard A. Beaumont, Roy B. Helfgott, 2016-09-16 This collection examines the evolution of the philosophy and practice of human resource management HRM and industrial relations IR over the twentieth century By combining history contemporary practice and future trends these well known experts present both scholarly and practitioner perspectives Drawing on in depth interviews and surveys with HRM executives at leading corporations the contributors explore key trends and issues facing global companies in such areas as equal opportunity compensation practices and expatriation programs The book also takes an in depth look at one particular player in the story Industrial Relations Counselors Inc the first non profit research and consulting organization dedicated to improved HRM IR practices which was founded by John D Rockefeller in 1926 and has played a central role in the development of key labor legislation including the Social Security Act

Studies in Historical Linguistics and Language Change. Grammaticalization, Refunctionalization and Beyond Dorien Nieuwenhuijsen, Mar Garachana, 2019-10-23 The present volume examines the usefulness of a particular set of concepts and processes of change studying their applicability to a range of linguistic changes in Spanish and Latin that cannot be easily or can only be partially accounted for within the framework of grammaticalization Rather than challenging the insights of grammaticalization theory the different contributions to this monograph demonstrate that exaptation capitalization refunctionalization and adfunctionalization as well as changes motivated by rhetorical guidelines constitute interesting and valuable notions that allow for a better understanding of specific language changes in Spanish and by extension of language change in general

Beyond the Thirty-Nine Steps Ursula Buchan, 2019-04-18 John Buchan s name is known across the world for The Thirty Nine Steps In the past one hundred years the classic thriller has never been out of print and has inspired numerous adaptations for film television radio and stage beginning with the celebrated version by Alfred Hitchcock Yet there was vastly more to JB He wrote more than a hundred books fiction and non fiction and a thousand articles for newspapers and magazines He was a scholar antiquarian barrister colonial administrator journal editor literary critic publisher war correspondent director of

wartime propaganda member of parliament and imperial proconsul given a state funeral when he died a deeply admired and loved Governor General of Canada His teenage years in Glasgow s Gorbals where his father was the Free Church minister contributed to his ease with shepherds and ambassadors fur trappers and prime ministers His improbable marriage to a member of the aristocratic Grosvenor family means that this account of his life contains at its heart an enduring love story Ursula Buchan his granddaughter has drawn on recently discovered family documents to write this comprehensive and illuminating biography With perception style wit and a penetratingly clear eye she brings vividly to life this remarkable man and his times
