**My Life as a Dog** Moose, Brian Hargrove, 2000-02-16 What can you say about Moose a lovable canine A consummate professional A bright star in the Hollywood universe Yes you could say all those things Or you could just say that he was the little dog that could The little dog that never took no for an answer The little dog that never said I can t but always why can t I The story of Moose is a classic rags to riches story of how an average pound bound puppy barked jumped and mugged his way up the ladder of success to become a major superstar Not since Lassie has America cared so much about one of its four legged creatures At least that s what Moose would say I would say that working with that dog has been a nightmare I had to be at his beck and call any time day or night You don t know what it s like to get a call at three o clock in the morning because someone has something he wants to add to the Frasier chapter Did he think I had no life of my own Or that I slept by the telephone waiting for him to call Yes he did Because like most uber stars he thought the world revolved around him From the moment I committed to working with him on this book it s been nothing but Moose Moose Moose But I have to admit he s had a fascinating life To be plucked out of obscurity and thrust into the limelight may be the dream of every actor in the world but in reality it s more of a challenge than most people realize It s hard not to get caught up in all the glitter and hype of Hollywood and completely lose

sight of what's really important family and friends As egomaniacal as Moose is he has never forgotten where he came from or taken for granted the fans that got him where he is today He's a complex guy selfish and independent demanding and feisty impatient and intense arrogant and stubborn and strong willed But he's also loving caring thoughtful when he wants to be charismatic funny charming and above all loyal In short Moose is a Jack Russell terrier with an attitude Is there any other kind
