State Dept. of Education,1939 **Chatter from Around the White Tops** ,1947 **The Cowboy and His Elephant** Malcolm Macpherson,2007-04-01 In the late 1980s a female baby elephant was born into a herd that lived on the plains of southern Africa Her mother has carried her for two years and normally she would have nursed her for five more But the close knit family of wild elephants was to face a predator for which it was no match humans In a cull her family was slaughtered in a few moments Only the newborn female s life was spared Terrified and bewildered the young elephant was transported to America to be sold There she met the person who was to change her life forever Bob Norris is a cowboy with an enormous empathy for animals that overwhelms his other emotions He was raised with a pet bear and as a boy decided to become a real cowboy He saw his dream come true in Colorado on one of the larger horse and cattle ranches in America Handsome as a movie star he became the Marlboro Man and appeared on TV and on billboards around the world But with the passing of years and with his own family grown up he felt the need for something that he could not name When she came into his life by happenstance the hurt vulnerable little elephant tapped the fullness of Bob s empathy and an incredible bond between the most unlikely of friends was forged Bob adopted the baby orphan elephant named Amy and patiently set about helping her recover from the trauma of her ordeal He had never seen a real African elephant up close except in zoos He was a horseman and breeder of champion quarter horses But through close observation gentle training humor and endless perseverance Bob gradually coaxed Amy into overcoming her mistrust of humans and indeed her fear of the world The little elephant became a hand on Bob s ranch tending to simple chores riding the fences and shadowing Bob on his horse She developed a winning personality and a strong character and became a beloved member of the Norris family and partner to the ranch hands But Bob knew from the start that the ultimate goal was for Amy to regain her confidence and her independence even if it were possible to go back to the savannahs of Africa This is the true story of how Amy and Bob came together No one who reads *The Cowboy and His Elephant* can fail to be moved by such a simple tale of unlikely love Annotations to Finnegans Wake Roland McHugh,2006 Long considered the essential guide to Joyce s famously difficult work Roland McHugh s *Annotations to Finnegans Wake* provides both novice readers and seasoned Joyceans with a wealth of information in an easy to use format uniquely suited to this densely layered text Each page of the *Annotations* corresponds directly with a page of the standard Viking Penguin edition of *Finnegans Wake* and contains line by line notes following the placement of the passages to which they refer The reader can thus look directly from text to notes and back again with no need to consult separate glossaries or other listings McHugh s richly detailed notes distill decades of scholarship explicating foreign words unusual English connotations and colloquial expressions place names
