Manser,2021-02-23 The Editorial Committee of the dictionary of Australian English led by Arthur Delbridge were adamant that their dictionary was to be descriptive It was an important point of difference from traditional dictionary policy This dictionary would give an account of Australian English as it was heard and written We wanted it all spoken written technical polite rude The speech of labourers the jargon of merchants swearwords Australianisms as well as the basic core of English vocabulary The idea for a dictionary of Australian English was conceived in the 1960s but it wasn't until 1981 that the first edition of the Macquarie Dictionary was published More Than Words tells the story of how the dictionary was brought to life during this period from identifying the need for a genuinely Australian dictionary to the long road towards publication and explores how the dictionary has evolved over the years since then      *The Macquarie student dictionary* ,1991      Youth

Culture and Identity in Northern Thailand Anjalee Cohen,2020-06-02 Youth Culture and Identity in Northern Thailand examines how young people in urban Chiang Mai construct an identity at the intersection of global capitalism state ideologies and local culture Drawing on over 15 years of ethnographic research the book explores the impact of rapid urbanisation and modernisation on contemporary Thai youth focusing on conspicuous youth subcultures drug use especially methamphetamine use and violent youth gangs Anjalee Cohen shows how young Thai people construct a specific youth identity through consumerism and symbolic boundaries in particular through enduring rural urban distinctions The suggestion is that the formation of subcultures and deviant youth practices such as drug use and violence are not necessarily forms of resistance against the dominant culture nor a pathological response to dramatic social change as typically understood in academic and public discourse Rather Cohen argues that such practices are attempts to fit in and stick out in an anonymous urban environment This volume is relevant to scholars in Thai Studies Southeast Asian Studies Anthropology Sociology Urban Studies and Development Studies particularly those with an interest in youth drugs and gangs
