**Mad Cowboy** Howard F. Lyman, Glen Merzer, 2001-07-10 The former cattle rancher whose appearance on The Oprah Winfrey Show sparked a lawsuit against both him and Winfrey exposes the hazardous practices of the cattle and dairy industries **BOOK COVER** **No More Bull!** Howard F. Lyman, Glen Merzer, Joanna Samorow-Merzer, 2005-09-20 In 1996 when Howard Lyman warned America on The Oprah Winfrey Show that Mad Cow Disease was coming to America offended cattlemen sued him and Oprah both Not only were Lyman and Oprah vindicated in court but events have proved many of Lyman s predictions absolutely right Mad Cow Disease has come to America and Lyman argues persuasively in No More Bull that the problem will only grow more deadly until our government deals with it seriously In Mad Cowboy Lyman a fourth generation Montana rancher turned vegetarian then vegan told the story of his personal transformation after a spinal tumor which he believes was caused by agricultural chemicals nearly left him paralyzed In No More Bull Lyman uses his humor compassion firsthand experience in agriculture and command of the facts of health to argue that we might all profit by transforming our diets He makes a powerful case that Alzheimer s is yet another disease linked to eating meat And he explains that the steak at the heart of your dinner plate not only may destroy your own heart but actually offers no more nutritional value than a doughnut If you ve been confused by the competing claims of the Atkins Diet the South Beach Diet and other fad diets No More Bull is the book that will set you straight Its pure unvarnished truth is told with down home common sense Lyman s got a message for meat eaters vegetarians and vegans and the message of No More Bull is that we can all do better for ourselves and the planet **The Method** Alex Cavazos, 2022-08-01 The Method that Alan was taught had to have so much concentration and imagination about what was on the script and that nothing else matters but being able to be that character and living the role not just acting it putting himself into a mode to where he would visualize and feel so much more than any other actor could by staying in the role throughout the whole shoot living the character as if he transformed into them mentally and physically not knowing what the consequences could be By learning such a profound way of acting he struggles to be what he once was before all the characters he s had to be using this Method **Healthy Eating, Healthy World** J. Morris Hicks, 2011-10-04 Imagine that the New York Times tomorrow released some amazing news A health treatment has been discovered that literally cures most forms of heart disease But not just that This treatment has a dramatic impact on most of the diseases Westerners face including cancer obesity autoimmune diseases diabetes osteoporosis Alzheimer s and many many others And this treatment is so inexpensive to administer that two thirds of the medical establishment can be shut down as no longer serving any useful function It s really too much to believe isn t it But there s more This treatment has miraculous implications for the environment By applying this treatment we can eliminate the largest source of global warming and dramatically reduce the waste that is polluting our water supply We ll also dramatically improve the health and animal population of our oceans and seas And there s more By applying this treatment we ll

dramatically increase the supply of arable land lowering the cost food and allowing us to feed everyone on this planet Starvation can become a thing of the past And one last thing This treatment also has enormous moral implications allowing us to eliminate almost all of the pain and suffering we are inflicting on the animals most of which is hidden away from view but is morally repulsive to anyone exposed to this suffering Now what if I told you that we don't have to wait for tomorrow's New York Times that this treatment has been found and that the amount of scientific data supporting the claims I just made is overwhelming The miracle treatment is simple It's eating a whole grain plant based diet Skeptical I'm not surprised But by the end of this book you'll be exposed to the overwhelming amount of evidence that supports every claim made above You'll also get to hear the counterarguments made by skeptics and you'll get to decide for yourself whether these claims are true It's my hope that by the end of this book you'll be convinced and join our movement You may just save your life and the planet in the bargain This revolutionary book is Healthy Eating Healthy World Unleashing the Power of Plant based Nutrition by J Morris Hicks and it is the book that finally tackles all compelling reasons for adopting a plant based diet from the environment to solving the world's hunger crisis Additionally T Colin Campbell acclaimed author of the bestselling book The China Study provides a riveting foreword to Healthy Eating Healthy World After reading this book it'll be nearly impossible to ignore the truth people were not meant to eat animals or animal products and the time has come to stop
