You may think some of Lewis Moody's adventures are well known. You would be wrong. In this searingly honest autobiography the original Mad Dog lays himself bare and along the way takes you on an incredible journey that will make you laugh, cry, and understand what it takes to construct a career as successful as Lewis Moody's. *Bad Dog* Harlan Weaver, 2021-03-26

Challenges the way we think about pit bulls and their human companions. Fifty plus years of media fearmongering coupled with targeted breed bans have produced what could be called America's Most Wanted dog: the pit bull. However, at the turn of the twenty-first century, competing narratives began to change the meaning of pit bull. Increasingly represented as loving members of mostly white middle-class heteronormative families, pit bulls and pit bull type dogs are now frequently seen as victims rather than perpetrators, beings deserving not fear or scorn but rather care and compassion. Drawing from the increasingly contentious world of human-dog politics and featuring rich ethnographic research among dogs and their advocates, *Bad Dog* explores how relationships between humans and animals not only reflect but actively shape experiences of race, gender, ethnicity, sexuality, nation, breed, and species. Harlan Weaver proposes a critical and queer reading of pit bull politics and animal advocacy, challenging the zero-sum logic through which care for animals is seen as detracting from care for humans. Introducing understandings rooted in examinations of what it means for humans to touch, feel, sense, and think with and through relationships with nonhuman animals, Weaver suggests powerful ways to seek justice for marginalized humans and animals together. *Remarried CEO, Please Control Yourself* Tian Qin, 2019-12-06

She was a beautiful daughter of a wealthy family. He was a bloodthirsty killer and a cold-blooded CEO. Three years ago, in order to escape from marriage, she ran to a random duck in a hotel and left in a hurry. Who would have thought that despite not being able to escape his marriage, he would find out that he was pregnant on the second day of marriage. Three years ago, he had been mysteriously toyed with in the hotel by a crazy woman who later tipped him with a diamond ring she claimed was her wedding ring. Staring at the diamond ring, he was stunned. **A Vineyard Christmas** Jean Stone, 2018-09-25 A woman's first Christmas on Martha's Vineyard comes with a mysterious surprise gift in a heartfelt novel that brims with holiday cheer. Library Journal In her cozy rented cottage on Chappaquiddick, novelist Annie Sutton is finally following her dream of living on Martha's Vineyard. As she settles in for her first Vineyard winter, a fierce nor'easter brings high winds and deep snow. But the blizzard also brings something unexpected to Annie's front porch: a baby girl in a basket. The note reads: I named her Bella after my grandmother. Please help her because I can't. Annie has always been grateful for her adoptive parents who raised her as their own. Yet she now hopes to spare little Bella the feelings of abandonment that still haunt her. Rather than take the baby to the police, Annie tries to find the birth mother, giving her a chance to change her mind. But it's not easy keeping a secret in a close-knit island community, especially amid the bustle of Christmas. Before the holiday ends, there will be revelations rekindled.

Ready, Aye Ready! Agnes Giberne, And they call this Woodbine Cottage said Susan Dunn gazing out upon a paved street where several unwashed children were disporting themselves in a gutter She looked dusty and unhappy and she spoke disconsolately all three things rare with Susan Dunn for a neater and brighter and more smiling little roundabout of a woman could in general be nowhere found The cottage wore an air of confusion A damp floor told of recent scrubbing as also did pail and soap not to speak of Mrs Dunn's own rolled up sleeves and bare arms In one corner stood a pile of chairs in another a small wooden cupboard An empty book case lay on the table and through the open door might be seen a folded carpet waiting for admission Side by side with the book case on the round table sat cross legged a little girl about seven years old contemplating the scene with sober eyes She had plainly climbed there to be out of the way

There had been a family flitting from an old home to a new No unusual event this in the lives of many men and women but very unusual in the lives of Richard and Susan Dunn For during more than fifteen years Dunn had worked as a regularly attached labourer under Messrs Horry Builders and not merely as a labourer but as a clever and skilful handy man though unhappily for himself not as a skilled artisan A widowed mother had been unable to afford the seven years apprenticeship in those days requisite and Richard Dunn s abilities were thereby handicapped through his after life For fifteen years they had known no change and now suddenly a change had become necessary Times were bad for business men and Dunn s employers had failed Thereby many working men were cast adrift and compelled to flit elsewhere in search of employment Dunn found what he needed with less difficulty than he had expected But he had to quit the pretty cottage and well cultivated garden slip which had long been the pride of his heart to say good bye to friends of many years standing and to find himself fresh quarters at Littleburgh Woodbine Cottage had sounded hopeful when first he was advised to take a look at it Dunn soon found however that dreams of country prettiness and twining creepers must be put aside Littleburgh was a bustling manufacturing town of perhaps some nine or ten thousand inhabitants and viewed from a money point of view it might be regarded as a very thriving place There were cloth factories and other factories some of the former being worked almost entirely by women Fresh houses and streets were being run up in all directions so the builders were just then having a fairly good time of it Of course rents were proportionately dear The town lay in a flat unbeautiful neighbourhood very different from the fair and hilly landscape the Dunns were used to look upon Long rows of small red or white houses as much alike one to another as a supply of pill boxes stretched away to the east and south and beyond them lay wide brick fields with a kiln here and there
