Madama Butterfly Libretto:

Madama Butterfly (Madam Butterfly) Giacomo Puccini, 2011-02 English National Opera Guides are ideal companions to the opera. They provide stimulating introductory articles together with the complete text of each opera in English and the original *Madama Butterfly* is one of the most popular operas of all time despite its disastrous premiere after which it was immediately withdrawn and revised. This guide explores how and why the libretto was softened to suit the tastes of European opera goers and the different variants are set out side by side. Professor Jean Pierre Lehmann introduces the story and shows how the theme of a Japanese girl deserted by a heartless foreigner became a classic. Since John Luther Long's novella on which the opera was based is included as well it is possible to judge how successful Puccini was in catching its essence in his hauntingly beautiful score.
