Flinn, 2020-08-26 Three women grieving the loss of loved ones are guests in a charming bed and breakfast inn in Lily Dale a historic spiritualist community in upstate New York Tree Haven is owned by an eccentric ninety year old former actress who adores animals bakes delicious lemon butter cookies and entertains her guests with colorful stories of her days in theater Shortly after the women s arrival a series of horrific murders befall the scenic lakeside community The victims are an aging astrologer named Lady Moon a woman who believes she is the reincarnated soul of Madame Petrona Blavatsky founder of the Theosophical Society and a nonagenarian who communes with trees and animal spirits Inspectors Robert McLeod and Tara Flanagan are in charge of the investigation but shortly after learning that his old friends semi retired inspector Pequod Dyxx and his clairvoyant wife Evangeline are in town McLeod persuades them to help with the case The suspects include a drifter who believes he is a messenger of God a priest who terrorizes altar boys and condemns psychics as satanic blind twin brothers who are members of a self mortification group and an unscrupulous real estate man who wants to build a development in the town s center A philosophical mystery The Long Road Home is suspenseful thought provoking and satiric from start to finish with multiple plots and unconventional characters **Evolution of Mrs. Besant** , 1918 **Annie Besant and the Masters of Wisdom** White Brotherhood, Borderland William Thomas Stead, 1896 **The Ascended Masters Light the Way** Joshua David Stone, 1998-12-12 This book is dedicated to the saints and spiritual masters of all the religions and spiritual paths that have graced this planet The lives and teachings of thirty nine of the world s greatest spiritual beacons provide a blueprint for total self realization Inspiring guidance from those who have learned the secrets of mastery in their lifetimes **The Theosophical Path** Katherine Augusta Westcott Tingley, 1922 *Old Diary Leaves* Henry Steel Olcott, 1895 Heathen, Hindoo, Hindu Michael J. Altman, 2017-07-03 Today there are more than two million Hindus in America But before the twentieth century Hinduism was unknown in the United States But while Americans did not write about Hinduism they speculated at length about heathenism the religion of the Hindoos and Brahmanism In *Heathen Hindoo Hindu* Michael J Altman argues that this is not a mere semantic distinction a case of more politically correct terminology being accepted over time but a way that Americans worked out their own identities American representations of India said more about Americans than about Hindus Cotton Mather Hannah Adams and Joseph Priestley engaged the larger European Enlightenment project of classifying and comparing religion in India Evangelical missionaries used images of Hindoo

heathenism to raise support at home Unitarian Protestants found a kindred spirit in the writings of Bengali reformer Rammohun Roy Popular magazines and common school books used the image of dark heathen despotic India to buttress Protestant white democratic American identity Transcendentalists and Theosophists imagined the contemplative and esoteric religion of India as an alternative to materialist American Protestantism Hindu delegates and American speakers at the 1893 World s Parliament of Religions engaged in a protracted debate about the definition of religion in industrializing America

Heathen Hindoo Hindu is a groundbreaking analysis of American representations of religion in India before the turn of the twentieth century Altman reorients American religious history and the history of Asian religions in America showing how Americans of all sorts imagined India for their own purposes The questions that animated descriptions of heathens Hindoos and Hindus in the past he argues still animate American debates today
