## **Madame Hillary The Dark Road To The White House:**

*Madame Hillary* R. Emmett Tyrrell, Jr., Mark W. Davis, 2004-01-01 First hand reporting and revelations of recent behind the scenes maneuverings that shows the reality between her carefully crafted image *Hillary* David N. Bossie, 2008-03-02 It s not a stretch to say that more has been written about Hillary pro and con than probably any other living American politician So in the build up to the 2008 presidential election what is not needed is just another book about Candidate Hillary Fortunately this expos is much more a hybrid product that includes not only cutting edge reporting revealing facts and fictions about the junior senator from New York but does it in a dual book and movie format David N Bossie former chief investigator for the US House of Representatives Committee on Government Reform and Oversight reveals all the must know details about Hillary s life and career exposing the truth about her conflicts in the past and her liberal plot for the future Bossie has previously produced such acclaimed documentaries as *Border War* [www.borderwarmovie.com](http://www.borderwarmovie.com) **Men** Laura Kipnis, 2014-11-18 From the notoriously contrarian author of *Against Love* a witty and probing examination of why badly behaved men have been her lifelong fascination on and off the page It s no secret that men often behave in intemperate ways but in recent years we ve witnessed so many spectacular public displays of male excess disgraced politicians erotically desperate professors fallen sports icons that we re left to wonder whether something has come unwired in the collective male psyche In the essays collected here Laura Kipnis revisits the archetypes of wayward masculinity that have captured her imagination over the years scrutinizing men who have figured in her own life alongside more controversial public examples Slicing through the usual clich s about the differences between the sexes Kipnis mixes intellectual rigor and wit to give us compelling survey of the affinities jealousies longings and erotics that structure the male female bond **The Clinton Crack-Up** R. Emmett Tyrrell, 2007-03-18 With his characteristic investigative eye and Menckenesque prose R Emmett Tyrrell Jr sheds new light on Bill Clinton s post presidential emotional depression globe trotting and international deal making financial ties to China and the United Arab Emirates ongoing womanizing vital support role in Hillary Clinton s anticipated run for the White House and possible role as America s first First Man **Focus On: 100 Most Popular American Autobiographers** Wikipedia contributors, [Focus On: 100 Most Popular 20Th-century American Politicians](#) Wikipedia contributors, *YOUNG PROFESSIONAL MARXIST BUSINESSMEN: A LEGACY* JOSEPH SMITH, 2020-01-22 This is a liberal playhouse book of young professionals and essays about them It is a greedy liberal playhouse **Woman President** Kristina Horn Sheeler, Karrin Vasby Anderson, 2013-08-08 What elements of American political and rhetorical culture block the imagining and thus the electing of a woman as president Examining both major party and third party campaigns by women including the 2008 campaigns of Hillary Clinton and Sarah Palin the authors of *Woman President* Confronting Postfeminist Political Culture identify the factors that limit electoral possibilities for women Pundits have been predicting women s political ascendancy for years And yet although the 2008 presidential campaign featured Hillary Clinton as an early

frontrunner for the Democratic presidential nomination and Sarah Palin as the first female Republican vice presidential nominee no woman has yet held either of the top two offices The reasons for this are complex and varied but the authors assert that the question certainly encompasses more than the shortcomings of women candidates or the demands of the particular political moment Instead the authors identify a pernicious backlash against women presidential candidates one that is expressed in both political and popular culture In *Woman President Confronting Postfeminist Political Culture* Kristina Horn Sheeler and Karrin Vasby Anderson provide a discussion of US presidentiality as a unique rhetorical role Within that framework they review women s historical and contemporary presidential bids placing special emphasis on the 2008 campaign They also consider how presidentiality is framed in candidate oratory campaign journalism film and television digital media and political parody

Religion, Politics, Media in the Broadband Era Alice Bach,2004 Religion has gone public and the much discussed political pendulum has been

swinging widely in its effort to keep up with the eruptions of faith swelling the broadband Private faith finds very public outlets through the media s appetite for voices and choices Faith based networks have become media savvy urging their members to send barrages of emails faxes telephone calls letters of praise or outrage to politicians Those same politicians return the volley using the broadcast media with great skill wooing the faithful convincing the cynical that God is on their side Only a deity could be on so many sides simultaneously Alice Bach s new book reflects her long time focus on the Bible religion and culture Popular religion is expressed within our culture in rock videos televangelism political rhetoric children s books films and animations Every sort of media from print to electronic to broadband is imbued with subtle and blatant religious imagery The media are new the message is not The tightly woven pattern of religion politics and media has been part of the American fabric since the country was founded When one examines this cultural cloth threads of varying colours are revealed threads whose twists reflect both media coverage of religion and religious views of the media

**The Death of Liberalism** R. Emmett Tyrrell,2012-05-07 The grave is dug the headstone carved the hearse idling out front A once potent political and cultural scourge of our time Liberalism is breathing its last and loudest breaths In this provocative postmortem R Emmett Tyrrell Jr traces the dubious rise and inevitable fall of the deeply flawed Liberal Progressive movement which has culminated in the nation s first stealth socialist President Barack Obama the unwitting pallbearer for American Liberalism While exposing this nonsensical worldview Tyrrell also winsomely reaffirms the timeless values Liberalism has endeavored to undermine free enterprise personal liberty limited government empiricism reason and common sense Ultimately Tyrrell welcomes conservatives moderates independents and the heretofore apolitical to step forward at this crucial juncture and take the final steps necessary to administer Liberalism s last rites From Harry Truman to Ed Koch to McGovern Liberalism has been in decline With Obama Liberalism is dead Now comes Crony Capitalism This is a hilarious and profound book especially because Tyrrell sees the value of Fox News nd Talk Radio Sean Hannity author of *Conservative Victory* and radio host of *The Sean Hannity Show* and Fox News Channel s *Hannity* R Emmett

Tyrrell chronicles with growing joyfulness the high points of Liberalism's demise until we get to 2010 and Liberalism's lurch into the grave. A wonderful read and a fitting send off to a very dreary ideology. Mark Levin, host of The Mark Levin Radio Show and author of the bestsellers *Liberty and Tyranny* and *Ameritopia*. The Death of Liberalism is a dashing, sharp, well argued and succinct tract for the times. Mr Tyrrell is a controversialist of stature, a polemicist of robust energy and a man who knows how to present his case with power and precision. Paul Johnson, author of *Modern Times*, *Intellectuals* and *A History of the American People*.

**Rethinking Madam President** Lori Cox Han, Caroline Heldman, 2007. From the political rumour mill to pop culture, all signs suggest that the United States is finally ready for a woman in the White House. This text offers a critical assessment of the inroads made by female candidates into the previously male bastion of electoral success. "I've Always Been a Yankees Fan" Thomas D. Kuiper, 2006. Just in time for the 2006 elections comes this indispensable addition to the Hillary oeuvre. From Dick Morris's foreword: This wonderful little book will give you all the ammunition you need to hold up your end of the argument and make sure that Hillary's quotes and lies are not forgotten but come back to haunt her. With Mrs Clinton almost certain to play a big role in the 2008 presidential elections, a book that humorously but pitilessly underscores her hypocrisy and endless pandering could have a major impact on her chances. *I've Always Been a Yankees Fan* is sure to be one of the most applauded and pilloried Hillary titles of the year.

Hillary Jean-Éric Branaa, 2015-07-23. Hillary, c'est ainsi qu'on l'appelle bien souvent et cela suffit pour l'identifier. Mais qui y a-t-il derrière ce prénom? Loin de l'image de first lady froide et distante qui fut la sienne, Hillary Clinton se révèle une femme politique accomplie. Dans la course présidentielle de novembre 2016, elle a aussi suscité un sentiment de proximité qui la place dans la position de grande favorite. Jean-Éric Branaa retrace son itinéraire : avocate brillante, sœur de New York, secrétaire d'état et les tapes qui lui ont permis de construire, avec une détermination hors du commun, sa stature présidentielle. Un livre qui différencie profondément la candidature de Hillary Clinton : elle est une femme. Après le premier

pr sident noir les Am ricains pourraient lire leur premi re pr sidente Il y a l un mouvement profond de la soci t am ricaine parfaitement incarn par celle qui dit souvent vouloir briser le plafond de verre Serait ce le temps des femmes Au travers de ce portrait tr s vivant d Hillary Clinton de ses engagements et de ses h sitations se dessine les contours de la soci t am ricaine de demain
