# Made In Yugoslavia

**Wayne C. Thompson**

## **Made In Yugoslavia:**

**Made in Yugoslavia** Vladimir Jekanović, 2001 A shocking and moving story of ordinary young men whose lives are overturned by a conflict that is all too recent Luka Greg and Bili grew up together in the small town of Osijek in the former Yugoslavia getting drunk together playing in a mediocre band fighting and flirting with their girlfriends Now it is 1991 Bili has just returned from national service and it looks like the young men can get back to their crates of beer but as the creaking sounds of tanks reach earshot and neighbours hurry down to their basements in their pyjamas it is clear that the town is changing irrevocably Luka defiantly tries to carry on as normal as his Croatian girlfriend Maria rails at his indifference But soon the young men must take sides and slowly each one is drawn back to a heritage that never used to matter much to them He finds himself on the Serb side on a smallholding filled with looted televisions and a variety of crazy soldiers Luka watches in resigned despair as tragedy approaches In stark and vivid prose Jekanovic has created a hugely important work of fiction that exposes the emotions of people reluctantly fighting a very real war **Italy** Luigi Villari, 1929

**Synopsis of Sundry Decisions of the Treasury Department on the Construction of the Tariff, Navigation, and Other Acts, for the Year Ending ...** United States. Dept. of the Treasury, 1964 Vols for 1891 1897 include decisions of the United States Board of General Appraisers **Treasury Decisions Under the Customs, Internal Revenue, and Other Laws** United States. Department of the Treasury, 1964 **Treasury Decisions Under Customs and Other Laws** United States. Department of the Treasury, 1964 Vols for 1904 1926 include also decisions of the United States Board of General Appraisers **Monkeyshines on Europe**, 1998 **Southern African Liberation Movements and the Global Cold War 'East'** Lena Dallywater, Chris Saunders, Helder Adegar Fonseca, 2019-06-17 In the global context of the Cold War the relationship between liberation movements and Eastern European states obviously changed and transformed Similarly forms of material aid and ideological encouragement underwent changes over time The articles assembled in this volume argue that the traditional Cold War geography of bi polar competition with the United States is not sufficient to fully grasp these transformations The question of which side of the ideological divide was more successful or lucky in impacting actors and societies in the global south is still relevant yet the Cold War perspective falls short in unfolding the complex geographies of connections and the multipolarity of actions and transactions that exists until today Acknowledging the complexities of liberation movements in globalization processes the papers thus argue that activities need to be understood in their local context including personal agendas and internal conflicts rather than relying primarily on the traditional frame of Cold War competition They point to the agency of individual activists in both Africa and Eastern Europe and the lessons practices and languages that were derived from their often contradictory encounters In Southern African Liberation Movements authors from South Africa Portugal Austria and Germany ask What role did actors in both Southern Africa and Eastern Europe play What can we learn by looking at biographies in a time of increasing racial and international conflict And which creative

solutions need to be found to combine efforts of actors from various ideological camps Building on archival sources from various regions in different languages case studies presented in the edition try to encounter the lack of a coherent state of the art They aim at combining the sometimes scarce sources with qualitative interviews to give answers to the many open questions regarding Southern African liberation movements and their connections to the East Nordic, Central, and Southeastern Europe 2024-2025 Bojka Djukanovic,2024-07-08 The World Today Series Nordic Central and Southeastern Europe is an annually updated presentation of each sovereign country in Nordic Central and Southeastern Europe past and present It is organized by individual chapters for each country and presents a complete and authoritative overview of each region s geography people history political system constitution parliament parties political leaders and elections The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students Now in its 23rd edition the content is thorough yet perfect for a one semester introductory course or general library reference Available in both print and e book formats and priced low to fit student and library budgets **The National Question** Berch Berberoglu,2009 This volume examines the volatile nature and complex dynamics of national movements and ethnic conflict around the world Translating Frantz Fanon Across Continents and Languages Kathryn Batchelor,Sue-Ann Harding,2017-04-21 This book provides an innovative look at the reception of Frantz Fanon s texts investigating how when where and why these especially his seminal *Les Damnés de la Terre* 1961 were first translated and read Building on renewed interest in the author s works in both postcolonial studies and revolutionary movements in recent years as well as travelling theory micro history and histoire crois e interests in Translation Studies the volume tells the stories of translations of Fanon s texts into twelve different languages Arabic Danish English German Italian Norwegian Persian Polish Russian Serbo Croatian Swahili and Swedish bringing both a historical and multilingual perspective to the ways in which Fanon is cited today With contributions from an international interdisciplinary group of scholars the stories told combine themes of movement and place personal networks and agency politics and activism archival research and textual analysis creating a book that is a fresh and comprehensive volume on the translated works of Frantz Fanon and essential reading for scholars in translation studies postcolonial studies cultural studies critical race studies and African and African diaspora literature Nordic, Central, and Southeastern Europe 2022-2023 Wayne C. Thompson,2022-07-15 The World Today Series Nordic Central and Southeastern Europe is an annually updated presentation of each sovereign country in Nordic Central and Southeastern Europe past and present It is organized by individual chapters for each country and presents a complete and authoritative overview of each region s geography people history political system constitution parliament parties political leaders and elections The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media
