Ultimate Sacrifice Lamar Waldron, Thom Hartmann, 2013-08-22 Drawing on seventeen years of research thousands of recently declassified files and dozens of interviews *Ultimate Sacrifice* re creates and in many ways rewrites the crucial period of our history leading up to November 22 1963 In the process this groundbreaking account provides the missing pieces to the greatest tragic puzzle of post war America the true circumstances behind the assassination of President John F Kennedy *Ultimate Sacrifice* details a previously unknown Plan for a Coup in Cuba authorized by President John Kennedy run by Attorney General Robert Kennedy and set for December 1 1963 The Kennedy plan unique and different from any previously disclosed operation was as detailed in a Joint Chiefs of Staff memo to have included a palace coup a provisional Cuban government and if necessary a full scale invasion by invited US military forces The CIA s code name for their part of the operation AMWORLD has never previously surfaced in any government investigation nor in any book or article making it one of the most covert operations in United States history *Ultimate Sacrifice* will detail how the Kennedy plan was penetrated by three mafia godfathers Carlos Marcello Santo Trafficante and Johnny Roselli being vigorously pursued by Attorney General Robert Kennedy along with a dozen of their associates six of whom were also working on the Coup plan The crime bosses then used parts of the Coup Plan AMWORLD to arrange JFK s assassination in a way that would prevent a truly thorough government investigation in order to protect the Coup Plan its participants and national security By using the secrecy surrounding the Plan the mob bosses would target JFK not only in Dallas but in two earlier attempts one in Chicago on November 1 and then one in Tampa on November 18 which *Ultimate Sacrifice* reveals for the first time in any book *Ultimate Sacrifice* has finally pieced together the whole story by building on the work of the seven governmental committees that have investigated aspects of the assassination on the work of former government investigators and on the four million documents that were declassified in the 1990s in addition to exclusive interviews with dozens of witnesses and participants including Secretary of State Dean Rusk Press Secretary Pierre Salinger and the Kennedys closest Cuban exile aide Harry Ruiz Williams

Reckless Disregard Eric P. Robinson, 2018-12-12 In the years following the landmark United States Supreme Court decision on libel law in *New York Times v Sullivan* the court ruled on a number of additional cases that continued to shape the standards of protected speech As part of this key series of judgments the justices explored the contours of the *Sullivan* ruling and established the definition of reckless disregard as it pertains to actual malice in the case of *St Amant v Thompson* While an array of scholarly and legal literature examines *Sullivan* and some subsequent cases the *St Amant* case once called the most important of the recent Supreme Court libel

decisions has not received the attention it warrants Eric P Robinson's Reckless Disregard corrects this omission with a thorough analysis of the case and its ramifications The history of St Amant v Thompson begins with the contentious 1962 U S Senate primary election in Louisiana between incumbent Russell Long and businessman Philemon Phil A St Amant The initial lawsuit stemmed from a televised campaign address in which St Amant attempted to demonstrate Long's alleged connections with organized crime and corrupt union officials Although St Amant's claims had no effect on the outcome of the election a little noticed statement he made during the address that money had passed hands between Baton Rouge Teamsters leader Ed Partin and East Baton Rouge Parish deputy sheriff Herman A Thompson led to a defamation lawsuit that ultimately passed through the legal system to the Supreme Court A decisive step in the journey toward the robust protections that American courts provide to comments about public officials public figures and matters of public interest St Amant v Thompson serves as a significant development in modern American defamation law Robinson's study deftly examines the background of the legal proceedings as well as their social and political context His analysis of how the Supreme Court ruled in this case reveals the justices' internal deliberations shedding new light on a judgment that forever changed American libel law

Mafioso in the nation The president had a drinking problem and top aides referred to him as Our Drunk Nixon had a misogynist streak and was abusive toward first lady Pat Nixon The intimate and possibly homosexual nature of Nixon's relationship with confidante Charles Bebe Rebozo a banker with mob ties Testimony alleging that the president had ordered the killing of White House reporter Jack Anderson Fulsom's examination of these and other startling aspects of Nixon's personal and political dimensions paint an unflinching portrait of a leader who was once the most powerful man in the world Nixon's Darkest Secrets provides a chilling final chapter in literature on our most troubled president

Sons & Brothers Richard D. Mahoney, 1999 This intriguing book brings a fresh perspective to bear on the intimate charged partnership of John and Robert Kennedy The author Richard D Mahoney whose father was a friend of Bobby's and an appointee of Jack's has both the academic and political experience necessary to evaluate evidence of the Kennedys' relations with the Mafia anti Castro rebels and other groups lurking in the shadows of American life He also has a sharp eye for the brothers differing yet complementary personalities Jack was intellectual and cheerfully cynical with a zest for pleasure increased by a life threatening illness concealed from the public He looked to passionate partisan Bobby for bulldog like political support and used his brother as a moral compass when planning his administration's actions on civil rights the corruption of organized labor and the containment of Communism Their powerful father Joseph whose deep pockets basically bought Jack the presidency and at the same time compromised it because of Joseph's links to organized crime looms over the brothers as the author of a Faustian bargain that may well have played a role in JFK's assassination Mahoney's vivid compulsively readable text offers suggestive questions rather than definitive answers but it certainly succeeds as a bracing corrective to America's inability to see its history as tragedy a failure Jack and Bobby emphatically did not share Wendy Smith

Act of Treason Mark North, 2011-07 Examination of how J Edgar Hoover knew President Kennedy would be assassinated and the coverup that followed the assassination

Bobby and J. Edgar Revised Edition Burton Hersch, 2008-06-03 NOW WITH A NEW PREFACE In this riveting account of the explosive relationship between Robert F Kennedy and J Edgar Hoover renowned journalist and author Burton Hersch sets their highly publicized clashes in the

context of Joe Kennedy's ongoing manipulation of Congress and his children's careers and his lifelong connections to organized crime. There was a unique triumvirate marked by conflict and betrayal and culminating in a near Shakespearean tragedy. Based on compelling new research and told in gripping anecdotal style, Hersh chronicles the complex relationship between the two antagonists from their early brushes during the McCarthy years to their controversial deaths. The Radical Right and the Murder of John F. Kennedy Harrison E. Livingstone, 2004. The Radical Right and the Murder of John F. Kennedy. Stunning Evidence in the Assassination of the President. Harrison E. Livingstone's major new book, the fifth of his works on the death of JFK, brings together for the first time all of the central evidence demonstrating a domestic Right Wing conspiracy rooted in Texas which assassinated the President on November 22, 1963. The book represents forty years of work. The book discusses in great detail the actual medical evidence and the forgery of the autopsy photographs and X-rays which Mr. Livingstone first exposed, the alteration of the autopsy report, the framing of the designated patsy Lee Harvey Oswald, and the substitution and fabrication of every single piece of evidence. It discusses the role played in the murder by some of the most powerful men in the country: Lyndon Johnson, J. Edgar Hoover, and Richard Nixon, as well as the rich oil men and companies who backed them. It then describes the cover-ups by the media, the major investigations over the years, the FBI, and the mind control cooperation at work in the case to misdirect researchers and the public. The book describes in great detail the people and companies in Texas who planned and carried out the assassination. It names names. One recent investigation in the 90s followed Mr. Livingstone's preceding work and reinvestigated with the witnesses both he and the official investigations had talked to, but this time took into consideration their documentation and what they had actually said, and in a chapter, this is his stunning new evidence from the U.S. government under President Clinton that is blowing the lid off the case. Mr. Livingstone first revealed to the Washington press corps in 1998 that there has been such a secret investigation and spoke for fifty minutes when the Assassination Records Review Board gave their final press conference. As a result, Mr. Livingstone was on all major TV networks and on the Today show, NBC, with Katie Couric the next morning. The book also contains the story of Dallas doctor Charles Crenshaw's law suit and the depositions of the editor and writer of the Journal of American Medical Association who libeled him in articles in 1992. Dr. Crenshaw's book about trying to save Kennedy at Parkland Hospital shortly after the shooting came out on the same day as Mr. Livingstone's major work on the medical evidence. High Treason 2 were JAMA's targets, and the depositions contain much discussion of Mr. Livingstone's major impact on the JFK case. This new book is to be followed closely by a sixth book entirely about the Zapruder film called The Hoax of the Century: Decoding the Forgery of the Zapruder Film. **LBJ: The Mastermind of the JFK Assassination** Phillip F. Nelson, 2013-07-01. LBJ aims to prove that Vice President Johnson played an active role in the assassination of President Kennedy and that he began planning his takeover of the U.S. presidency even before being named the vice presidential nominee in 1960. Lyndon B. Johnson's flawed personality and character traits formed as a child grew unchecked for the rest of

his life as he suffered severe bouts of manic depressive illness He successfully hid this disorder from the public as he bartered stole and finessed his way through the corridors of power on Capitol Hill though it s recorded that some of his aides knew of his struggle with bipolar disorder After years of researching Johnson and the JFK assassination Phillip F Nelson conclusively shows that LBJ had an active role in JFK s assassination and he includes newly uncovered photographic evidence proving that Johnson knew when and where Kennedy s assassination would take place Nelson s careful and meticulous research has led him to uncover secrets from one of the greatest unsolved mysteries in our country s history *Inside Job* Stephen Pizzo,Mary Fricker,Paul Muolo,2015-09-29 New York Times Bestseller A history of the S L scandal that caused a financial disaster for American taxpayers Hard to put down Library Journal For most of the 20th century savings and loans were an invaluable thread of the American economy But in the 1970s Congress passed sweeping financial deregulation at the insistence of industry insiders that allowed these once quaint and useful institutions to spread their taxpayer insured assets into new and risky investments The looser regulations and reduced federal oversight also opened the industry to an army of shady characters white collar criminals and organized crime groups Less than 10 years later half the nation s savings and loans were insolvent leaving the American taxpayer on the hook for a large hunk of the nearly half a trillion dollars that had gone missing The authors of *Inside Job* saw signs of danger long before the scandal hit nationwide Decades after the savings and loan collapse *Inside Job* remains a thrilling read and a sobering reminder that our financial institutions are more fragile than they appear *Reclaiming History* Vincent Bugliosi,2007-05-17 For fifty years the truth about the assassination of President John F Kennedy has been obscured This book releases us from a crippling distortion of American history At 1 00 p m on November 22 1963 President John F Kennedy was pronounced dead the victim of a sniper attack during his motorcade through Dallas That may be the only fact generally agreed upon in the vast literature spawned by the assassination National polls reveal that an overwhelming majority of Americans 75% believe that there was a high level conspiracy behind Lee Harvey Oswald Many even believe that Oswald was entirely innocent In this continuously absorbing powerful ground breaking book Vincent Bugliosi shows how we have come to believe such lies about an event that changed the course of history The brilliant prosecutor of Charles Manson and the man who forged an iron clad case of circumstantial guilt around O J Simpson in his best selling *Outrage* Bugliosi is perhaps the only man in America capable of writing the definitive book on the Kennedy assassination This is an achievement that has for years seemed beyond reach No one imagined that such a book would ever be written a single volume that once and for all resolves beyond any reasonable doubt every lingering question as to what happened in Dallas and who was responsible There have been hundreds of books about the assassination but there has never been a book that covers the entire case including addressing every piece of evidence and each and every conspiracy theory and the facts or alleged facts on which they are based In this monumental work the author has raised scholarship on the assassination to a new and final level one that far surpasses all other books on the subject It adds

resonance depth and closure to the admirable work of the Warren Commission Reclaiming History is a narrative compendium of fact forensic evidence reexamination of key witnesses and common sense Every detail and nuance is accounted for every conspiracy theory revealed as a fraud on the American public Bugliosi s irresistible logic command of the evidence and ability to draw startling inferences shed fresh light on this American nightmare At last it all makes sense **The JFK Assassination Debates** Michael L. Kurtz,2006 William L Kurtz delivers a comprehensive thought provoking book about the various theories surrounding the JFK assassination favoring the conspiracy theory himself
