Creating the New Right Ethnic in 1970s America Richard Moss, 2017-03-15 This work analyzes the New Ethnicity of the 1970s as a way of understanding America s political turn to the right in that decade An upsurge of vocal ethnic consciousness among second third and fourth generation Southern and Eastern Europeans the New Ethnicity simultaneously challenged and emulated earlier identity movements such as Black Power The movement was more complex than the historical memory of racist reactionary white ethnic leaders suggests The movement began with a significant grassroots effort to gain more social welfare assistance for near poor white ethnic neighborhoods and ease tensions between the working class African Americans and whites who lived in close proximity to one another in urban neighborhoods At the same time a more militant strain of white ethnicity was created by urban leaders who sought conflict with minorities and liberals The reassertion of ethnicity necessarily involved the invention of myths symbols and traditions and this process actually served to retard the progressive strain of New Ethnicity and strengthen the position of reactionary leaders and New

Right politicians who hoped to encourage racial discord and dismantle social welfare programs Public intellectuals created a mythical white ethnic who shunned welfare valued the family and provided an antidote to liberal elitism and neighborhood breakdown Corporations and publishers embraced this invented ethnic identity and codified it through consumption Finally politicians appropriated the rhetoric of the New Ethnicity while ignoring its demands The image of hard working self sufficient ethnics who took care of their own neighborhood problems became powerful currency in their effort to create racial division and dismantle New Deal and Great Society protections

Another Life Michael Korda, 2011-12-21 In his remarkable memoir at once frank audacious canny and revealing Michael Korda the author of Charmed Lives and Queenie does for the world of books what Moss Hart did for the theater in Act One and succeeds triumphantly in making publishing seem as exciting and as full of great characters as the stage Another Life is not just an adventure the engaging and often hilarious story of a young man making his career but the insider's story of how a cottage industry metamorphosed into a big business with sometimes alarming results for all concerned Korda writes with grace humor and a shrewd eye not only about himself and his rise from a lowly but not humble assistant editor reading the slush pile of manuscripts to a famous editor in chief of a major publishing house but also about the celebrities and writers with whom he worked over four decades Here are portraits rare intimate always keenly observed of such larger than life figures as Ronald Reagan affable and good natured but the most reluctant of authors struggling with his ghosted presidential autobiography Richard Nixon seen here as a genial if bizarrely detached host superagent Irving Lazar pursuing his endless deals and dreams of class retired Mafia boss Joseph Bonanno the last of the old time dons laboring over his own version of his life in his desert retreat Joan Crawford giving Korda her rules for successful living and countless other greats near greats and would be greats Here too are famous writers sometimes eccentric sometimes infuriating sometimes lost souls captured memorably by someone who was close to them for years Graham Greene in pursuit of his FBI file and a Nobel Prize Tennessee Williams wrestling unsuccessfully with his demons Jacqueline Susann facing and conquering the dreaded second novel syndrome after the stunning success of Valley of the Dolls Harold Robbins who had to be guarded under lock and key and made to finish his novels struggling to keep the IRS at

bay from the deck of his yacht Carlos Castaneda at his most sorcerously charming described at last in detail as he really was by one of the few people who knew him well not to mention Richard Adams Will and Ariel Durant Susan Howatch S J Perelman Fannie Hurst Larry McMurtry and many many more Parts of this book that have appeared in The New Yorker over the years have brought Korda great acclaim the chapter about Jacqueline Susann has been made into a major motion picture Here at last entertaining and provocative and always hugely readable is the whole story a book as engaging and full of life as Korda s highly acclaimed memoir of his family Charmed Lives about which Irwin Shaw wrote I don t know when I have enjoyed a book more
