**Magazines of the American South** Sam Riley, 1986-03-26 Product information not available **Regional Interest**

**Magazines of the United States** Sam Riley, Gary W. Selnow, 1990-11-30 In *Regional Interest Magazines of the United States* Sam G Riley and Gary W Selnow focus on those magazines that direct their attention to a particular city or region and reach a fairly general readership interested in entertainment and information This work is a follow up to their earlier *Index to City and Regional Magazines of the United States* Titles are arranged alphabetically to facilitate access each entry includes a historical essay on the magazine s founding development editorial policies and content Entries also include two sections that provide data on information sources and publication history arranged in tabular form for ready reference In choosing the magazines to be profiled Riley and Selnow attempted to represent not only the biggest and most successful of this genre but also some smaller and newer titles plus significant earlier magazines that are no longer in print Special care was also taken to achieve an even geographical spread To attain greater accuracy regional writers were enlisted to do the entries on their own region These writers provide valuable information on how the various magazines began how conditions have caused them to change their problems their editors and publishers and their content as well as colorful and little known facts of their operation Magazines were arranged alphabetically and two informative appendices list the profiled titles by founding date and geographic location This volume will be a valuable resource for students of magazine publishing history The Companion to Southern Literature Joseph M. Flora, Lucinda Hardwick MacKethan, 2001-11-01 Selected as an Outstanding Academic Title by Choice Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association There are many anthologies of southern literature but this is the first companion Neither a survey of masterpieces nor a biographical sourcebook *The Companion to Southern Literature* treats every conceivable topic found in southern writing from the pre Columbian era to the present referencing specific works of all periods and genres Top scholars in their fields offer original definitions and examples of the concepts they know best identifying the themes burning issues historical personalities beloved icons and common or uncommon stereotypes that have shaped the most significant regional literature in memory Read the copious offerings straight through in alphabetical order Ancestor Worship Blue Collar Literature Caves or skip randomly at whim Guilt The Grotesque William Jefferson Clinton Whatever approach you take *The Companion* s authority scope and variety in tone and interpretation will prove a boon and a delight Explored here are literary embodiments of the Old South New South Solid South Savage South Lazy South and Sahara of the Bozart As up to date as grit lit K Mart fiction and postmodernism and as old fashioned as Puritanism mules and the tall tale these five hundred entries span a reach from Lady to Lesbian Literature The volume includes an overview of every southern state s belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche The South s lavishly rich literature provides the best means of understanding the region s

deepest nature and *The Companion to Southern Literature* will be an invaluable tool for those who take on that exciting challenge. Description of Contents 500 lively succinct articles on topics ranging from Abolition to Yoknapatawpha 250 contributors including scholars writers and poets 2 tables of contents alphabetical and subject and a complete index A separate bibliography for most entries

**Magazines and the Making of America** Heather A. Haveman, 2020-08-04 From the colonial era to the onset of the Civil War *Magazines and the Making of America* looks at how magazines and the individuals organizations and circumstances they connected ushered America into the modern age How did a magazine industry emerge in the United States where there were once only amateur authors clumsy technologies for production and distribution and sparse reader demand What legitimated magazines as they competed with other media such as newspapers books and letters And what role did magazines play in the integration or division of American society From their first appearance in 1741 magazines brought together like minded people wherever they were located and whatever interests they shared As America became socially differentiated magazines engaged and empowered diverse communities of faith purpose and practice Religious groups could distinguish themselves from others and demarcate their identities Social reform movements could energize activists across the country to push for change People in specialized occupations could meet and learn from one another to improve their practices Magazines built translocal communities collections of people with common interests who were geographically dispersed and could not easily meet face to face By

supporting communities that crossed various axes of social structure magazines also fostered pluralistic integration Looking at the important role that magazines had in mediating and sustaining critical debates and diverse groups of people Magazines and the Making of America considers how these print publications helped construct a distinctly American society

**The Southern Literary Messenger, 1834 1864** Benjamin Blake Minor, 2007 The Southern Literary Messenger enjoyed an impressive thirty year run 1834 1864 and was in its time the South's most important literary periodical Published in Richmond Virginia the monthly magazine was edited in its early years by Edgar Allan Poe In addition to serving as a literary proving ground for Poe it is also remembered for publishing poems fiction and essays by the nation's leading authors both male and female northern and southern including William Gilmore Simms Paul Hamilton Hayne Joseph G Baldwin John Pendleton Kennedy Mary E Lee and Caroline Lee Hentz In 1905 Benjamin Blake Minor 1818 1905 editor of the Southern Literary Messenger during the 1840s wrote the only book length study of the magazine Minor's authoritative account of the journal's history and influence is augmented in this edition with a new introduction by historian Jonathan Daniel Wells that places the magazine and Minor's account in their historical context Both Wells and Minor reveal significant information found nowhere else about figures and facets of southern literary culture before and during the Civil War Minor recounts in detail the relationships he forged with notable authors and includes excerpts from correspondence with Poe and others Most important Minor identifies and discusses hundreds of lesser contributors who might otherwise remain anonymous *The Magazine of American History with Notes and Queries* John Austin Stevens, Benjamin Franklin DeCosta, Henry Phelps Johnston, Martha Joanna Lamb, Nathan Gillett Pond, 1884 **The Magazine of American History**, 1890 **The Oxford**

**Critical and Cultural History of Modernist Magazines** Peter Brooker, Andrew Thacker, 2009 This volume contains 44 original essays on the role of periodicals in the United States and Canada Over 120 magazines are discussed by expert contributors completely reshaping our understanding of the construction and emergence of modernism **American Breeders Magazine**, 1912 **American Illustrated Magazine**, 1912 **Women's Periodicals in the United States**

Kathleen L. Endres, Therese Lueck, 1995-07-24 Consumer magazines aimed at women are as diverse as the market they serve Some are targeted to particular age groups while others are marketed to different socioeconomic groups These magazines are a reflection of the needs and interests of women and the place of women in American society Changes in these magazines mirror the changing interests of women the increased purchasing power of women and the willingness of advertisers and publishers to reach a female audience This reference book is a guide to women's consumer magazines published in the United States Included are profiles of 75 magazines read chiefly by women Each profile discusses the publication history and social context of the magazine and includes bibliographical references and a summary of publication statistics Some of the magazines included started in the 19th century and are no longer published Others have been available for more than a century while some originated in the last decade An introductory chapter discusses the history of U S consumer women's

magazines and a chronology charts their growth from 1784 to the present      **Daughters of the American Revolution Magazine** ,1924      **Supplementary Catalogue of the Public Library of New South Wales, Sydney for the Years 1888-[1910]** ... Public Library of New South Wales,1906      *The Magazine of Wall Street* ,1927      **The Southern Way of Life** Charles Reagan Wilson,2022-11-30 How does one begin to understand the idea of a distinctive southern way of life a concept as enduring as it is disputed In this examination of the American South in national and global contexts celebrated historian Charles Reagan Wilson assesses how diverse communities of southerners have sought to define the region s identity Surveying three centuries of southern regional consciousness across many genres disciplines and cultural strains Wilson considers and challenges prior presentations of the region advancing a vision of southern culture that has always been plural dynamic and complicated by race and class Structured in three parts *The Southern Way of Life* takes readers on a journey from the colonial era to the present from when complex ideas of southern civilization rooted in slaveholding and agrarianism dominated to the twenty first century rise of a modern multicultural southern living As Wilson shows there is no singular or essential South but rather a rich tapestry woven with contestations contingencies and change      *The National Geographic Magazine* ,1910      *Symbols, the News Magazines and Martin Luther King* Richard Lentz,1999-03-01 More than two decades after his death Martin Luther King Jr remains America s preeminent symbol of the civil rights movement In the early years of the movement King advocated a policy of nonviolent resistance to the racism ingrained in American society In later years however King adopted a more militant stance toward racial and other forms of injustice In this innovative book Richard Lentz considers King as a cultural symbol from the Montgomery bus boycott of 1955 1956 to the Poor People s Campaign which King helped organize shortly before his assassination in 1968 In particular Lentz examines the ways the three major news weeklies Newsweek Time and U S News World Report presented King to their readers It is primarily through media institutions that Americans shape and interpret their values Newsweek Time and U S News though representing different shadings of political ideology ranging from left of center to conservative were all aimed at the same audience middle class Americans Therefore their influence on the nation s values during a period of enormous social upheaval was significant In the mid 1960s when King shifted from reform to radicalism the news magazines were thrust into what Lentz calls a crisis of Symbols because King no longer fit the symbolic mold the magazines had created for him Lentz investigates how the magazines responded to this crisis discussing the ways in which their analyses of King shifted over time and the means they employed to create a new symbolic image that made sense of King s radicalization for readers This is an important perceptive study of Martin Luther King Jr s career and an astute critical analysis of the reporting practices of the news media in the modern era
