A Pinch of Cool Mary Leo,2012-02-15 A pinch of cool A dash of sass A cup of lust Mix stir and repeat When trend spotter and supreme style guru Mya Strano is called in to rescue her mother s cooking show from ratings oblivion what she has in mind is a little seasoning to heighten the taste That s the plan Until she discovers that it s her childhood nemesis Eric Baldini whom she s up against He s got a few ideas of his own that sound like a recipe for disaster in her expert opinion And the two of them in the same kitchen Never Still she s noticed that for someone who really works at being anti hip this guy has a way of making her divinely hot Which makes him so cool that this fashionista is actually toying with the idea of trading in her designer gear for oven mitts and an apron Ouch

Beautiful Ghosts Eliot Pattison, 2013-07-30 In an earlier time Shan Tao Yun was an Inspector stationed

in Beijing But he lost his position his family and his freedom when he ran afoul of a powerful figure high in the Chinese government Released unofficially from the work camp to which he d been sentenced Shan has been living in remote mountains of Tibet with a group of outlawed Buddhist monks Without status official identity or the freedom to return to his former home in Beijing Shan finds himself in the midst of a baffling series of events During a ceremony meant to rededicate an ancient and long destroyed monastery Shan stumbles across evidence of a recent murder in the ruins Now Shan is being torn between some officials who want his help to search the ruins while others want him to disappear back into the mountains with one group holding out the tantalizing prospect of once again seeing the son from whom Shan has been separated for many years In a baffling situation where nothing is what it appears to be where the FBI high ranking Beijing officials the long hidden monks and the almost forgotten history of the region all pull him in different directions Shan finds his devotion to the truth sorely tested Traveling from Tibet to Beijing to the U S he must find the links between murder on two continents a high profile art theft and an enigmatic long missing figure from history in Eliot Pattison s Beautiful Ghosts

Atwood, 2025-11-04 How does one of the greatest storytellers of our time write her own life The long awaited memoir from one of our most lauded and influential cultural figures Every writer is at least two beings the one who lives and the one who writes Though everything written must have passed through their minds or mind they are not the same Raised by ruggedly independent scientifically minded parents entomologist father dietician mother Atwood spent most of each year in the wild forest of northern Quebec This childhood was unfettered and nomadic sometimes isolated on her eighth birthday It sounds forlorn It was forlorn It gets more forlorn but also thrilling and beautiful From this unconventional start Atwood unfolds the story of her life linking seminal moments to the books that have shaped our literary landscape from the cruel year that spawned Cat's Eye to the Orwellian 1980s of East Berlin where she wrote The Handmaid's Tale In pages bursting with bohemian gatherings her magical life with the wildly charismatic writer Graeme Gibson and major political turning points we meet poets bears Hollywood actors and larger than life characters straight from the pages of an Atwood novel As we travel with her along the course of her life more and more is revealed about her writing the connections between real life and art and the workings of one of our greatest imaginations *The Many Lives of Michael Bloomberg* Eleanor

died and his giving has focused on education gun control and a fighting climate change He joined the 2020 presidential campaign as a moderate liberal and spent his millions focused on ousting President Donald Trump
