Revelations Of A Single Woman Loving The Life I Didnt Expect:

Revelations of a Single Woman Connally Gilliam, 2014-12-05 Turning our culture's Sex in the City worldview completely upside down *Revelations of a Single Woman* celebrates God's enticing life giving promises even when life takes you down a path you didn't plan for Connally Gilliam explores what it means to live in a world for which her mother never could have prepared her Through this collection of thoughtful honest and humorous memoirs the author delves into what it really means to be the remainder in a world that caters to couples and what it means to be the one who lives out moral values that her peers think died in the sixties As readers walk with Connally through each humorous and poignant experience they will discover that God doesn't promise happiness somewhere in the future but abundant life in the here and now *Revelations of a Single Woman* Connally Gilliam, 2005-12-26 Christian Library of Lancaster Collection **Singled Out** Christine Colón, Bonnie Field, 2009-06-01 Authors Christine Colón and Bonnie Field thought that by a certain age they would each be married But they watched that age come and go and still no walks down the aisle In *Singled Out* they reflect on their experience and that of an increasing number of Christians Rejecting overly simplistic messages from the church about waiting for marriage they explore a deeper understanding of celibacy that affirms singles decision to be sexually pure acknowledges their struggles and recognizes their importance in the church community Thoughtful and accessible *Singled Out* is an invaluable voice of realistic encouragement for any single as well as an important tool for church leaders and others concerned with mission and ministry for singles **Better Than My Dreams** Paula Rinehart, 2007-10-14 The story of everywoman's emotional and spiritual journey helping her release stored up false hopes and preconceived notions by replacing them with the wonderful reality God is weaving into her life Every morning we face the day with a set of expectations about how things will or should be Author Paula Rinehart says The oddest part about our mental images is that we don't know they are there until the video of our lives plays out in a different fashion Offering a radical shift in perspective Paula guides readers to a fresh discovery that the story of our lives may look vastly different than what we anticipated but that it's a good thing *Better Than My Dreams* charts a course that enables a woman to jettison her old baggage and to discover that what God is creating might be better than she ever dreamed for herself where fellowship with Christ rather than fulfillment of dreams is the real prize This deeper awareness that God knows what He's doing with our lives allows us to truly let go and enjoy the trip as we learn to live love and embrace whatever comes *Better Than My Dreams* helps women face their fear of disappointment deal with life's disturbing interruptions own their own stuff find the freedom to love difficult people *Singleness and Marriage after Christendom* Lina Toth, 2021-07-28 Momentous change is taking place in Western societies and churches Singleness is on the rise along with growing interest in different pathways to human happiness However we still largely consider coupledness as the norm and a symbol of the good life This is especially true in the Christian context where the decline of traditional marriage and family patterns is often presented as an erosion of the Christian way of

living Yet when the church was very young the world was also very concerned with the demise of traditional family ways but the culprits accused of destroying family values were none other than Christians A considerable number of them willingly chose to forego marriage embracing Jesus's vision of a new kind of a family the church This book follows the changes in the practice of marriage and singleness from those early days of the Christian movement to our modern preoccupation with romance and coupledness as essential ingredients of a happy fulfilled life It argues that the current surge in the number of single people is actually an opportunity for us to reconsider both singleness and marriage in the larger context of a community of faith

Celebrating the Single Life David Yount, 2009-02-24 American society is no longer defined by marriage Today an increasing majority of American households are headed by single men and women Even those Americans who do marry spend at least half of their adult lives alone Living on one's own presents unique challenges depending on one's age health and circumstances So the script for successful single living calls for different strategies for young adults the recently divorced single parents and those widowed or experiencing single life in later adulthood Here Dr Yount considers each group's special needs and challenges and offers a guide for leading a productive rewarding and fulfilling single life Single living he contends requires some core abilities overcoming loneliness reaching out to others developing faith in oneself and self respect keeping up with daily activities and maintaining good health security and a sense of humor This book helps readers learn to celebrate their single status and to find contentment and peace while living on their own These days if you are unmarried and pining for romance you are in a small minority Until recently most Americans considered single life to be a temporary situation during which one would simply wait for a soul mate to come along Those who remained unwed were pitied as bachelors and spinsters No longer These days most single men and women find autonomy in negotiating their way through life by relying on their own resources with marriage remaining one option but not an imperative Even those who do marry are getting married later and those who divorce or are widowed often choose to stay single With this trend toward singlehood increasing affirming the single life and making a success of it becomes all the more important Yount offers advice for creating a gratifying and happy single life at any stage and provides insight into those things that can contribute to a satisfying single lifestyle He pinpoints areas that often get ignored by singles and proposes solutions to some of the pitfalls that can lead to loneliness or unhappiness Leading a fulfilling single life is not only possible it can in fact be rewarding in itself and Yount shows readers how to lead productive and creative lives as modern singles

Transforming the Struggles of Tamars Lina Andronoviene, 2014-05-29 This book explores the unprecedented challenge of involuntary singleness for women and the implications of disregarding this challenge for the Christian and particularly baptistic communities of faith It argues that these communities not only fail involuntarily single women but also in so doing suffer a serious detriment to their own communal health and Christian witness Taking the challenge of involuntary singleness as a test case this book explores the method of convictional theology and argues for a holistic framework that can draw together the personal communal and

visionary spheres of human existence Although primarily a work of theological ethics it also draws from a number of different disciplines including cultural studies and sociology as well as intersections of science and theology *Ethereal Revelations - Volume I: Access to Another Dimension* Lizelle DuPlessis,2015-12-26 *Ethereal Revelations Volume I* is a moving account of how Lizelle at the end of pregnancy discovered another side to sex a spiritual side By starting to see the heavenly results of sex set off the ability to see a privilege with a cost the entire spiritual realm as contained in forthcoming volumes In *Ethereal Revelations Vol I Access to Another Dimension* the cost is prepaid via a traumatizing infidelity incident with devastating protracted aftermath causing a bizarre soul position that makes susceptibility to peculiar spiritual occurrences possible Undesirable ethereal revelations surface Many poignant discussions on appropriate sexual behavior re social implication secrets as evoked follow contributing to opening more channels Volume I starts this extraordinary journey in giving access to another dimension Patient open minded and enlightened readers in search of a different kind of spirituality the truth about the incorporeal world and supreme spirituality will be overawed [Three Story Bible NLT](#) Tyndale,Youth for Christ,2015-09-24 The Three Story Bible based on Youth for Christ s Three Story discipleship program encourages Christian teenagers to better understand how God s story overlaps with the story of their life and the lives of their friends resulting in deeper fellowship with each other and with God It s filled with 500 Connection Point Questions that inspire teens to read the Bible more closely and think about its application to their lives more carefully Over 150 Then Now features weave together the stories of young people today with Scripture in ways that equip teens to talk more openly about God and build deeper more genuine relationships with each other Relevant thought provoking and interactive the Three Story Bible invites teens to discover where their stories and God s story intersect through relational discipleship and engagement The New Living Translation breathes life into even the most difficult to understand Bible passages but even more powerful are stories of how people s lives are changing as the words speak directly to their hearts [New Peterson Magazine](#) ,1864 **“I Am with You Always”** Perla Apolonio,2020-02-17 Is God real If He is real who is He Where is He What is He like Does He see me Do I matter to Him This book contains the testimony of Perla Apolonio a true story of her supernatural encounter with the Lord Jesus Christ Perla was blessed to see the Lord Jesus Christ on June 8 2014 at a time when she was about to give in to temptation And sadly despite meeting the King of Kings she still yielded to sin At such a time when she deserved to be punished she was blessed to personally experience the love and grace of our forgiving God Instead of condemning her God has used this event to explain to her the truth about sin and its consequences and the depth of His love for all of us that He chose to die on the cross to save us from suffering for it After this event she also then started to receive other revelations about God s love for us which she also shares in this book And be sure of this I am with you always even to the end of the age Matthew 28 20 NLT **Harlequin Presents April 2018 - Box Set 1 of 2** Lynne Graham,Melanie Milburne,Andie Brock,Clare Connelly,2018-04-01 Harlequin Presents brings you a collection of four new titles This Presents box set includes
