Revolutions Trilogy:

The Revolutions Trilogy John Banville, 2000 This trilogy of novels concerned with outstanding Renaissance scientists appears for the first time in one volume DR COPERNICUS KEPLER and THE NEWTON LETTER **The A to Z of**

Postmodernist Literature and Theater Fran Mason, 2009-07-23 Postmodernist literature embraces a wide range of forms and perspectives including texts that are primarily self reflexive texts that use pastiche burlesque parody intertextuality and hybrid forms to create textual realities that either run in opposition to or in parallel with an external reality fabrications that develop both of these strategies texts that ironize their relationship to reality works that use the aspects already noted to more fully engage with political or cultural realities texts that deal with history as a fiction and texts that elude categorization even within the variety already explored For example in fiction a postmodernist novel might tell a story about a writer struggling with writing only perhaps to find that he is a character in a book by another writer struggling to write a book The A to Z of Postmodernist Literature and Theater examines the different areas of postmodernist literature and the variety of forms that have been produced This is accomplished through a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on individual postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty first century operates **Bloomsbury Good Reading Guide** Nick

Rennison, 2009-11-23 Deciding what to read next when you've just finished an unputdownable novel can be a daunting task The Bloomsbury Good Reading Guide features hundreds of authors and thousands of titles with navigation features to lead you on a rich journey through some of the best literature to grace our shelves **Historical Dictionary of Postmodernist**

Literature and Theater Fran Mason, 2016-12-12 The main aim of the book has been to include writers movements forms of writing and textual strategies critical ideas and texts that are significant in relation to postmodernist literature In addition important scholars journals and cultural processes have been included where these are felt to be relevant to an understanding of postmodernist writing This second edition of Historical Dictionary of Postmodernist Literature and Theater contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form This book is an excellent access point for students researchers and anyone wanting to know more about the postmodernist literature and theater **Migrant Revolutions** Valerie Kaussen, 2008-01-01 Migrant Revolution offers an overview of twentieth century Haitian literature placing its rich tradition in the context of transnational anti colonial politics

Kaussen argues that the anti colonial politics of Haitian modernist literature is based on the philosophies of human rights that drove the Haitian Revolution and further that Haitian literary modernity has continually challenged the world colonial order including the contemporary era of globalization

Elemental Encounters in the Contemporary Irish Novel Claire McGrail Johnston, 2019-12-19 The underlying premise of this book is that reading is touching Words leap out of their beds and pierce flesh like a knife Storytelling breathes within the dynamic of encounters with air fire earth and water permeated by emotion imagination and touch These ideas are contextualized within ancient community rituals social justice gatherings pedagogical practices and map making The four elements are retrieved from exile as imaginative corporeal and generative substances that operate within stories like medicine bundles Reading becomes a Deleuzian enterprise of health a challenging experience that grasps Paulo Freire's generative themes and is simultaneously thought provoking and valuable The capacious literary space capable of housing this sensual ferment is the novel More verb than noun the novel is an elemental bundle that engages with flesh in all its manifestations This book spotlights Irish novels by John Banville and Mary Morrissy exploring how they revitalise the elements with sensual social and tactile textures

The End of the Charter Revolution Peter J. McCormick, 2014-12-15 The Canadian Charter of Rights and Freedoms became an entrenched part of the Canadian Constitution on April 17 1982 The Charter represented a significant change in Canadian constitutional order and carried the courts and the Supreme Court in particular decisively into some of the biggest controversies in Canadian politics Although the impact of the Charter on Canadian law and society was profound a new status quo has been established Even though there will be future Charter surprises and decisions that will claim news headlines Peter J McCormick argues that these cases will be occasional rather than frequent and that the Charter revolution is over Or as he puts it in his introduction I will tell a story about the Charter about the big ripples that have gradually but steadily died away such that the surface of the

pond is now almost smooth The End of the Charter Revolution explores the Canadian Charter of Rights and Freedoms beginning with a general historical background followed by a survey of the significant changes brought about as Charter decisions were made The book addresses a series of specific cases made before the Dickson Lamer and McLachlin Courts and then provides empirical data to support the argument that the Charter revolution has ended The Supreme Court has without question become a national institution of the first order but even though the Charter is a large part of why this has happened it is not Charter decisions that will showcase the exercise of this power in the future **J.M. Coetzee's**

Austerities Graham Bradshaw, Michael Neill, 2016-05-06 Representing a wide range of critical and theoretical perspectives this volume examines J M Coetzee's novels from Dusklands to Diary of a Bad Year The choice of essays reflects three broad goals aligning the South African dimension of Coetzee's writing with his late modernist aesthetic exploring the relationship between Coetzee's novels and his essays on linguistics and paying particular attention to his more recent fictional experiments These objectives are realized in essays focusing on among other matters the function of names and etymology in Coetzee's fiction the vexed relationship between art and politics in apartheid South Africa the importance of film in Coetzee's literary sensibility Coetzee's reworkings of Defoe the paradoxes inherent in confessional narratives ethics and the controversial politics of reading Disgrace intertextuality and the fictional self consciousness of Slow Man Through its pronounced emphasis on the novelist's later work the collection points towards a narratological and linguistic reassessment of the Coetzee canon **100 Must-read Historical Novels** Nick Rennison, 2009-09-21 Historical fiction is a hugely popular genre of fiction providing fictional accounts or dramatizations of historical figures or events This latest guide in the highly successful Bloomsbury Must Reads series depicts 100 of the finest novels published in this sector with a further 500 recommendations A wide range of classic works and key authors are covered Peter Ackroyd Margaret Atwood Sarah Waters Victor Hugo and Robert Louis Stevenson to name a few If you want to expand your reading in this area or gain a deeper understanding of the genre this is the best place to start Inside you'll find An extended Introduction to historical fiction 100 titles highlighted A-Z by novel with 500 Read on recommendations Read on a theme categories Award winners and book club recommendations
