Robert Knetsch

Rhetoric Of Romantic Prophecy Cultural Memory In The Present:

The Rhetoric of Romantic Prophecy Ian Balfour, 2002 The Romantic era in England and Germany saw a sudden renewal of prophetic modes of writing Biblical prophecy and to a lesser extent classical oracle again became viable models for poetry and even for journalistic prose Notably this development arose out of the new found freedom of biblical interpretation that began in the mid eighteenth century as the Bible was increasingly seen to be a literary and mythical text Taking Walter Benjamin's thinking about history as a point of departure the author shows how the model for Romantic prophecy emerges less as a prediction of the future than as a call to change in the present even as it quotes at key turns texts from the past After surveying developments in eighteenth century biblical hermeneutics as well as the numerous instances of prophetic eruption in Romantic poetry the book culminates in close readings of works by Blake Hlderlin and Coleridge Each of these writers interpreted the Bible in strong variously radical and conservative ways and each reworked prophetic texts in often startling fashion The author's reading of Blake focuses on the complex temporal and rhetorical dynamics at work in a prophetic tradition with attention paid to the key mediating figure of Milton The chapter on Hlderlin investigates the truth claim of poetry and the consequences of Hlderlin's insight into the necessarily figural character of poetry The analysis of Coleridge correlates his theory of allegory and symbol with his theory and practice of political writing which often relies on mobilizing prophetic authority Together the readings force us to reexamine the claims and practices of Romantic poets and thinkers and their ideas and ideologies not without engendering some allegorical resonance with issues in our own time

The Poetics of Prophecy Yosefa Raz, 2023-12-21 Yosefa Raz reveals surprising entanglements between scholarly and poetic traditions in the project of reinventing prophecy This title is part of the Flip it Open Programme and may also be available Open Access Check our website Cambridge Core for details *A Darkened Reading* Robert Knetsch, 2014-09-09 The church in the West has subsisted for five hundred years in a state of ever increasing multiple identities many of which claim to be the best representation of the church established by Christ Often attending novel models of the church are new scriptural interpretive methods that support theological claims Rarely however has an exploration been undertaken to test the impact of this ecclesiological division on the reading of the Bible *A Darkened Reading* explores the specific case of the nineteenth century Church of England and competing interpretations of the book of the prophet Isaiah a book of great importance in theological history as a kind of parable of the existential anguish the church has experienced as a consequence of being torn apart

Blake on Language, Power, and Self-Annihilation J. Jones, 2010-05-24 Against a historical backdrop that includes eighteenth century language theory children's literature and education debates on the French Revolution Biblical interpretation and print culture *Blake on Language Power and Self Annihilation* breaks new ground in the study of William Blake This book analyzes the concept of self annihilation in Blake's work using the language theories of Mikhail Bakhtin to elucidate the ways in which his discourse was open to the viewpoints of others undermines institutional

authority and restores dialogue This book not only uncovers the importance of self annihilation to Blake s thinking about language and communication but it also develops its centrality to Blake s poetic practice *Veiled Intent* Natasha Duquette,2016-07-26 How were eighteenth century dissenting women writers able to ensure their unique biblical interpretation was preserved for posterity And how did their careful yet shrewd tactics spur early nineteenth century women writers into vigorous theological debate Why did the biblical engagement of such women prompt their commitment to causes such as the antislavery movement *Veiled Intent* traces the pattern of tactical moves and counter moves deployed by Anna Barbauld Phillis Wheatley Helen Maria Williams Joanna Baillie and Mary Anne Schimmelpenninck These female poets and philosophers veiled provocative hermeneutical claims and calls for social action within aesthetic forms of discourse viewed as more acceptably feminine forms of expression In between the lines of their published hymns sonnets devotional texts for children and works of aesthetic theory the perceptive reader finds striking theological insights shared from a particularly female perspective These women were not only courageously interjecting their individual viewpoints into a predominantly male domain of formal study biblical hermeneutics but also intentionally supporting each other in doing so Their publications reveal they were drawn to biblical imagery of embodiment and birth to stories of the apparently weak vanquishing the tyrannical on behalf of the oppressed and to the metaphor of Christ as strengthening rock **Book of the Songs of Israel** Yael Sela Teichler,2024-09-16 This annotated bilingual edition presents to readers for the first time a key Hebrew book of Jewish Enlightenment Printed in Berlin in 1791 Joel Bril s Hebrew introductions to Psalms constitute the earliest interpretation of Moses Mendelssohn s language philosophy translation theory and aesthetics In these introductions Mendelssohn emerges as a critic of Maimonides who located eternal felicity not in union with the Active Intellect but in the aesthetic experience of the divine through sacred poetry Bril s theoretical insights the broad range of his myriad textual sources and his linguistic innovations make the *Book of the Songs of Israel* a touchstone of modern Hebrew literary theory and Jewish thought **In Need of a Master** Dominik Finkelde,Rebekka Klein,2021-05-10 The volume *In Need of a Master* Politics Theology and Radical Democracy discusses how our so called postmodern age of widespread ideological critique paves the way for reactionary and conservative political movements At center stage is the question of whether these movements can and must be contrary to widespread beliefs among liberal elites interpreted both as a symptom of a political awakening in the horizon of political theology in our era of immanence as well as perhaps the perilous end of democracy as we know it The book brings to the fore political theology as the hidden agenda of politics and presents at the same time Christian and Jewish theological traditions as an antidote to a global empire with its often unacknowledged rule of immanence **The Matrix of Visual Culture** Patricia Pisters,2003 This book explores Gilles Deleuze s contribution to film theory According to Deleuze we have come to live in a universe that could be described as metacinematic His conception of images implies a new kind of camera consciousness one that determines our perceptions and sense of selves aspects of our

subjectivities are formed in for instance action images affection images and time images We live in a matrix of visual culture that is always moving and changing Each image is always connected to an assemblage of affects and forces This book presents a model as well as many concrete examples of how to work with Deleuze in film theory It asks questions about the universe as metacinema subjectivity violence feminism monstrosity and music Among the contemporary films it discusses within a Deleuzian framework are Strange Days Fight Club and Dancer in the Dark

The Politics of Aesthetics Marc Redfield,2003 This book suggests that modern cultural and critical institutions have persistently associated questions of aesthetics and politics with literature theory technics and Romanticism Its first section examines aesthetic nationalism and the figure of the body focusing on writings by Benedict Anderson J G Fichte and Matthew Arnold and arguing that uneasy acts of aestheticization of media technology and abjection of the maternal body undergird the production of the national body as imagined community Subsequent chapters on Paul de Man Friedrich Schlegel and Percy Shelley explore the career of the gendered body in the aesthetic tradition and the relationship among aesthetics technics politics and figurative language The author accounts for the hysteria that has characterized media representations of theory explains why and how Romanticism has remained a locus of extravagant political hopes and anxieties and in a sequence of close readings uncovers the anaesthetic condition of possibility of the politics of aesthetics
