Rhetorical Criticism And The Poetry Of The Of Job Oudtestamentische Studien D 3

Bruce Arnold

Rhetorical Criticism And The Poetry Of The Of Job Oudtestamentische Studien D 3:

Job Bruce Arnold, 2022-04-28 Most people think of the book of Job as an attempt to explain suffering but they fail to see the more important issue of God's righteousness and graciousness in bringing good out of evil The understanding offered in this book helps the reader focus accordingly on God's purpose in grace to bring Job to know Jehovah himself and his heavenly will that he might thereby be transformed and truly become a servant of God In this respect the book presents a paradigm of God's crucial work with all believers to make himself known to them through revelation and repentance that they might genuinely know him as their Redeemer and be one with his exalted will As is expressed throughout the Bible God warmly desires that all his people serve him The repentance that comes at the climax of the book is not the believer's repentance upon initial faith but the more crucial repentance of the mature believer for the kingdom of God God's purpose with our lives depends therefore on our understanding his will and knowing our God and his righteousness Job is an ordinary servant of God therefore as a pattern to all believers *Rhetorical Criticism and the Poetry of the Book of Job* Pieter Van der Lugt, 1995 This work provides a fresh approach to the overall framework of the poems we find in Job 3 42 6 and offers a new theory on the demarcation and meaning of the three speech cycles which give structure to this composition *American Book Publishing Record*, 1996 **Subject Guide to Books in Print**, 1997 Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **Whitaker's Books in Print**, 1998 *Index to Book Reviews in Religion*, 1999 1997, □□□ □□□□ **Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen**, 1996 Theologische revue, 1975
