The Dynamics of Imagery Qaiser Zoha Alam,1994 Talking Metaphorically Or Obliquely Is Generally Held To Be Natural With Indians Indian Writers In English Are Primarily Concerned With Reality As Experienced In India That Is Perhaps Their Major Preoccupation The Author Has Collected And Categorized Here Different Types Of Similes And Metaphors Mainly From Indo English Fiction A Brief Note On Imagery In Indo English Poetry Has Been Added In The Past Few Years There Has Been An Upsurge Of Interest In Indo English Writing However No Full Length Study On Imagery Has Yet Appeared For These Writers Imagery Has Been An Important Vehicle Of Perception *In Search of King Solomon's Mines, paperback edition* Tahir Shah,2013-09 For more than a century Henry Rider Haggard s novel King Solomon s Mines has inspired generations of young men to set forth in search of adventure But long before Rider Haggard s classic explorers theologians and scientists scoured the known world for the source of King Solomon s astonishing wealth Taking his leads from a mixture of texts including The Septuagint the earliest known form of the Bible as well as using geological geographical and folkloric sources Tahir Shah sets out in search for Solomon s gold mines For him the obvious place to look is Ethiopia in the horn of Africa On the ensuing journey Shah discovers a massive illegal gold mine itself like something out of the Old Testament with thousands of men women and children digging with their hands But the hardest leg of the journey is to the cursed mountain of Tullu Wallel where legend says there lies an ancient shaft once the entrance to Solomon s mines **Girls Like Us** Sheila Weller,2008-04-08 A groundbreaking and irresistible biography of three of America s most important musical artists Carole King Joni Mitchell and Carly Simon charts their lives as women at a magical moment in time Carole King Joni Mitchell and Carly Simon remain among the most enduring and important women in popular music Each woman is distinct Carole King is the product of outer borough middle class New York City Joni Mitchell is a granddaughter of Canadian farmers and Carly Simon is a child of the Manhattan intellectual upper crust They collectively represent in their lives and their songs a great swath of American girls who came of age in the late 1960s Their stories trace the arc of the now mythic sixties generation female version but in a bracingly specific and deeply recalled way far from clich The history of the women of that generation has never been written until now through their resonant lives and emblematic songs Filled with the voices of many dozens of these women s intimates who are speaking in these pages for the first time this alternating biography reads like a novel except it s all true and the heroines are famous and beloved Sheila Weller captures the character of each woman and gives a balanced portrayal enriched by a wealth of new information Girls Like Us is an epic treatment of midcentury women who dared to break tradition and become what none had been before them confessors in song rock superstars and adventurers of heart and soul **HIV/AIDS in Young Adult Novels** Melissa Gross,Annette Y. Goldsmith,Debi Carruth,2010-10-11 Not long after becoming public health concerns in the 1980s HIV and AIDS were featured in a number of works of fiction though such titles were written primarily for adult readers Mirroring the disease s indiscriminate nature however the subject would

soon be incorporated into novels aimed at young adults Despite a need for accessible information on the subject it is difficult to identify fiction that contains material about HIV AIDS as these books are seldom catalogued for this content nor is this content consistently acknowledged in published reviews In HIV AIDS in Young Adult Novels An Annotated Bibliography the authors address this gap by identifying and assessing the full range of young adult novels that include HIV AIDS content This resource is comprised of two major parts The first part summarizes findings from a content analysis performed on novels written for readers aged 11 19 published since 1981 and featuring at least one character with HIV AIDS The second part is an annotated bibliography of the more than 90 novels identified for use in the study Each entry in the bibliography contains an annotation that summarizes the plot and how HIV AIDS is depicted in the story an indication of the accuracy of the HIV AIDS content a note on how central HIV AIDS is to the story and an evaluation of the literary quality of the book This work will assist readers in collecting choosing evaluating and using these works to educate readers about HIV AIDS **Not Like**
