Gibbs,2013-08-16 During the first decade of the new millennium one of the most popular features in the community paper The Wilmington Spectator was the Visit with Uncle Richard series Written by Spectator columnist and editor Pat Gibbs the Uncle Richard character was based on Pat s actual uncle who nicknamed him Bubby The stories and adventures of Uncle Richard are legendary in the city of Wilmington Delaware Though Uncle Richard left us some years ago his favorite and only nephew kept his memory alive after Uncle Richard s passing The Wilmington Spectator shut down its presses in 2007 but Uncle Richard s fans have never forgotten him Now we can enjoy Uncle Richard s shenanigans for years to come in this enjoyable compilation The House by the Churchyard Sheridan Le Fanu,2007-07 Set in the village of Chapelizod near Dublin in the 1760s the story opens with the accidental disinterment of an old skull in the churchyard and an eerie late night funeral This discovery relates to murders both recent and historical whose repercussions disrupt the complacent pace of village affairs **The House by the Church-Yard** Joseph Sheridan Le Fanu,2019-11-20 In The House by the Church Yard Joseph Sheridan Le Fanu masterfully weaves a tapestry of Gothic horror and psychological drama set against the backdrop of a small Irish village The novel employs a rich atmospheric prose style interspersed with elements of dark humor and pathos capturing the complexities of human desires and fears The interplay between the supernatural and the mundane reflects the Victorian preoccupation with death an anxiety heightened by the turbulent social and political landscape of 19th century Ireland Through its intricate characterizations and interlacing narratives Le Fanu not only entertains but also invites profound reflection on mortality and legacy Le Fanu a contemporary of literary giants such as

Charles Dickens was deeply influenced by the folklore and eerie tales of his Irish heritage His background in Gothic fiction and his passion for exploring the uncanny enabled him to craft this profound narrative which combines local color and cultural critiques An adept journalist and playwright Le Fanu s works often engage with themes of madness and the supernatural stemming from his keen interest in the psychological intricacies of human nature Readers who appreciate finely tuned narratives rich in atmosphere and psychological depth will find *The House by the Church Yard* both captivating and intellectually stimulating The novel stands as a significant contribution to the Gothic genre offering not just thrilling encounters with the unknown but also a poignant exploration of the human condition making it essential for enthusiasts of classic literature
