Library, 1992 Thinking Long Liam Kelly, 1996 James Joyce and the Arts, 2020-04-20 Joyce's art is an art of idiosyncratic transformation revision and recycling More specifically the work of his art lies in the act of creative transformation the art of the paste that echoes Ezra Pound's urge to make it new The essays in this volume examine various modalities of the Joycean aesthetic metamorphosis be it through the prism of Joyce engaging with other arts and artists or through the prism of other arts and artists engaging with the Joycean aftermath We have chosen the essays that best show the range of Joycean engagement with multiple artistic domains in a variety of media Joyce's art is multiform and protean influenced by many it influences many others *Artbibliographies Modern*, 2004
