exclusively on the characters action of the moment This helps catch children s attention and makes the books more popular with children than similar children s books Despite its simplicity Scarry s work was not devoid of controversy He illustrated his stories using animals who wore clothes suited to what they were doing However until the late 1970s all of his female characters wore dresses and all his male characters wore pants In addition female characters dressed exactly like male ones if they were engaging in activities that were traditionally male oriented While Scarry maintained that there were no gender based undertones to his work and that he believed anyone who was doing certain activities such as driving a truck would wear similar clothes his attitudes did not sit well with some feminists Ebony Jr. ,1979-11 Created by the publishers of EBONY During its years of publishing it was the largest ever children focused publication for African Americans
