Richard Strauss Man Musician Enigma

Linda Hutcheon, Michael Hutcheon

Richard Strauss Man Musician Enigma:

Richard Strauss Michael Kennedy, 1999-01-13 Was Richard Strauss the most incandescent composer of the twentieth century or merely a bourgeoisie artist and Nazi sympathizer For the fifty years since his death on September 8 1949 Richard Strauss has remained dogmatically elusive in the wider body of musical and historical criticism Lauded as nothing less than the greatest musical figure of his time by Canadian musician Glenn Gould in 1962 Strauss also has attracted his share of posthumous epithets in summary an artist who lived off his own fat during his later years As recently as 1995 the English critic Rodney Milnes wrote the court of posterity is still reserving judgment In *Richard Strauss Man Musician Enigma* biographer Michael Kennedy demonstrates that the many varying shades of criticism that have painted this figure in the past half century resemble the similar understandings and misunderstandings held by his contemporaries perceptions that touched almost every aspect of Strauss life and career Introducing his detailed work more as a broad explication than a firm answer to the Straussian riddle Kennedy's scope includes the exuberant extroverted Strauss of young adulthood as well as the phlegmatic and aloof middle aged man who resembled a prosperous bank manager the arch fiend of modernism and the composer who redefined the term a man who professed to lack all spiritual curiosity and a musician who penned the touching ballet *Der Kometentanz* an at times almost humble family man and an artist who claimed to be as interesting as Napoleon and Alexander the Great Kennedy clearly elucidates his enigmatic subject by building his analysis around the few constants in Strauss life his profound admiration for German culture his dependence on his own family for guidance and his Nietzschean total absorption in art This frame offers everyone from Straussian scholars to general readers an insightful and easy to follow biographical narrative Kennedy also deals at length with Strauss problematic relationship with Nazi authorities detailing his incompatible roles as the father in law of a Jewish woman and as one of the country's leading composers Michael Kennedy is the chief music critic of the London Sunday Telegraph and the author of many books about music

Richard Strauss, 1999 Richard Strauss Michael Kennedy, 1995 Second edition includes expanded biographical section and discussion of Strauss's music Richard Strauss's long life spanned nearly a century from the consolidation of Wagner's fame in the 1860s to the age of post serialism and the dawn of electronics when he died in 1949 For 79 of his 85 years he composed songs chamber music a series of brilliant tone poems and the great ballets and operas which he created for the legendary stars of Dresden and Vienna He was also one of the outstanding conductors of his time directing opera companies in Weimar Munich Berlin and Vienna His life was rich in controversy from the outrage caused by the operas *Salome* and *Elektra* to the years under the Nazi regime In his survey of the music rejecting the generally accepted view that Strauss's genius declined in his middle years Michael Kennedy traces refinements of style from the early 1920s to Strauss's late works The first edition of this book was published by Dent in 1976 The Cambridge Companion to Richard Strauss Charles Youmans, 2010-11-18 Richard Strauss is a composer much loved among audiences throughout the world both in the opera

house and the concert hall Despite this popularity Strauss was for many years ignored by scholars who considered his commercial success and his continued reliance on the tonal system to be liabilities However the past two decades have seen a resurgence of scholarly interest in the composer This Companion surveys the results focusing on the principal genres the social and historical context and topics perennially controversial over the last century Chapters cover Strauss s immense operatic output the electrifying modernism of his tone poems and his ever popular Lieder Controversial topics are explored including Strauss s relationship to the Third Reich and the sexual dimension of his works Reintroducing the composer and his music in light of recent research the volume shows Strauss s artistic personality to be richer and much more complicated than has been previously acknowledged Richard Strauss's Orchestral Music and the German Intellectual Tradition Charles Youmans,2005-07-07 A study of Strauss s orchestral activity from the perspective of late 19th century German intellectual history *Four Last Songs* Linda Hutcheon,Michael Hutcheon,2015-05-22 Aging and creativity can seem a particularly fraught relationship for artists who often face age related difficulties as their audience s expectations are at a peak In *Four Last Songs* Linda and Michael Hutcheon explore this issue via the late works of some of the world s greatest composers Giuseppe Verdi 1813 1901 Richard Strauss 1864 1949 Olivier Messiaen 1908 92 and Benjamin Britten 1913 76 all wrote operas late in life pieces that reveal unique responses to the challenges of growing older Verdi s Falstaff his only comedic success combated Richard Wagner s influence by introducing young Italian composers to a new model of national music Strauss on the other hand struggling with personal and political problems in Nazi Germany composed the self reflexive *Capriccio* a life review of opera and his own legacy Though it exhausted him physically and emotionally Messiaen at the age of seventy five finished his only opera *Saint Fran ois d Assise* which marked the pinnacle of his career Britten meanwhile suffering from heart problems refused surgery until he had completed his masterpiece *Death in Venice* For all four composers age far from sapping their creative power provided impetus for some of their best accomplishments With its deft treatment of these composers final years and works *Four Last Songs* provides a valuable look at the challenges and opportunities that present themselves as artists grow older **The Fall of the House of Speyer** George W. Liebmann,2015-08-06 The dramatic story of the last fifty years of the Speyer banking dynasty a Jewish family of German descent is surprisingly little known today yet at the turn of the 20th century Speyer was the third largest investment banking firm in the United States behind only Morgan and Kuhn Loeb It had branches in London Frankfurt and New York and the projects it financed included the Southern Pacific Railroad the London Underground and the infrastructure of the new Cuban republic Later it was the first major banking firm to finance Germany s Weimar Republic as well as providing League of Nations loans to Hungary Greece and Bulgaria Yet the firm was doomed by the nationalist passions aroused by World War I Its English partner was denaturalised and exiled its American partner enjoyed reduced standing because of his connection to Germany and the Frankfurt branch closed with the coming of the Third Reich its German partner fleeing into exile The firm

was dissolved in 1939 a surprisingly anticlimactic end to one of the great international banking companies of modern times George W Liebmman here tells the story of the firm and the family shedding new light on the protagonists of a remarkable dynasty who came undone in the dramatic years of the early 20th century *In the Public Eye* Markian

Prokopovych,2014-08-19 During the 1884 inauguration of the Royal Hungarian Opera House in Budapest political elites staged a gala concert in the auditorium while the angry crowd excluded from this ceremony demonstrated on the street In 1917 the crowds queuing to a B la Bart k premiere needed to be forcibly held back The book follows the history of the contested institution through a series of scandals public protests repertoire controversies and their representation in the urban press of the time Such conflicts often led to larger issues that concerned the Opera House as a music institution the birth of the modern public sphere and the modern audience Thereby the book calls for a critical rethinking of the cultural history of Budapest and Hungary in the late Habsburg Monarchy The Lives and Times of the Great Composers Michael Steen,2011-07-01 A glorious plum pudding of a book to be consulted with pleasure and profit over and over again Sir Jeremy Isaacs Michael Steen s Great Composers was originally published in 2003 A lifetime s work and almost 1000 pages long it has since become the reference point and key read on the biographical backgrounds to classical music s biggest names Authoritative and hugely detailed but nonetheless a joy to read this new edition will expand its readership further and capitalise on a newfound popular interest in classical music Steen s book helps you explore the story of Bach the respectable burgher much of whose vast output was composed amidst petty turf disputes in Lutheran Leipzig or the ugly argumentative Beethoven in French occupied Vienna obsessed by his laundry or Mozart the over exploited infant prodigy whose untimely death was shrouded in rumour Read about Verdi who composed against the background of the Italian Risorgimento or about the family life of the Wagners and Brahms who rose from the slums of Hamburg to become a devotee of beer and coffee in fin de siecle Vienna a cultural capital bent on destroying Mahler and much much more *Lies and Epiphanies* Chris Walton,2014 Lies and Epiphanies offers case studies of inspiration in five composers Their own tales of their epiphanies played a determining role in the reception history of their works the finale of Mahler s Second Symphony was supposedly inspired by a lightning bolt of inspiration at the funeral of Hans von Bulow while Alban Berg s Violin Concerto was purportedly his direct response to the tragic early death of Alma Mahler s daughter Chris Walton looks behind these lightning bolts to explore instead the composers dual roles a

Right here, we have countless books **Richard Strauss Man Musician Enigma** and collections to check out. We additionally have enough money variant types and along with type of the books to browse. The gratifying book, fiction, history, novel, scientific research, as capably as various additional sorts of books are readily welcoming here.

As this Richard Strauss Man Musician Enigma, it ends up instinctive one of the favored books Richard Strauss Man Musician Enigma collections that we have. This is why you remain in the best website to look the amazing book to have.
