

Richard Attenborough

Andy Dougan

Richard Attenborough:

Entirely Up to You, Darling Richard Attenborough, Diana Hawkins, 2008 Autobiography **In Search of Gandhi** Richard Attenborough, 1982 In Search Of Gandhi Is The Story Of The Bizarre Humorous Tragic And Convuluted events Which Richard Attenborough Experienced In The Years That Followed The Book Is Illustrated Throughout With Archive Material Black And White Photographs Shot During The Making Of The Film And Full Colour Stills Which Tell The Story Of Gandhi Condition Good *The Actors' Director* Andy Dougan, 1994 To mark his silver anniversary as a director Lord Attenborough speaks at length about his career behind the camera **Richard Attenborough** Sally Dux, 2016-05-16 Richard Attenborough's film career has stretched across seven decades surprisingly Sally Dux's book is the first detailed scholarly analysis of his work as a filmmaker Concentrating on his work behind the camera she explores his initial role as a producer including his partnerships with Bryan Forbes in Beaver Films 1959-64 and with Allied Film Makers 1960-64 As we know Attenborough went on to direct twelve films many of which achieved great acclaim most notably Gandhi which won eight Academy Awards in 1982 Attenborough is most renowned for his biographical films including Young Winston Cry Freedom Chaplin and Shadowlands which helped to establish the genre within British cinema Although his work has often attracted controversy particularly regarding the representation of individuals and historical events his films are noted for extracting acclaimed performances from unknown actors such as Ben Kingsley Gandhi while maintaining his moral and thematic concerns

Richard Attenborough's Cry Freedom Richard Attenborough, 1987 Snippets of Richard Attenborough Dave Farnham, 2014-09-10 In a long and productive life Lord Richard Attenborough Lord Dickie as he was affectionately known was notable for many achievements As an actor his face became familiar in such films as Private's Progress The Great Escape and Jurassic Park As a director he achieved widespread acclaim for Oh What A Lovely War Gandhi and Cry Freedom In both roles he gained many awards and an impressive list of honours He was a noted philanthropist member of the House of Lords campaigner for human rights and social justice and involved in a great number of charitable works In short he managed to pack the achievements of several lifetimes into his ninety years This book drawing on quotes from many people and a variety of sources gives an insight into his unique personality **Richard Attenborough** David Castell, 1984 *Showman of the Screen* A. T. McKenna, 2016-11-01 Short immaculately dressed and shockingly foul mouthed Joseph E Levine 1905-1987 was larger than life He rose from poverty in Boston's West End to become one of postwar Hollywood's most prolific independent promoters distributors and producers Alternately respected and reviled this master of movie promotion was responsible for bringing films as varied as Godzilla King of the Monsters 1956 Hercules 1958 The Graduate 1967 The Lion in Winter 1968 and A Bridge Too Far 1977 to American audiences In the first biography of this controversial pioneer A T McKenna traces Levine's rise as an influential packager of popular culture He explores the mogul's pivotal role in many significant industry innovations from the 1950s to the 1970s examining his use of saturation release tactics and bombastic advertising campaigns

Levine was also a trailblazer in promoting European art house cinema in the 1960s He made Federico Fellini's 1963 a hit in America feuded with Jean Luc Godard over their production of *Contempt* 1963 and campaigned aggressively for Sophia Loren to become the first actress to win an Oscar for a foreign language performance for her role in *Two Women* 1960 Despite his significant accomplishments and prominent role in shaping film distribution and promotion in the post studio era Levine is largely overlooked today McKenna's in depth biography corrects misunderstandings and misinformation about this colorful figure and offers a sober assessment of his contributions to world cinema It also illuminates Levine's peculiar talent for movie and self promotion as well as his extraordinary career in the motion picture business *From the Margins of History* Hasmukh Shah, 2023-06-14 Accounts of men who have had led significant lives can often be well meaning but little more than a litany of personal achievements strung together in chronology In the hands of someone like Hasmukh Shan the memoir turns into a rich tapestry or sharp insightful observations evocative accounts or people from across a dazzlingly broad spectrum an inside view of events of great significance and a self deprecatory glimpse into the author's own contributions This candid recalling of a life begins quietly in a little known princely state but goes on to dive into the political waters in the capital of India Hasmukh Shah it seems entered calamitous times somewhat by accident His remarkable journey beginning with a modest background brings him to the job of administering the office of the prime minister of India and later at the helm of one of India's largest public sector His post retirement life is extraordinary all told as mesmerising stories peppered with cameos from the some giants of that time **Swaraj and the Reluctant State** K.B. Saxena, 2020-11-02 This book traces the historical roots of marginalization of Dalits Adivasis Muslims and Women in Indian Society and appraises the role of the State in combating the widespread discrimination faced by them in society economy politics and governance and in their own struggles for dignity and social justice Please note This title is co published with Aakar Books New Delhi Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh Maldives and Sri Lanka
