Naval Hero from Magnolia Grove

Harvey Rosenfeld

Richmond Pearson Hobson Naval Hero From Magnolia Grove

Ron Rubin

Richmond Pearson Hobson Naval Hero From Magnolia Grove:

Richmond Pearson Hobson Harvey Rosenfeld, 2001 [The National Register of Historic Places](#) , [A Jewish Professor's Political Punditry](#) Ron Rubin, 2013-06-17 This publication is a collection of Ron Rubin's published writings amassed over his decades long career. With articles ranging from those written for a college newspaper during his years as an undergraduate to more recent pieces published on the national level this anthology provides an extensive look at the contemporary issues that have influenced the Jewish community. The author addresses a wide variety of topics including American Jewish political and social behavior, Israel among the nations, Soviet anti-Semitism and political and public personalities who have had an impact on or been affected by the Jewish world. **Alabama Off the Beaten Path®** Jackie Sheckler Finch, Gay N.

Martin, 2014-09-02 Tired of the same old tourist traps. Whether you're a visitor or a local looking for something different, let Alabama Off the Beaten Path show you the Alabama you never knew existed. Go spelunking and discover stalagmitic formations at Cathedral Caverns. Take a walk through history at Fort Morgan, then hop the Mobile Bay Ferry for Fort Gaines. Rejoice if you are a fan of Hank Williams and follow the country music legend through the Alabama Music Hall of Fame to the life-size statue of Hank Williams, then to the Hank Williams Museum and Hank Williams Sr. Boyhood Home and Museum. So if you've been there done that one too many times, get off the main road and venture Off the Beaten Path. **Alcohol and**

Temperance in Modern History Jack S. Blocker Jr., David M. Fahey, Ian R. Tyrrell, 2003-12-17 A comprehensive encyclopedia on all aspects of the production, consumption, and social impact of alcohol. *Alcohol and Temperance in Modern History* An International Encyclopedia spans the history of alcohol production and consumption from the development of distilled spirits and modern manufacturing and distribution methods to the present. Authoritative and unbiased, it brings together the work of hundreds of experts from a variety of disciplines with an emphasis on the extraordinary wealth of scholarship developed in the past several decades. Its nearly 500 alphabetically organized entries range beyond the principal alcoholic beverages and major producers and retailers to explore attitudes toward alcohol in various countries and religions, traditional drinking occasions and rituals, and images of drinking and temperance in art, painting, literature, and drama. Other entries describe international treaties and organizations related to alcohol production and distribution, global consumption patterns, and research and treatment institutions, as well as temperance prohibition and antiprohibitionist efforts worldwide.

Frustrated Ambition Richard Bruce Meixsel, 2018-02-15 Vicente Podico Lim 1888-1944 was once his country's best known soldier. The first Filipino to graduate from West Point and a graduate of the U.S. Army War College, Lim figured in every significant military development in the Philippines during his thirty years in uniform. *Frustrated Ambition* is the first in-depth biography of this forgotten figure whose career paralleled the early twentieth-century history of the Philippine military. As independence seemed increasingly likely for the Philippines in the 1930s, Lim positioned himself to take a leading role in developing armed forces for a sovereign nation. But as Lim maneuvered behind the scenes, Manuel L. Quezon soon to be the

commonwealth president revealed that he had invited General Douglas MacArthur to serve as military adviser to the Philippines. *Frustrated Ambition* corrects the conventional historical narrative of events thereafter, one that emphasizes the failure of the nascent Philippine military under MacArthur and inflates the general's heroic role in the defense of Bataan and Corregidor. Richard Bruce Meixsel restores Lim as the then-recognized leader of the opposition to MacArthur's mission and shows how Lim took the Philippine Army in a more tenable direction as MacArthur's military system foundered. World War II brought Lim to the fore. While MacArthur directed his troops from Corregidor, Lim commanded a division on Bataan that may have suffered more combat losses at the battle of Abucay than did all American units on Bataan during the entire campaign. When the U.S. high command turned its efforts to evacuating the Philippine Islands, Lim began to prepare for the ensuing underground struggle against the Japanese, a fight that cost him his life. By recounting Vicente Lim's career, *Frustrated Ambition* illuminates forgotten episodes in Philippine history, offers new perspectives on military affairs during the American occupation, and recovers the story of Filipino soldiers whose service changed the course of their country's military history.

Alcohol and Drugs in North America David M. Fahey, Jon S. Miller, 2013-08-27 Alcohol and drugs play a significant role in society regardless of socioeconomic class. This encyclopedia looks at the history of all drugs in North America, including alcohol, tobacco, prescription drugs, cannabis, cocaine, heroin, methamphetamine, and even chocolate and caffeinated drinks. This two-volume encyclopedia provides accessibly written coverage on a wide range of topics covering substances ranging from whiskey to peyote, as well as related topics such as Mexican drug trafficking and societal effects caused by specific drugs. The entries also supply an excellent overview of the history of temperance movements in Canada and the United States, trends in alcohol consumption, its production, and its role in the economy, as well as alcohol's and drugs' roles in shaping national discourse, the creation of organizations for treatment and study, and legal responses. This resource includes primary documents and a bibliography offering important books, articles, and Internet sources related to the topic. Deep South

Dynasty Kari A. Frederickson, 2021-11-23 The sweeping story of an ambitious and once powerful southern family. **Why Do We Still Have the Electoral College?** Alexander Keyssar, 2020-07-31 The Electoral College has always been controversial. A compromise measure from day one, it has been a target of reformers in Congress since the early 1800s. Why has it persisted? Alexander Keyssar catalogs the many serious efforts to change the system, explains why they failed, and surveys the options for achieving a more democratic national vote. **Reforming the World** Ian Tyrrell, 2010 *Reforming the World* offers a sophisticated account of how and why, in the late nineteenth and early twentieth centuries, American missionaries and moral reformers undertook work abroad at an unprecedented rate and scale. Looking at various organizations such as the Young Men's Christian Association and the Student Volunteer Movement for Foreign Missions, Ian Tyrrell describes the influence that the export of American values had back home and explores the methods and networks used by reformers to fashion a global and nonterritorial empire. He follows the transnational American response to internal pressures, the European colonies,

and dynamic changes in global society Examining the cultural context of American expansionism from the 1870s to the 1920s Tyrrell provides a new interpretation of Christian and evangelical missionary work and he addresses America s use of soft power He describes evangelical reform s influence on American colonial and diplomatic policy emphasizes the limits of that impact and documents the often idiosyncratic personal histories aspirations and cultural heritage of moral reformers such as Margaret and Mary Leitch Louis Klopsch Clara Barton and Ida Wells The book illustrates that moral reform influenced the United States as much as it did the colonial and quasi colonial peoples Americans came in contact with and shaped the architecture of American dealings with the larger world of empires through to the era of Woodrow Wilson Investigating the wide reaching and diverse influence of evangelical reform movements Reforming the World establishes how transnational organizing played a vital role in America s political and economic expansion
