Richmond An Illustrated History:

Richmond Harry M. Ward,1985 *The Chesapeake & Ohio Railway Directory, Containing an Illustrated History and Description of the Road ...* ,1882 **Richmond** Charles Poindexter,2009-04-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

The Richmond Slave Trade Jack Trammell,2013-11-12 This historical study examines the slave trade in Richmond Virginia and its impact on the city s economy culture and politics Richmond s 15th Street was known as Wall Street in antebellum times and like its New York counterpart it was a center of commerce But the business done here was unspeakable and the scene heart wrenching With over sixty nine slave dealers and auction houses the Wall Street area saw tens of millions of dollars and countless human lives change hands fueling the southern economy Local historian and author Jack Trammell traces the history of the city s slave trade from the origins of African slavery in Virginia to its destruction at the end of the Civil War Stories of seedy slave speculators and corrupt traders are placed alongside detailed accounts of the economic political and cultural impact of a system representing the most immense concentrated human suffering in our nation s history **Monument Avenue** Kathy Edwards,1992 **Richmond's Unhealed History** Benjamin P. Campbell,2012 In a detailed look at the history of Richmond Benjamin Campbell examines the contradictions and crises that have formed the city over more than four centuries Campbell argues that the community of metropolitan Richmond is engaged in a decisive spiritual battle in the coming decade He believes the city more than any in the nation has the potential for an unprecedented and historic achievement Its citizens can redeem and fulfill the ideals of their ancestors proving to the world that race and class can be conquered by the deliberate and prayerful intention of honest and dedicated citizens

Tredegar Iron Works: Richmond's Foundry on the James Nathan Vernon Madison,2015-11-30 One of the most important industrial landmarks in the nation lies in the heart of historic Richmond The Tredegar Iron Works was the most prodigious ordnance supplier to the Confederacy during the Civil War as well as an industrial behemoth in its own right Named for the hometown of the Welsh engineers who built it Tredegar remained one of Richmond s chief industrial entities for over a century It produced ordnance during five wars and helped build the railroads that rapidly spread across the nation during the Gilded Age Author Nathan Vernon Madison utilizing a wealth of primary sources and firsthand accounts chronicles the full history of a Richmond industrial icon *Richmond* Charles Poindexter,1896 **Reference Catalogue of the Reynolds Library, Rochester, N.Y.** Reynolds Library,1898 **Burying the Dead but Not the Past** Caroline E. Janney,2012-02-01 Immediately after the Civil War white women across the South organized to retrieve the remains of Confederate soldiers In Virginia alone these Ladies Memorial Associations LMAs relocated and reinterred the remains of more than 72 000 soldiers

Challenging the notion that southern white women were peripheral to the Lost Cause movement until the 1890s Caroline Janney restores these women as the earliest creators and purveyors of Confederate tradition Long before national groups such as the Woman s Christian Temperance Union and the United Daughters of the Confederacy were established Janney shows local LMAs were earning sympathy for defeated Confederates Her exploration introduces new ways in which gender played a vital role in shaping the politics culture and society of the late nineteenth century South
