A Ride Into Morning Ann Rinaldi, 1995-01-01 When unrest spreads at the Revolutionary War camp in Morristown New Jersey under the command of General Anthony Wayne a young woman cleverly hides her horse from the mutinous soldiers who have need of it

The Last Ride in to Readville Michael Boudreau, 2019-03-20 When they talk about it now the Boudreau siblings will say all the moving they did as children left them lacking their own true sense of place all thanks to their crazy parents But all those moves are just a part of this story After surviving physical and psychological abuse and more than seventy moves all around Boston by age eighteen Michael Boudreau escaped into the wild blue yonder before returning home after thirty years His father had long died his mother's psychological grip remained firm and his several siblings were still coping with bitter feelings they held toward them both Most of them were mired in painful memories but clinging with a vanishing hope that somehow Ma would show contrition and offer penance for herself and her late husband Nevertheless the author jumped back into the center of his sideways family in hopes of helping them all including himself to find answers healing and maybe even forgiveness

A Ride Into Morning , **A Ride in Egypt** William John Loftie, 2017 Mr Loftie's very pleasant book relates strictly speaking to an excursion from Siout to Luxor undertaken by the author and three friends in 1879 but it includes as well some entertaining notes en route from England to the East and a number of instructive chapters on Cairo and its environs The Ride proper which was taken mostly on donkey back conducted the party a little aside from the hackneyed track and to some of the less well known points of archaeological interest notably to the ruins of This or Thinis claimed by modern Egyptologists as the cradle of ancient monarchy Nothing fresher or more entertaining on the subject of Egypt has appeared for a long time back than this well considered volume Mr Loftie gives us much that is curious as well as entertaining with regard to antiquities history and the humors of the road and makes a little gentle fun of the school headed by Mr Piazzi Smith which professes to have discovered so much of the secret of the great Pyramid and he deserves special credit for his forcible and manly exposure of the misdoings and misgovernment of the Khedive who was at that time still the shielded pet of English stockholders and of the terrible results of his maladministration as evidenced by the Fellah famine

Ride into Danger Wayne D. Overholser, They were all out to get Lee

Starbuck If the Indians didn't kill him his best friend would shoot him in the back STARBUCK WAS FED UP WITH KILLING He had promised Melissa that his days of courting danger were over But there was a troop of soldiers trapped by the marauding Utes and someone had to light out for help It was going to be one hell of a ride through territory crawling with scalp hungry Indians and murdering whites where every blazing bullet had Lee Starbuck's name written on it RIDE INTO DANGER A slam bang novel of the Old West Three time Winner of the Spur Award Wayne D Overholser Author of West of the Rimrock and Draw or Drag Ride a Cockhorse Raymond Kennedy, 2012-06-19 A revolution is under way at a once sleepy New England bank Forty five year old Frances Fitzgibbons has gone from sweet tempered loan officer to insatiable force of nature almost overnight Suddenly she's brazenly seducing the high school drum major taking over her boss's office firing anyone who crosses her inspiring populist fervor and publicly announcing plans to crush her local rivals en route to dominating the entire banking industry in the northeast The terrifying new order instituted by Frankie and her offbeat goon squad led by her devoted hairdresser and including her own son in law is an awesome spectacle to behold Brimming with snappy dialogue and gleeful obscenity Ride a Cockhorse is a rollicking cautionary tale of small town demagoguery that might be seen to prefigure both America's current financial woes and the rise of Sarah Palin Frances is in any case a beautiful monster of an antiheroine resist her at your peril **Ride into the Sun** Patric Verrone, The heroic story of a teenager who took on one of the world's greatest generals For his entire life the Roman Empire had been at war And now the shrewd African general Hannibal had implausibly navigated his herd of elephants over the Alps leaving thousands dead in his wake For historians it would become one of the most important wars of all time For Scipio Africanus it was personal But before Scipio could fight for his beloved Republic he had to battle his cynical and duplicitous enemies at home Consistently underfunded and undermanned Scipio accepted the posts no other soldier would dare take Guided by ingenuity prudence charisma and a thirst for revenge he traversed sea and land to unite warring princes indigenous chiefs tribal horsemen and his enemy's closest allies into an unpredictable and dangerous coalition To defeat the greatest general of his time the boy needed to become the greatest *A Most Glorious Ride* Edward P. Kohn, 2014-12-12 Encompasses key years and important events in Theodore Roosevelt's early life and career A Most Glorious Ride presents the complete diaries of Theodore Roosevelt from 1877 to 1886 Covering the formative years of his life Roosevelt's entries show the transformation of a sickly and solitary Harvard freshman into a confident and increasingly robust young adult He writes about his grief over the premature death of his father his courtship and marriage to his first wife Alice Hathaway Lee and later the death of Alice and his mother on the same day The diaries chronicle his burgeoning political career in New York City and his election to the New York State Assembly With his descriptions of balls dinner parties and nights at the opera they offer a glimpse into life among the Gilded Age elite in Boston and New York They also recount Roosevelt's first birding and hunting trips to the Adirondacks the Maine woods and the American West Ending with Roosevelt's secret engagement to his second wife Edith

Kermit Carow *A Most Glorious Ride* provides an intimate look into the life of the man who would become America's twenty sixth president Brought together for the first time in a single volume the diaries have been meticulously transcribed annotated and introduced by Edward P Kohn Twenty four black and white photographs are also included Edward P Kohn has done scholars a great public service by editing the diaries of Theodore Roosevelt 1877-1886 This volume is essential reading for anybody interested in the rise of the great Rough Rider Highly recommended Douglas Brinkley author of *The Wilderness Warrior Theodore Roosevelt and the Crusade for America* I thought there was nothing new under the sun to be done on Theodore Roosevelt given the thousands of books already published but Edward P Kohn has discovered and admirably filled a major gap in books on the life and times of TR By bringing these diaries together in one place for the first time and providing expert annotation and footnotes Kohn makes an extremely valuable contribution to understanding Roosevelt Paul Grondahl author of *I Rose Like a Rocket The Political Education of Theodore Roosevelt* *A Most Glorious Ride* is an outstanding addition not only to the scholarship on Roosevelt but also to the study of the Gilded Age capturing the social norms of the times and offering insights into a long gone era of family life Michael Patrick Cullinane author of *Liberty and American Anti Imperialism 1898-1909*
