Ride Like The Wind:

Prose from many shores Bud Simmons,2022-03-09 Prose from many shores knocks on the door of the reality of our daily lives in stanzas that give the reader a broader spectrum of the spiritual world in psalms and songs The author authentically decrees that most of the contents within these pages came in the form of an otherworldly muse most definitely from the light From broken hearts that never heal to war that leaves scars unseen to history long forgotten to a World War II marine who encountered a talking dog that saved his life all these are compiled within these pages speaking to our world today Far from being a self help book it speaks to the child within us all to the adolescent we used to be and the adult and seniors we will all become Here in this unique collection you will be much devoted to the Divine and psalms that came about during early morning prayers or as the title Prose from many shores In this lyrical expression of love loss war and early morning visits by the muse Prose from many shores it is this writer s fervent hope and prayer that reading these words will inspire and encourage the readers to be aware that it is never too late to pursue your dreams in whatever category you have chosen I love being a writer of Christian psalms and praise poetry that inspire and all around history much from the greatest generation World War II As much as having written concerning Christian genres and motivational words of inspiration that have in some ways lifted the spirits of our cohort every writer wants to make a difference with her his contribution Today I have become a firm believer in the presence of God and Jesus Christ working in my life It s my experience that prayer and meditation daily can not only change our lives and lead us to a more fulfilling existence but also change our world for the better It has been said and documented in millions of testimonies that belief in God is one of the most formidable tools of reliability one may have Within these pages the reader will find story poems and short stories that will hopefully inspire them to move in the direction of unfulfilled dreams and ambitions Hopefully that may include the arts creativity performing arts and writing God stands as the master creator of all that is or ever will be you and me not excluded What then is more devoted to his likeness and image than to recreate on our own level It is my fervent hope that reading Prose from many shores may inspire you to build and expand your own relationship with God through prayer and praise In the ever holy name of Jesus Christ I leave my blessing on this work and all who read it God be with you and perhaps we will be destined to meet in person along life s path For grace is given not because we have done good works but in order that we may be able to do them Saint Augustine of Hippo *Hope Hathaway* Frances Parker,2023-09-17 Hope Hathaway by Frances Parker Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format **One Aussie's Endeavours** Garry William Gosney,2010-07-14 The Australian Poet is back again with One Aussie s Endeavours Volume 2

The Winds of Change Richard L. Guida, 2007-05-04 A gripping historical novel *The Winds of Change* encompasses the last fourteen months of the American Civil War Beginning in March of 1864 President Abraham Lincoln meets Ulysses S Grant who explains to Lincoln his strategy of attacking the South at all points simultaneously thereby preventing the South from reinforcing threatened points by shifting troops Grant's plan of total war thousands of families driven from their homes in despair is designed not only to defeat the armies of the Confederacy but also to take the will to fight from the Southern population He works in conjunction with William Sherman and George Thomas in the West Philip Sheridan in the Shenandoah Valley and George Meade in the East In *The Winds of Change* you can experience the conflicts and intrigue encountered by President Lincoln and his trusted generals as lives are lost in battle and strategies are revised to ensure victory *The Comical Macker* Cormac G. McDermott Ba Meconsc, 2013-04 This book is a very varied work in which different subjects and branches of humor are employed in a creative and imaginative fashion The work is a collection of

comedy expressed in a really witty way where there is something included for nearly everybody's taste. It is written using a distinct style and indicative of comic genius in many sections that will have the reader doubling up laughing while simultaneously shedding tears hysterically. *The Night* John White- Rodyng, 1900 Jacob's Roughriders Horace E. Wooten, 2010-03-11 Most of the adventure written in this book really occurred. After slavery was abolished many Negroes joined up to fight with the Union army to help win the war over slavery. At first they were not accepted but later at the loss of many white soldiers the Negroes were allowed to join the army but only in a segregated regiment called the colored troops. After the Civil War was won the colored cavalry was born. They were called the 9th and 10th cavalry of the United States Army. They fought Indians, chased outlaws and escorted settlers across the plains. The colored cavalry was given tough and dangerous assignments but they fought magnificently and won every fight they were engaged in with few or no casualties. The colored troops were very skillful and courageous; the Indians respected them as brave, fearless warriors. They were given the name Buffalo Soldiers because the buffalo is sacred and highly respected in the Indian Nation. Also the Indians thought the Negroes' hair was similar to the kinky curly hair of the buffalo. The Seminole Negro Indians were the best scouts and trackers in the country and many were drafted into the Army. It is recorded that many Negro soldiers were decorated highly for bravery and received the Congressional Medal of Honor. In 1847 Jacob Washington was born a slave and was freed during the Emancipation Proclamation in 1863. At the age of sixteen Jacob left the plantation and traveled west to Texas where he fulfilled his dream as a cowboy. Jacob got a job on the Circle G Ranch working for Bill Goodman as a wrangler. Jacob changed his name to Jake and received lots of experience. He helped push cattle northward up the Chisholm Trail into Oklahoma Indian Territory and on into Abilene and Dodge City, Kansas. *Headwinds: The Dead Reckoning of the Heart* Thomas A. Reis, 2013-09 In 1981 at 22 years old Tom embarked on a solo 58 day bicycle trip from Florence, Oregon to Chesapeake Bay, Virginia. The journey within proved much greater than his trip on the bike. This became a journey of the heart and soul. Events along the way triggered flashbacks from earlier times in Tom's life starting with his birth when the doctor encouraged his parents to pull the plug to overcoming his disabilities to surviving the heart wrenching family loss. The story encompasses his experiences as Tom pedals through unexpected snow storms, climbs over 11,000 foot passes and crosses the Continental Divide. Along the way he has chance encounters and a near death experience as he struggles to complete his trip hampered and emboldened by his life reflections. As a college professor and therapist Tom shares how his life and journey has fueled his passion for teaching others, taking his students on inward journeys of the heart and soul as well reflecting on relationships, love and the meaning of life. This is a story of redemption and transformation. In it are lessons of inspiration, sorrow, courage, tragedy, hope and joy. It's a story that engages the reader in the dead reckoning of the heart.
