Ride Me Memory:

Ride Me, Memory Kofi Awoonor, 1973 Poems written by Ghanaian author Kofi Awoonor during his years teaching in the United States reflecting on African American culture and his memories of home **Memory's Walk** Ron S. King, 2007-02-01 This book contains a compilation of poetry spiritual nature and general It is a light read for gentle evenings **Memory's Wake** Selina A. Fenech, 2011-06-18 She doesn't belong in this fairy tale land Memory is having a bad day Torn through a magical portal Her past unknown stolen She has no idea how much worse things will get The only thing she knows is she has to run A dragon hunts her The fairies despise her The king wants her soul And a wild man follows her in the shadows Memory will do anything to get back home wherever that is but unexplainable forces and dangerous secrets push her toward a fate darker than she ever imagined Will she survive learning the truth Victorian style fairy tale creatures and Arthurian lore combine in this unforgettable tale Memory's Wake is the first book in this complete young adult fantasy trilogy perfect for readers seeking a unique story full of intrigue unexpected twists and high stakes action Get your copy of this spellbinding page turner today *The Promise of Hope* Kofi Awoonor, 2014-03-01 Kofi Awoonor one of Ghana's most accomplished poets had for almost half a century committed himself to teaching political engagement and the literary arts The one constant that guided and shaped his many occupations and roles in life was poetry The Promise of Hope is a beautifully edited collection of some of Awoonor's most arresting work spanning almost fifty years Selected and edited by Awoonor's friend and colleague Kofi Anyidoho himself a prominent poet and academic in Ghana The Promise of Hope contains much of Awoonor's most recent unpublished poetry along with many of his anthologized and classic poems This engaging volume serves as a fitting contribution to the inaugural cohort of books in the African Poetry Book Series *Archives of Memory* Alice M. Hoffman, Howard S. Hoffman, 2021-11-21 Tell me about the war these words launched a ten year project in oral history by a husband and wife team Howard Hoffman fought in World War II from Cassino to the Elbe as a mortar crewman and a forward observer His war experiences are of intrinsic interest to readers who seek a foot soldier's view of those historic events But the principal purpose of this study was to explore the bounds of memory to gauge its accuracy and its stability over time and to determine the effects of various efforts to enhance it Alice Hoffman a historian initiated the study because she recognized the critical role of memory in gathering oral history Howard Hoffman the subject is an experimental psychologist Alice's tape recorded interviews with her husband over a period of ten years are the basic material of the study which compares the events as recounted in the first phase of the interviews with later accounts of the same experiences and with the written records of his company as well as the memories of fellow soldiers and the evidence of photographs and other documents This engrossing story of World War II breaks new ground for practitioners of oral history The Hoffmans' findings indicate that a subset of human memory exists that is so permanent and resistant to change that it can properly be labeled archival In addition to describing some of the circumstances under which archival memories are formed the Hoffmans

describe the conditions that were found to influence their storage and retrieval **Out of Touch** Leia Howard,2018-12-17
