Scott Hamilton Linda Shaughnessy,1998 A biography of the national world and Olympic gold medalist figure skater

Landing it Scott Hamilton,Lorenzo Benet,2000 My Life On and Off the Ice **Finish First** Scott Hamilton,2018-02-06

Go for the win Achieve excellence and be better than you ve ever been In his years as a professional ice skater Olympic Gold Medalist Scott Hamilton learned to embrace the mind set of working hard to beat the competition But it seems competition has gotten a bad rap these days We ve bought into the belief that it is unfair to participants to rank performance Yet competition is in fact a good thing because it s about working toward excellence *Finish First* is a wake up call for business leaders entrepreneurs spouses parents and even students to stop settling for mediocre and begin to revitalize their intrinsic will to achieve excellence and go for the win Most of us feel we were made for something more but we re often afraid to allow ourselves to be competitive because we think our finishing first might somehow rob others of their chance to shine This book encourages the hidden potential the champion within all of us to come out which eventually brings our family marriage career business and the world around us the greatest possible good *Scott Hamilton* Michael Steere,1985 Profiles the figure skater from the mystery surrounding his birth to the long string of faraway rinks and coaches that led him to four consecutive world championships and to Olympic gold *Scott Hamilton* Barry Wilner,1999 Scott Hamilton star figure skater and winner of the Olympic gold medal has overcome many obstacles As a child doctors discovered that he suffered from a partially paralyzed intestine Skating was both an escape from his illness and therapy toward getting well During this time skating also became his passion Yet skating could not cure all of his problems Having already watched his mother suffer and eventually die from cancer Hamilton maintained a positive outlook while he went on to win his own courageous six month battle with cancer From his fantastic skating programs in the Olympics to his comeback with the Stars on Ice professional tour Hamilton s courage strength and emotion continues to shine as an example for all aspiring athletes **The Great Eight** Scott Hamilton,2009-10-11 Beloved Olympic skater shares his secrets to happiness on and off the ice Scott Hamilton has experienced the heights of accomplishment and the depths of disease from winning the Gold to becoming a cancer and brain tumor survivor But through his successes struggles and setbacks Hamilton has never lost his trademark humor and honesty More important he has never lost his faith and optimism How does he keep smiling In *The Great Eight* Scott uses stories from his international career and personal life to describe the eight secrets that through commitment and repetition have helped him clear the ice get back up and smile like Kristi Yamaguchi Scott Hamilton lives his life as a champion Everyone needs the positive message of this greatly inspiring book Kristi Yamaguchi Olympic Gold Medalist I know and love Scotty Hamilton You will too after you read this book William Shatner *The Great Eight* is an inspiration to us all Donald J Trump It s like my bud Scott says You can t just skate through life and expect to be happy Kevin Nealon actor comedian Saturday Night Live alum **Don Laws** Beverly Ann Menke,2012 At the 1984 Olympics American Scott Hamilton

skated into the history books when he claimed a gold medal in Sarajevo. Beside him the entire time was his coach Don Laws, a member of the U.S. Figure Skating Hall of Fame and a U.S. Junior Champion. Laws is one of the most respected and admired ice skating coaches in the world. In addition to Hamilton, Don was the coach of champions Michael Weiss and Patrick Chan. This authorized biography tells the story of Law's exemplary life and chronicles his singular dedication to figure skating. Don Laws: The Life of an Olympic Figure Skating Coach recounts Don's youth from his childhood in Washington, D.C. to his Junior Men's Figure Skating Championship to his triumphs as a coach on the international stage. Featuring personal interviews with many of his former pupils, this humorous and enlightening biography captures Don's dedication to the sport and to his students. In addition, this book goes behind the scenes of the controversial new judging system for which Laws was one of only four coaches worldwide to take part in its creation, as well as touches upon the break between Don Laws and his star pupil Patrick Chan. Including exclusive interviews with Scott Hamilton, Michael Weiss, premier Russian coach Tamara Moskvina, former International Skating Union member Sonia Bianchetti, and current ISU President Ottavio Cinquanta, this book is a one-of-a-kind look at a man who never broke from his beliefs and ideals and never wavered in his love for the sport. A chapter devoted to skating techniques laid out by Laws will be a helpful tool for figure skating coaches, but for the figure skater and for any fan of the sport, it will be the stories, interviews, photographs, and history that make this book entertaining and inspiring.

Scott Hamilton Kristine Brennan, 1999. A biography of the accomplished figure skater Scott Hamilton covering his life, career, and battle with testicular cancer. **The Best of Figure Skating** Kathy Allen, 2010. Presents some of the best moments and skaters in figure skating history. **Lake Placid Figure Skating** Christie Sausa, 2012-08-07. Figure skating has always had an important home in Lake Placid.

Early on, the Sno-Birds popularized this summer retreat, and Melville and Godfrey Dewey won the campaign for the 1932 Winter Olympics. The Skating Club of Lake Placid was formed, and after 1932, famous skaters trained here with legendary coach Gus Lussi. When Lake Placid again hosted the Olympics in 1980, skating dominated with state-of-the-art facilities that have continued to be used by stars like Dorothy Hamill and Sarah Hughes, and helped give rise to Scott Hamilton's Stars on Ice. For more than one hundred years, the Lake Placid community has worked together to support figure skating and skaters in this quiet Adirondack village. Local expert Christie Sausa tells this exciting story.
