theological language these discussions express the concerns of both Christians and atheists in a clear meaningful and respectful way A Friendly Dialogue between an Atheist and a Christian is a must read for anyone interested in gaining a greater appreciation of the oriental world of China and how the Christian faith is being received within that context *A Portrait of Jesus* T. A. Prickett, 2010-08-03 The impulse to publish these sermons came to me after I had successfully published my book *For Our Age of Anxiety* based on the Sermon on the Mount All of these sermons were first written and preached while I was pastor of the Seven Hills Baptist Church in Owensboro Kentucky where I served for thirty four years As I considered the idea of publishing a follow up book of sermons from the remaining chapters of Matthew I went to my files and began the process of selecting the sermons to be included After I had selected these sermons I began to see that they could be put together under the theme of a portrait of Jesus This book features sermons that focus on the early days of the ministry of Jesus particularly as they related to the ministry of John the Baptist They also shed some light on the temptations of Jesus in the desert on the call of those who would be his first disciples and what is involved in being a disciple of Jesus then and now Some of the sermons are based on the miracles of Jesus thus revealing the compassion of Jesus These sermons also deal with the idea of the Kingdom of God showing some of the principles and characteristics of the Kingdom The last two sermons are about the person of Jesus It is my hope that these sermons will indeed help the reader to draw his or her own mental and spiritual portrait of Jesus
